Tailem Bend Auto Club President, Lynton Piggott, helps revive the old Carslake Garage, situated on what locals know as, Carslake Corner. In keeping with the old style sign writing and colours, members of the Auto Club decided to give the building a new coat of paint in honour of Keith Carslake, original owner. iPhone image G Power.

Carslake Corner Restored

Situated in Taillem Bend, the exterior of Carslake Used Cars, situated on what's known as Carslake Corner, has been faithfully restored by the Taillem Bend Auto Club to honour one the town's motoring characters of the past - Keith Carslake.

Most travellers heading south through Taillem Bend to Melbourne, or north to Adelaide, don't see the town's Main Street unless they're heading east to Karoonda and the Riverland via Kulde Road.

Carslake Corner can be found past the main street and left over the railway line on Granites Road, opposite the Anglican Church.

If you travel directly past Carslake Corner, you will find Taillem Bend's popular RSL Club, opposite Peter Green's unique Tin Elephant, full of vintage ware and collectables – another motoring landmark in the making.

Janine Stevens' (nee Carslake) article is on page.....

The Changing Face of Tailem Bend #81

VALERIE SPARROW - ARTIST

This month, we look at the life and times of renowned local artist, Valerie Sparrow, with her husband John, market gardeners, travellers and much more, as you will read - they are now our gain as residents of Tailem Bend.

Over to Valerie....

****My love for art first started with china painting. I attended a class in Stirling in the 1970's, run by Helen Steinwedel. With a passion for old world pieces, (which were readily available in white porcelain) I was able to get some, which I still treasure today. Eventually I bought my own kiln and started a small class - six students attended in our home at Scott Creek.**

One class day was extremely hot with northerly winds "Ash Wednesday" and the roads were cut! Out of our four children, two were at Urrbrae, one at Heathfield High and one at Scott Creek Primary school, there was no communication, my Mum was with me and Dad was back in Bridgewater and no way of knowing how our family was. Fortunately we had a market garden, with acres of irrigated vegetables around our home and we escaped unscathed. It was a very frightening and devastating day for the hills.

In 1983 my Grandmother passed away and while clearing out her home, Dad found her small wooden box of charcoals and a roll of paper with an unfinished drawing and reference material. I completed the drawing and I was hooked! I love the freedom of using charcoal and working on a larger scale.

In 1985 my husband took up a post at Kalamurinna Station west of the Birdsville Track, its western boundary was Lake Eyre, John and I lived on the Warburton River about 60kms from the homestead - we were very isolated but the scenery was an artist's dream and, with a fair bit of time on my hands, my next trip to Adelaide for supplies, included prints and boards. Cowarie Station, our closest neighbours, commissioned a painting of their homestead and word spread, via the flying Doctor radio, (our only means of communication) and I had orders from Pandi Pandi, Marree, Calana and Mucumba Stations. Kalamurinna station also had an interest in an area on the Birdsville Track at Mungarannie. John and I spent some time there helping to set up the road house and worked there on a relieving basis when needed. It was yet another out-let for my painting, along with the Marree Caravan Park.

When we left, John worked in Kingston S.E. and Willalooka, where I was able to continue my painting. Colours and atmosphere were very different from the northern pastoral zone. The years we were in the S.E. were very wet. The Double Swamps at Taratap filled, and the water course on West Slopes, where John worked, was only navigable in a 'tinny'. I loved painting the water birds and scenes there.

In 1990, we bought our own property North of Keith. My spare time was very limited then, working part-time and helping on the farm, so, no time for painting.

The Changing Face of Tailem Bend #81

Pauline, Vicki Stokes and Patsie Morouski, did a wonderful job with the food, serving scones and quiche and salad, in a beautiful garden setting. As the day was also a fund raiser for the Murray Bridge Hospital Chemotherapy Unit and with Rhonda Riggs manning the till, \$800 was raised to go towards a trolley for the unit.

My studio, aptly named *Val's Studio* **BELOW LEFT:** is on the corner of Murray Street and South Terrace, Tailem Bend and is open Thursdays, or by appointment, with new works being displayed as they are completed. I work in oils, acrylics, water colours and pastels - exhibiting locally and on-line.

