Tailem Bend Christmas Parade Cabaret

TAILEM BEND CHRISTMAS PARADE CABARET

On behalf of the Tailem Bend Christmas Parade Committee, I would like to thank everyone who supported our Best of the British Cabaret. What a great night we had! There was an amazing night of British Artists, including Sir Elton John, Boy George and Amy Winehouse, we were even graced by a visit from Her Majesty, Queen Elizabeth II.

This is our major Fundraiser for the year and all funds raised go toward the Parade: the kid's entertainment, Santa's Wonderland and all other associated expenses. We cannot thank our Sponsors enough for their very generous support, there are seriously too many to name, but without them there would be no Christmas Parade.

Thank you all ... we will see you again next year.

TAILEM BEND CHRISTMAS PARADE

It is nearly time again for the Tailem Bend Christmas Parade. This is a fantastic event and really well supported by the Community. This year it will be held on Saturday, December 16, starting at 6pm. We have some exciting new entries this year and it is not too late to enter your Float, so please think about it, the more the merrier.

After the Parade we have a great line-up of musical entertainment, including Lee Brocky and the Outback Overdrive, plus Carollers and some fantastic local entertainment, with the show being hosted by our very own Darren Gurney, so come along and enjoy the night. For the kids, we have Face Painting, the amazing Wonderland - where the kids can have their photo taken with Santa, and some absolutely fantastic jumping castles and a Velcro Sticky Wall.

Again, a huge thank you to our Sponsors, without you this night would not be possible.

The Changing Face of Tailem Bend #71

Bob Hutson is born and bred Tailem Bend and during talks with him, I soon found out that he has a very good memory of how our town was, while he was growing up. He was born in 1942 in the building that was our Hospital not far from the oval (I have a few years on him, but a lot comes out of memories shared). He attended the local Primary School and left in 1956 after a year at Murray Bridge High School, of course, travelling there and back on board the famous Worky/School Train.

Little did he know that one day he would be driving a steam engine.

He did make one comment that made me sit up and take notice. While he was at primary school he was a bit naughty and was told if he didn't behave he would be sent to St Joseph's Catholic School, now I am not sure if that was for punishment or a better education!!! Sorry Travis, it was probably the latter.

Bob did all the things kids did during their budding years at Tailem, he remembers going on the Bakery Round with local Baker, Jack Beck. Delivering by horse and cart made it all the more exciting.

Then there was the river, the 'Pictures', playing in the streets and so on.

His first move into the work force was at the GPO, as a Junior Postal Officer, delivering telegrams etc.

His father decided railways was a better option, so in 1959 he encouraged Bob to travel by train to Adelaide, find Room

108 at the Railway Station and sit for a medical examination. Having passed the medical, he began his railway career in 1959. He went into the locomotive section as a Cleaner, then Fireman, before progressing to Engineman, in the steam days. He did some relieving work at Pt Lincoln during the busy grain season - the arrangement was for three weeks, but turned out to be almost three years.

Bob retired from the railways in 1994 as a qualified Engineman, but because of a shortage of Firemen, he spent more time in that role on full Engineman's wages. In the main, he was on the engine with drivers Doug Goddard, four years and Ray Bolt, 14 years. When the opportunity arose, he delighted in giving kids a ride on the engine, either his or other lucky ones. Highly irregular, but fortunately no inspectors in sight (something those kids would remember the rest of their lives-ED).

Overnight stays in the barracks in different locations were interesting, but he said "what happened in the barracks, stayed in the barracks". So I left it at that, good idea, especially with so many railway men still around. He was involved in the odd derailment, a big fright he got was when his train was going from Paringa to Renmark, a vehicle loaded with almond pickers crashed into the side of his engine, the occupants were new migrants so there was quite a bit of confusion, but luckily, no-one was injured. The driver of the vehicle was taken to Renmark aboard the engine, courtesy of Bob and his driver Ray Bolt. He also teamed up with Ray Bolt on the engine, for the historical society.

Another very horrible incident occurred while he was at Pt Lincoln, it so happened, while shunting on the Wharf. The story goes that a man carrying a carton of beer bent over to tie up his shoe laces and was run over by the engine. The engine had to be jacked up to get him out, unfortunately the man died at the scene.

The Changing Face of Tailem Bend #71

Bob's father, Stan, was a WW2 Veteran, who served on the Kokoda Trail. After the war, he was living at Hartley, where he met his wife, Coral. They moved to Tailem Bend where Stan was a Foreman, while the railway prefabs (as they were known) were being built around 1951. There were 70 prefabs erected - one burnt down long after they were erected. It was a massive project taken on by the Railways - providing homes for locals and the big intake of immigrants. Bob remembers there was strapping from the crates left out in a paddock, hard to find now. The Hutson family occupied the first one built, No 1 Tiller Street. It is ironical that when Bob and Leonie married, their first home was No 20 Tiller Street.