LEFT: Val in her studio with some of her exquisite work.

We had a mixed farm, fine wool Merino sheep, fat lambs from our terminal mob, and forty breeding Angus cows. Some cropping/pasture renovation and a small paddock of irrigated Lucerne by the house. We joined the local golf club and made some very good friends.

In 2002 we retired. As John had had an altercation with a truck and a shed back on the market garden in 1966 and his injuries were becoming more of a problem with age, we felt we could no longer do justice to our farm. As our children were otherwise employed, we decided to move and bought a scrub block, ten kilometres South of Tailem Bend. There we built a home and carved out a garden eventually taming the horehound and onion weed and reducing the rabbit population. Our garden gives us a great deal of pleasure and is another source of inspiration for my painting.

We recently hosted an open garden for the Bridge Art Group, of which we are members. Once the heavy work was completed and with time on my hands, I joined local art groups, attended workshops and completed a certificate course in Botanical Art.

John is very keen on photography, especially birds. He won a People's Choice Award for his "SWANS OVER THE WATER". I use some of his photos for my work.

In 2013 John and I attended a garage sale at Pauline and Neville Merritt's home, where they were cleaning out a stone dwelling in the rear of their garden. This building was originally the home of Henry and Kath Tiller and later, Pauline's laundry. The light was beautiful and I fell in love with it straight away.

After much discussion, this room, which has many memories for the Merritt families, was offered to me as a studio. We had a grand opening on the weekend of October 25th and 26th, 2013, where over 80 guests attended. There was a good smattering of local folk and others from as far away as Kingston S.E., Tintinara and NSW.

Tuition is available in small groups or one on one. Enquiries, please phone: 0419 108 451.

Inspiration:

Walking in the garden early mornings and twilight - Roses with dew on their petals - Camping in the outback. Whenever inspiration strikes, I have to put paint on canvas.

Thank you for hearing my story, Valerie Sparrow.

Many Thanks Valerie, it was a pleasure chatting with you.

Plenty more to come next month, see you then.

Battle Over Mallee - Council Elections 2018

Have You Voted Yet?

"Government is at its worst when you have apathy from its citizens" Quote by Jesse Ventura.

The battle of Mallee Ward is almost over, when voting closes 5pm Friday, November 9, 2018. Unlike other State and Federal elections, it's not compulsory to vote in South Australian Local Government council elections - however, council elections are by far the biggest single voluntary civic participation activity in the state.

With seven candidates contesting for four Councilor vacancies in the Coorong's Mallee Ward, the 2018 Council Elections are set to be extremely interesting and highly competitive - also in Taillem Topics distribution area, the Parks Ward has three vacancies.

Councilor nominations at closing 12 noon, Tuesday, September 18, 2018;

Mallee Ward

- Brenton David Qualmann of Taillem Bend
- Donna Marie Middleton of Taillem Bend
- Fiona Paech of Taillem Bend
- Glynis Ann Taylor of Wellington East
- Neville Ross Jaensch of Taillem Bend
- Paul Edward Simmons of Coomandook
- Peter Edward Wright of Wellington East

Parks Ward

- Julie Barrie of Coonalpyn
- Lisa Rowntree of Netherton
- Jeff Arthur of Tintinara

Taillem Topics asked Candidates these Questions:

With so many rate payers demanding accountability and improved transparency from their Local Government, Taillem Topics asked candidates the following questions for publication on Social Media and in November's issue;

- Do you support Rate Capping? If so, why - If not, why not?
- Government reductions in road funding, what do you suggest the Coorong District Council should do to fund improvements and maintenance of roads in the District into the future?
- If costs need to be trimmed by the Coorong District Council to meet Ratepayers requirements, what do you suggest needs to go?

These Candidates responded in writing to our questions:

LISA ROWNTREE -

Q: Do you support rate capping?

A: In essence yes, I support rate capping on residential rates. There are too many rate payers paying an unsustainable amount in rates, and when it starts affecting their ability to live in Taillem Bend, then there is something definitely wrong with that scenario. I believe that prior to amalgamation, some of the Councils functioned perfectly well with rate capping. It's all about living within your means.

Q: Roads:

A: The whole road programme needs to be looked at more closely by proper experts. It is hard for me to comment much on this as I really need to be able to see what's happened in the past and what is planned for the future. What I do know, is that the current protocol and associated expenditure is not working. Our roads have never been in poorer condition and something has to be done before someone is killed or seriously injured. We've had good roads before, so looking back at what worked in the past

and consulting with local experts, will be one of my objectives if elected.

Q: Costs:

A: I am very keen to look more closely at the actual costs of running the CDC. As a business woman I find it hard to understand why it costs so much to run the Council and why we need so many people. Perhaps once in, I will find some of the answers to my questions. If I ran my business like the CDC, I would be broke. The answer might also lie in not necessarily finding things that "need to go", but doing things in order of priority and in a cheaper, more sustainable manner.

Authorised by: Lisa Rowntree, Netherton, SA 5301

GLYNIS TAYLOR -

Q: Do you support rate capping?

A: I support rate capping on residential rates. Without some form of well thought out capping system which takes in to account the ability to pay, the current one size fits all approach to rates increases is unsustainable. There must be a system which more closely reflects actual wage and pension annual increases.

Q: Roads:

A: All departments must live within their means. Blaming Federal or State departments for funding cuts is not good enough. Any project, and roads are no exception, requires an expert assessment of need, an annual schedule of works, prioritisation for roads which carry farming input and output, a proactive approach to up-grades, and tightly controlled budgets. But more importantly, consultancy with local experts who have local knowledge.

Q: Costs:

A: The incoming council will need a full analysis of the current financial position. To drill down in great detail in to departmental spending and costs. To actively seek out unnecessary and wasteful spending and eliminate it. To take tighter control of projects, their scope and their budgets. Fiscal efficiency and sustainable spending can slow and stop uncontrolled rate rises, making the district affordable and attractive for business and families.

Authorised by: Glynis Taylor, 28 Forest Lane, Wellington East, SA 5259

JEFF ARTHUR

Q: Do you support rate capping?

A: In theory, I must say no, unless charges are capped as well. REASON: Year 2009/10 your bill was as follows RATES \$406 FIXED CHARGE \$295 CWMS \$178.50 Total \$879.50. With same valuation for year 2018/19: RATES \$540.92 FIXED CHARGE \$360 CWMS \$605 WASTE \$325 total \$1830.92 Rate rise for period \$134.92 Charges rise for period \$826.50

Q: Roads:

A: We had a change in procedures a few years ago which has proved catastrophic. Staff have been blamed for not bringing roads to a suitable standard but you can't do this without a basic commodity "rubble". The complaints I receive about roads and damage done to vehicles is never ending. We were recognised for the quality of our road network but not any more. I will fight to get us back to a position where we are once again have the road network to be proud of.

Q: Costs:

A: Any business must take a complete review of the revenue and expenditure needed for the business to run in an efficient and sustainable manner. This is something I hope the new Council will do because continuing deficit budgets are not viable. If this was a business the manager would be having a good look.

Medical Hub for Tailem Bend

Returning to Tailem Bend, after three years of negotiations with SA Health, Dr Sanjeev Sabharwal plans to establish a comprehensive Medical Hub in Tailem Bend within the next few years.

Arriving in Tailem Bend from Roxby Downs in 2008, Dr Sanjeev Sabharwal and his wife Divya quickly settled themselves and their young family into the friendly community.

"We've been looking at Tailem Bend for years, well before we opened our Bridgeview Family Practice in Murray Bridge," Dr Sabharwal said. "With all the growth in the region we're expecting a demand for improved medical services in the area and we believe that Tailem Bend is well situated to become a Medical Hub for the district."

"We already have a Physiotherapist and Podiatrist on the Tailem Bend team and we'll soon have a Dietician, Psychiatrist, Optometrist and Mental Health Nurse joining us."

"Currently, we're setting up a high-tech video conferencing room, while we're looking into suitable premises to establish a Dentist in Tailem Bend."

"We have a strong team of five Doctors servicing Tailem Bend and all are highly skilled and fully credentialed to work in general practice, along with servicing hospital emergencies and Residential Aged Care."

"We're also pleased to be working with the Special Projects Team of the Tailem Bend Progress Association in promoting a Cultural Festival, incorporating a Food Fair, along with a Local Produce Market and possible Show-N-Shine in the town, early 2019."