Stan had a team of about 10 men working on the houses, the housing sections came to Tailem in strapped bundles from England, but Bob tells me 'Norway' was stamped on the timbers used for the ceiling rafters. So we can only guess the timber was dressed in Norway, packaged in England and shipped to Australia, eventually finding its way to Tailem Bend.

The Hutson family moved house five times without leaving Tailem Bend, Bob remembers heavy rain flooding the town near the Bakery in the main street, along granite road near the prefabs and was very bad opposite the old hospital, in a hollow called 'The Gully'.

When Bob retired the only memorabilia he had of the Railways, was his memories and his tucker box -the tucker box didn't get any attention over the years, either. When he opened it up to have his picture taken with it, he found it still contained an orange and a sandwich!!

Bob provided me with many photographs, I couldn't include them all, but will, another time.

Thank You to all who have assisted with contributions to my articles throughout the year.

Enjoy all the Blessings of Christmas .

See you in the New Year, with plenty more stories of our Town.

The prestigious South Australian Community Awards finalists were presented, and the winners were announced at an Awards Gala Presentation Dinner at the Hilton Adelaide on Friday, November 17.

The South Australian Community Achievement Awards aim to encourage, acknowledge and reward the valuable contributions of South Australian individuals, businesses and community groups making a difference in the local and wider communities.

The TBFC was the Winner of the 2017 Jones Harley Toole, Community Road Safety Award at a function, held at the Hilton Hotel.

In accepting the award, Terry Connolly, said that the "TBFC understands that, whilst we are in the business of winning games of football and ultimately premierships, we also clearly understand that the success of the club will not only be judged by the quality of the football the club rolls out, but also how well the club is managed off field!"

Our Road Safety Awareness program is about encouraging our members to think about the impact of road accidents, not only to themselves, but their loved ones and the wider community. Our aim is to ensure the message is an ongoing one and education is a big part of that!"

ABOVE: Brenton James (Managing Director (Jones Harley Toole) presenting the Jones Harley Toole Road Safety Award to Terry Connolly, President, TBFC.

"We must get to the point where we do not accept accidents on our roads as a natural consequence of being a motorised community".

Mr Connolly, also acknowledged the Imperial Football Clubs' ongoing support with the Road Safety program.

Following AGM, the TBFC is pleased to announce our Committee for 2018:

- Patron Bill Jaensch
- President Tony Hughes
- V/President James Thomas
- Secretary Meagan Abbott
- Treasurer Nadina Thomas
- Committee Members
 - Geoff Maidment
 - Kimberley Zadow

TAILEM BEND BOWLING CLUB REORT

At the time of writing, the Div 1 Men and the Ladies, have both recorded strong wins, while Div 2 & Div 3 are still struggling, but doing their best.

I would like to ask any relatives of players who participated in and won the 1965 - 1966 premiership, to assist the Club with any information or a photo of this team. This is the only Premiership Team we do not have a photo of, or any record of who played in it. Please, if you can assist, contact Trevor Koop, 8572 3558.

The Ambulance Association are holding an evening at the Club December 13, 2017 with dinner, followed by a game of bowls under lights. If any Club or organisation are interested the Club and Greens are available for hire. Further information from Peter Connolly, 0423 312 916. There's nothing better than Bowls under lights on a Summer's night.

It was with regret we heard of the passing of Jack Pitcher. He was the heart and soul of the LMBA over many years. From all at the TBBC, our sincere condolences to Gaynor and the family.

Lions Club Report

The month of November has been a pretty busy month for the Taillem Bend Lion Club.

After two years of planning the Uneek Animal display, situated in the Railway Station car park in Taillem Bend, was finally opened

on November 10, 2017, by Member for Hammond, Adrian Pederick. This was one of our joint projects with members of the public, as well as the Coorong District Council. Several volunteers from the community have spent many hours organising this project and it was excellent to see it finally completed.

November 13, saw the Taillem Bend Lions Club members rise and shine at 5am to organise breakfast for the Novita Mighty River Run gang, located at one of their check points at Westbrook Park (**ABOVE RIGHT**). They cooked bacon, eggs and sausages for over 120 people as well as made cups of coffee and tea for them, with assistance from the Murray Bridge Lions. A big thanks to Margaret & Bill Jaensch, for the loan of the camp kitchen at Westbrook Park, it was much appreciated.