Engaging in Ageing Expo

Tailem Bend's beautiful tree-studded Willow Street Precinct once again proved a wonderful venue for yet another Engaging in Ageing Expo, a regular event which aims to promote active ageing and celebrate the enormous contribution by seniors in our community. As always, people from all corners of the Coorong and Murray Bridge regions, flocked to the event in surprisingly large numbers, to take advantage of this very well organised event.

Inside and outside the Town Hall, more than 30 exhibitors provided advice on a wide range of health and welfare subjects, demonstrating that our district is very well served by organisations, both government and in private enterprise.

BELOW: One of the many information stalls present at the recent Engaging in Aging Expo, held during October in the Town Hall and Willow Precinct, Tailem Bend.

The ever-popular Football legend, Neil Kerley got proceedings off to an amusing start, followed later by well-known TV Presenter, gardener and author, Sophie Thomson, **PICTURED BELOW:** who entertained a packed-house with her gardening tips. Michael Keelan followed later, in conjunction with The Food Studio, providing advice on the importance of preparing healthy foods – to help prolong our lives!

The ever-dynamic Tammy Shepherd, Co-ordinator of Tailem Bend Community Centre and MC for the day, kept people informed of what was happening throughout the day.

Altogether, a day to enjoy and Congratulations are due to those many people who were responsible for staging this very successful event.

For all of us, ageing is inevitable, so let's make it as much fun as possible!

PICTURED ABOVE RIGHT: Welcomed sunshine prevailed throughout the day, creating a pleasant atmosphere for visitors to sit and relax beneath the trees. Local organisations and other vendors provided mouth-watering food and refreshments, while a pleasant selection of songs were performed by popular music group, Highway 55.

Jury Road Orchard

Growing up across the lake at the Van Den Brink Farm, Margy Gambling (Nee.....) of Meningie daydreamed about what was beyond the gates of Jury Road Orchard – not knowing that her husband's love of single piston motors would bring her home, establishing a peaceful resort on the shores of Lake Albert.

Situated in the world-renowned Coorong region and after years of toil working away from home, Margy is finally organized enough, to start sharing the tranquilly of her unique piece of paradise.

"Butch, my husband, loved the sound of his Southern Cross Stationary Diesel and if it wasn't for the neighbors complaining, he would have never surprised me with Jury Road Orchard,"

Margy said. "He found a home for his motor, but it has taken years, and I mean years, before we started to build - it's such a shame Butch never lived long enough to see what Jury Road Orchard is today."

With the lingering smell of old crude oil in the air, Margy braves the dusty shed and begins uncovering what is now a family treasure *Butch's Southern Cross*.

"I'll never forget the day Butch surprised me, opening the gates, we walked over the hill in a gentle drizzle of rain, the lake was calm and still like a mirror, Swans honked and you could hear the roar of the Southern Ocean in the distance – I fell in love, I knew I was home."

Whilst establishing her distinctive Bed & Breakfast and matchless self-sufficient camp grounds, Margy unearthed a number of fascinating artifacts leading to local Aboriginal Elders affirming that the land is the last gathering place of trade for the Ngarrindjeri people.

"I really feel connected to the land, it's such a peaceful, moody, dreamy place, the lake is never the same and every sunset is different - I love sharing what feels to me, like a place where earth meets heaven."

So, if you're into bird watching, canoeing, walking, windsurfing, paddle boarding, kite flying, fishing or doing nothing at all, why not treat yourself to a night or two at Jury Road Orchard B&B or experience the stillness of Margy's rare, self-contained camping.

For more details, visit coorongrealty.com.au or phone Coorong Realty on 8572 4555.

The Southern Cross Single Piston Stationary Diesel Motor

The Toowoomba Foundry is best known as the maker of hundreds of thousands of Southern Cross windmills over almost a century, from 1876 to 1973. The company also made thousands of small engines, many of which were used for pumping water on farms when the wind wasn't blowing. This small diesel engine was one of 1646 Southern Cross engines manufactured by Toowoomba Foundry between 1938 and 1945, a significant period in the company's history.

The engine's design incorporates some innovations that resulted from research carried out at the foundry and that were later copied by other makers in Australia and overseas. These include oil-primed starting, which greatly simplified the engine's mechanism compared to other diesels, and an internal oil filter, which contributed to the engine's reputation for reliability. The engines were easy to start, even in cold weather. Although they cost more to buy than similar petrol or kerosene engines, they were cheap to operate because they could be fuelled by crude oil.

Probus Report

OCTOBER 2018

President Wes Gowland welcomed to the October meeting, 12 members, with 8 apologies.

Following the National Anthem and the singing of The Probus Song, the

minutes from the meeting held in September 2018 and the Financial Statement were presented by the Secretary and stand-in Treasurer, Vice President Joyce Medlow, and were passed by members.

The Secretary advised that he had delivered a sympathy card on behalf of the club to Probus Member Shirley Jaensch following the recent sudden death of her son Stephen.

General business included a summary by Neville Medlow describing the success of the recent Probus Friendship Day organised by the Mobilong Ladies Probus Club and held at the Murray Bridge Golf Club. This was thoroughly enjoyed by the 11 members of our club who attended.

Representing President Wes Gowling, Taillem Bend Vice President, Joyce Medlow, gave a brief address regarding our own club's activities during the past year and thanked the Mobilong Ladies Club for organising such an enjoyable and successful event.

Representatives from all clubs retired to decide which club would host the Friendship Day in 2019. It was decided that Taillem Bend and Meningie Clubs would jointly organise the event.

The Club decided again to make a monetary donation to the Taillem Bend Primary School to purchase books for presentation at the annual Presentation Night, to students for various meritorious achievements.

The Probus Christmas Dinner will be held on Monday, December 10, at the RSL Clubrooms.

GUEST SPEAKER

Guest Speaker Organiser Peter Connolly introduced Foster Davis, Marketing and Communications Manager of the Murraylands Aged Care Group. Born and bred in Murray Bridge, Foster plays a key role in the rapidly expanding and important field of assisting the aged population, with a focus on enabling them to remain in their own homes, rather than occupying aged care facilities.

Foster delivered a comprehensive summary of the workings of the aged care sector and mentioned that this field has become very competitive, with many different service providers vying for their "share of the market".

He provided Probus members (who are mainly in the "aged" category!) with useful advice on how to gain the best advantage from available services. His eloquent presentation demonstrated a comprehensive knowledge of facilities and services available to aged persons in our area and he was greeted with enthusiastic applause by Probus members.

Why not become an overnight Star? You would be very welcome as a Probus Guest Speaker. Everyone has an interesting story to tell! Please contact Peter Connolly our affable Guest Speaker Organiser on 7127 3308.

Probus Taillem Bend is an organisation open to ladies and

gentlemen dedicated to fostering friendship and goodwill within our community. Why not join us?

ABOVE: Foster was presented with a Probus Certificate of Appreciation by Vice President, Joyce Medlow.

Webster Pak Home Medication Review

Webster Pak - a tailored medication solution for you. Good Medication Management gives Peace of Mind. Webster Pak is the safe and simple way to manage medication.

Webster Pak reduces the risk of taking the wrong medication. The pack is a visible reminder to take your medication. It's easy for a loved one or carer to check if medication is being taken. The pack is sealed so the medication can't be spoiled, spilled or mixed up. It's suitable for all age groups and most importantly, it gives peace of mind to relatives, loved ones and carers. Whether you like Webster Pak for yourself or your elderly mother or father, talk to your doctor or pharmacist today.

Ladies Golf Club Windup - Checkered Bunting

Tailem Bend Progress Association President, Peter Connolly, doing 'the rounds' along the Main Street, distributing Race Day bunting, donated by the Coorong District Council, for Tailem Bend's first OTR Super Sprint, held the weekend of August 25-26, 2018. It was great to see the town come to life for this historical event!

BELOW LEFT: Peter with Zavesti Hair and Body owner, Hayley and apprentice Brittany, working out where to hang the chequered bunting. **BELOW RIGHT:** Tony Hughes and shop assistant Judy Cross, were already revving up with giant checkered flags when Peter arrived with his bunting. Several main street businesses hung bunting from their verandahs, including the butcher, the baker, the chemist - also catching the black and white bug, was BankSA, Poppy's Cafe, Foodland and The Tasty Chicken on the highway. There were rumours that some of the bunting had disappeared by Monday - souvenir hunters, I dare say.

Community Pet Page

Ally's Canine Column

Hello Everyone

Owning a pet gives you a "natural" high that cannot be compared. Recent research states pet owners (yep, not just dog owners) are more likely to laugh out loud

more often.....giggles make you feel good, you meet more people during the course of walking, plus you are keeping active. Pets are good for morale, especially for those who live alone (not called a man's best friend for nothing.

To really feel good about yourself, adopting a pet and saving a life is hard to beat.

Remember when bringing a new member to your family or to re-invigorate your own life, consider researching the breed at the shelter - the staff can assist with the animal's personality, special needs, size, security or yard required.

An option to consider – take the animal home for a trial period, prior to adoption. A good time to do a trial is during a holiday period, such as Easter, school holidays or the Christmas period (generally people will have time off over these periods).

Remember to consider your existing pet's needs, conduct new introductions slowly and with care.

Weather you are a young family looking for a "forever" mate or one of the wonderful retired folk who have a lifetime of stories to share, owning an animal is one of life's pleasures.

Catchya later Ally and her PA xx

Light Up Tailem - Christmas 2018

Tailem's admired Christmas celebrations are set to be bigger and brighter this year as the town's Main Street Traders, local businesses and service groups along with community minded individuals, join forces with the Tailem Progress Association's Special Projects Team and the Coorong District Council, to flick the switch and *LIGHT UP TAILEM 2018.*

Along with encouraging Tailem households to put on another spectacular display of Christmas lights this year, the group is keen to see the town's best kept secrets - their Main Street and Railway Station, lit up and visible from Vanguard One – the world's first solar electric power satellite orbiting earth!!

With over forty mature trees on Tailem's charming Railway Terrace, (main street) the group has already secured sponsorship of 13 trees without any major publicity.

If you would like to sponsor a Tailem Bend Tree, please contact Amanda Williams on 0473 832 669 – an \$80 sponsorship fee will secure you a tree and includes installation of 2,000 solar-powered fairy lights.

As usual, the winner of Tailem Bend's 'Best Christmas Lights' will be announced after The Christmas Parade, Saturday, December 15 - with judging taking place between Tuesday, December 11 and Thursday December 13. (Don't forget to leave your lights on between 7pm and 11 pm on each of these nights)

Like most country towns around the state, Tailem Bend's population is maturing, so if you know of anyone, or you, yourself are in need of a helping hand to install Christmas Lights on your house this year, please call 0349 387 750 and the 'Special Projects Team' will organize some help for you.

Community Communications

The Taillem Bend Progress Association under the leadership of President Peter Connolly, Secretary Glenn Power and Treasurer Margaret Jaensch, is looking to drive change and development in Taillem Bend by improved communications and collaborative action driven activities.

With Taillem Bend's Christmas Parade, Christmas Parade Cabaret, Taillem Topics, numerous Special Projects and ongoing Bingo Ticket sales already in its stable, the Taillem Bend Progress Association's strong volunteer base is looking to the future.

"We've always had a strong base of dedicated volunteers that have proven their worth over and over again throughout the decades," Peter said.

More recently we distributed Race Day Bunting to Main Street businesses, conducted a post OTR Super Sprint Business Survey (Details to be published soon) tended a number of beautification projects and last month we even installed a set of three Community Notice Boards in Taillem Bend's Main Street."

Centrally located, Taillem Topics Community Notice Boards, have been securely fixed to the wall of Elders Real Estate in the Main Street and will be managed on a monthly basis by Taillem Topics Editorial team, headed by our Editor, Barb Power, **ABOVE RIGHT.**

"The main reason for the main street Notice Boards, is to ensure that people are informed of activities in and around Taillem Bend and that residents who don't use the internet or Facebook, are kept up to date and not forgotten," Barb said. "It's also a great way for travellers and visitors to see what's happening in our region."

The Notice Board features Coming Events, What's On and Community Services - including Taillem Bend club reports, public and community notices.

So, if you have anything happening in Taillem Bend, be sure to advise Taillem Topics by email: taillemtopics@gmail.com or by dropping a note into the Red Box in the Taillem Bend Post Office.

Let's improve our community's off-line communications by getting behind this wonderful Taillem Bend Progress Association initiative.

*Special thanks to Kerry Simcock of Simcock Commercial, Ian Robinson of Elders Real Estate, the Coorong District Council and Lynton Piggott, for their assistance.

Prisoners And Pups - Main Street

Prisoners And Pups follows the highs and lows of a small group of women prisoners, who have just eight weeks to transform retired racing greyhounds into obedient, house-friendly pets, ready for adoption. The film explores the journey that gives the greyhounds and the prisoners a second chance.

- The dogs, born into breeding kennels, have never known the sights and sounds of life beyond the track. Trained as racing dogs - they need to learn how to assimilate and become companions to humans in the next stage of their lives.*
- For the women, this is their last chance too. Some have spent most of their lives behind bars and others are first time offenders. While consistent themes of substance abuse and violence echo throughout their stories, the hardest test turn out to be facing up to themselves. Can the prisoners and the dogs work together to prepare for their new lives outside?*
- Following all screenings, there will be a special Q&A session with filmmaker Shalom Almond, about her experiences behind the scenes making the documentary. At many of the screenings, she will be joined by special guests, including the ex-prisoners from the film, to discuss the triumphs and challenges of rehabilitation and reintegration into the community.*
- Prisoners and Pups premiered at the 2017 Adelaide Film Festival to a SOLD OUT audience and broadcast on ABC2 in Nov 2017.*

Tailem Bend Screening - Sunday, November

According to the RAA in 2014 the Princes Highway carried between 550 vehicles on quiet sections of the highway and up to 3,400 vehicles on the busier sections.

Situated on one of the busiest sections of the Princes Highway and given these estimations, a grand total of approximately 1.2 million vehicles pass through Tailem Bend every year.

If Tailem Bend could attract an additional 3% of those vehicles passing its Main Street that would equate to an additional 102 vehicles (possibly 204 visitors) to our Main Street every day.

What ideas do you have to attract travellers to Railway Terrace?

Please email your suggestions to the Tailem Bend Progress Association at tailem.topics@gmail.com or drop your written ideas into the Red Box at the Tailem Bend Post Office.

BELOW: Tourists flock to Tailem's Main Street, (Railway Terrace) many, to restock their caravans from our award winning supermarket.

The Clockmaker's Daughter MORTON - Kate

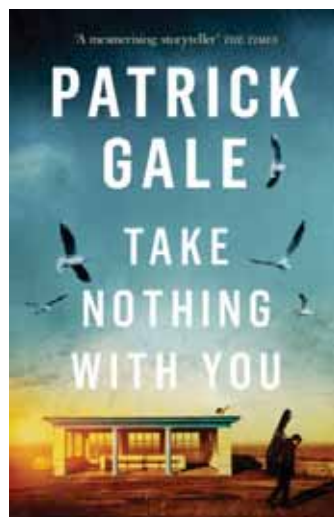

In the summer of 1862, a group of young artists led by the passionate and talented Edward Radcliffe descends upon Birchwood Manor on the banks of the Upper Thames. Their plan: to spend a secluded summer month in a haze of inspiration and creativity. But by the time their stay is over, one woman has been shot dead while another has disappeared; a priceless heirloom is missing; and Edward Radcliffe's life is in ruins.

Over one hundred and fifty years later, Elodie Winslow, a young archivist in London, uncovers a leather satchel containing two seemingly unrelated items: a sepia photograph of an arresting-looking woman in Victorian clothing, and an artist's sketchbook containing the drawing of a twin-gabled house on the bend of a river.

Why does Birchwood Manor feel so familiar to Elodie? And who is the beautiful woman in the photograph? Will she ever give up her secrets? Told by multiple voices across time, THE CLOCKMAKER'S DAUGHTER is a story of murder, mystery and thievery, of art, love and loss. And flowing through its pages like a river, is the voice of a woman who stands outside time, whose name has been forgotten by history, but who has watched it all unfold: Birdie Bell, the clockmaker's daughter.

Take Nothing With You GALE - Patrick

Leaving your childhood behind is easier said than done...

Take Nothing with You is a sad-funny comedy of resilience and survival. Fifty-something Eustace, a gay Londoner of leisure, realises in the same week that he has fallen hopelessly in love with a man he has yet to meet in the flesh, and that he has cancer of the thyroid. While being given radioactive iodine therapy, which involves spending a little over 24 hours in a lead-lined hospital suite wearing only disposable clothes and with no

possessions he doesn't mind leaving behind, he listens to hour on hour of cello music recorded for him by his best mate, Naomi. This sets his memories circling back to the 1970s and his eccentric boyhood and adolescence in his parents' old people's home in Weston-Super-Mare, and how his life was transfigured and his family's stability shattered, by the decision to attend a recital by the glamorous cellist, Carla Gold.

TAILEM BEND MASONIC QUILTING AND CRAFT GROUP

The MQCG would like to convey their thanks and appreciation to all who attended their recent Quilt Exhibition in the Town Hall. It was wonderful to see so many people and they received a lot of complimentary feedback on the venue, the size of the display and the creative work of members who made these beautiful and complex quilts. For such a small group the quantity and quality of the work was impressive, according to the President of the SA Quilters' Guild. The group was also very proud to say, that over the two days and with the raffle, close to \$2000 was raised for the Tailem Bend Hospital.

RAFFLE WINNERS WERE:

- 1st Prize Red B63 Ann Hughes
- 2nd Prize Red B38 Erica Hammond
- 3rd Prize Red C 96 Angie Tomkinson

Once again, a very big thank you to everyone who came and supported us to raise these funds. We plan to hold another Quilt Exhibition in 2021- see you there!

The writer of Ecclesiastes said that "Two are better than one ... If either of them falls down, one can help the other up. A cord of three strands is not quickly broken." What he meant by this is that there is something about partnership. We can achieve more working together and we can each achieve individually. Tailem Bend Christian Centre has been working through a process where it merged with Highways Christian Church in Bordertown and Lifepoint Church located in Adelaide. Under the name Lifepoint Church we are now one church in three locations.

Our Senior Pastors are Ps David and Donna Hall. Ps David is a member of the state executive of the Australian Christian Churches. Our local Campus Pastors are Timothy and Alisha Minahan. Timothy and Alisha are committed to people. Lifepoint Church is unashamedly Pentecostal and Contemporary Church focused on knowing Jesus.

Thought for the Month

Faith may be the hardest thing to have - It is believing in the unknown, unseen and untested.

Those who bungy-jump have faith that the rope will not break - Those who skydive have faith that the parachute will open. We have faith in professionals, such as doctors, bankers and teachers that they will have the skills and desire to help us when we need them. We have faith in products and manufacturers, that they will not harm us. We have faith in friends that they will keep our trust.

Christians have faith in God. He is unseen yet we can see His creation in the world's beauty and all humans. Christians have faith in God's Word, and that He sent His Son, Jesus Christ to die for us as an atoning sacrifice for our sins.

In Luke chapter 8, verse 29, a woman had faith that she would be healed if she only touched Jesus' cloak. We have faith that, if we follow Christ's teaching and His commandments to love God and each other with all our heart, soul and mind, (Luke chapter 10 verse 27), then we will inherit eternal life.

Even in adversity we have faith that God knows His plan for us, and we believe even though we have not seen.

Matthew chapter 21 verse 22 says," If you believe, you will receive whatever you ask for in prayer."

BLUE LIGHT DISCO CALENDAR - 2018

Term 4 - Wednesday, December 5 - Talem Bend Town Hall. Theme: Christmas.

All disco's run from 5pm - 7 pm and are for Primary School aged children from 5 - 13 years of age.

Blue Light Discos are organised and run for the benefit of the Primary School children in our community. Our committee want the discos to be a safe and pleasant experience for all the children and expect the children to be respectful of each other, as well as the Supervisors for the evening.

REMINDER : On arrival - All parents and carers are asked to please bring their child/children into the disco venue. On departure - All Parents and Carers must come into the venue and notify the volunteer on door duty of the child/children they are picking up. This is for your/their own safety and protection.

"BLUE LIGHT IS A CHILD SAFE ENVIRONMENT".