Once again, this year, will we be having a Lions Cake Sleigh Run, with help from the Noarlunga Morphett Vale Club. We will be starting 11.00am and taking the sleigh around to the houses in Taillem Bend selling our popular Lions cakes - \$17 for large cakes (1.5kg) and \$13 for small cakes (1kg) or Puddings for \$13, with help from Santa on the day. For the children who don't live in the town or perhaps on a street that we are not going down, Santa will be appearing at the Willow Street Lawn area from 12:30pm – 1pm, so come on down and see him and tell him your Christmas Wish.

If you'd like a Lions Cake or Pudding before the event or after the event, please contact Margaret Eckermann on 8572 3850 to purchase one, or see any Lions Member.

We will be holding our Lions Christmas Raffle again this year, 1st prize is a big Wheel Barrow full of goodies, 2nd prize is a Westbrook Accommodation Voucher and 3rd Prize is a family pack. Tickets are \$2 each and can be purchased from any Lion's member. We will be selling tickets down the main street in front of Foodland on certain days leading up to the Taillem Bend Christmas Parade, which is on December 16. The raffle will be drawn that night, so don't forget to buy

some tickets and also purchase a Lions Cake or Pudding and save baking this Christmas.

For the recycling of reading glasses or hearing aids, please drop at Kerry Simcock's office, Willow Street, or contact Lion Bevan Jaensch, 8572 3382.

Honey is available from Lions Reuben Gurney 8572 4730, Marion Martin 8572 4785, Margaret Eckermann 8572 3850, Raylene Thomas 8572 3367 and Dwayne Thomas 8572 3367.

YESTERDAY'S STREET

Horse and cart
Dray and bike
It's a sight

Of yesterday's street
Where folk strolled
To shop and meet
Butcher Baker
Grocer too

The council built
A new loo
We're going ahead
Said they
No vision for things
To stay

Ahead they marched
For modern was in
And old was out
But now it's back
Out dated seems

The way to go
A Butcher a Baker
Grocer too
All the go it seems
A boot maker
Not last
A boarding
House stood

For employment
Was full
When the rail ran
Beside yesterday's street.

Farewell to the Craggs Family

The Craggs family (pictured below) had been hunting for a motel business for a while, before finding the right one for their large family in Taillem Bend. Stacey and David Craggs were drawn to the large residence attached to the motel, as it was roomy enough to accommodate their four children. They moved here from Modbury North, in January 2012 and have run their motel business successfully, ever since.

Stacey Craggs says Taillem Bend has brought them plenty of business and says the community here had embraced them and made them feel welcome. They found this attitude to be different to other small towns, which they found to be more resistant in welcoming newcomers. Daughter Emily says "there is always something to do in Taillem". Both Emily and her sister Estelle, enjoyed their involvement in community projects such as Music Hall, The Christmas Parade Cabaret and Christmas Carols. They also entertained many, singing at various Coorong District Council Community events. The Craggs children are also familiar faces in Foodland, working as very friendly cashiers at the checkout.

The Craggs family will be moving to Murray Bridge at the beginning of December to be closer to higher education facilities for their children's education. They will be greatly missed and I wish them all the best in their future endeavours.

Medical Centre Update - Remembrance Day

WHAT IS GOING ON AT SA HEALTH?

QUESTIONS TO SA HEALTH:

The last statement from your department said that the sale of the Tailem Bend Medical Centre was being negotiated with a party and we would be informed shortly of the new owners.

We understand that the property isn't going to be sold, but is there any progress with your negotiations with the new Doctors who will be taking over the medical practice?

Residents want to start building a relationship with their Doctor and not having regular Doctors in Tailem Bend, is driving some residents to other clinics, outside of the town.

Some residents have approached us, concerned that if the Tailem Bend Medical Practice isn't sold soon, there may be even less locals attending the facility, therefore leading to the likelihood of closure in the future.

REPLY from Emma Walter, Media Adviser, SA Health:

"I am unable to give you any update, so the statement we issued to you on 2 August, still stands. As soon as we are in a position to make a public announcement, we will get in contact with you."

Statement to be attributed to Acting Regional Director Riverland Mallee Coorong, Tanya Lehmann:

"As we've said previously, the HAC-owned Tailem Bend Medical Practice building will not be sold. Country Health SA is in the final stages of negotiations with a prospective future operator of the medical practice. We look forward to making an announcement about the new operators of the Tailem Bend Medical Practice in the near future."

Probuss Report

NOVEMBER 2017

President, Neville Medlow welcomed 20 members to the meeting November 20, 2017, with six apologies.

Treasurer Gordon presented the Financial Statement for October

2017 which was accepted by members.

The President also reported on the Strathalbyn Club's 'Friendship Day' - hosted annually by all Probuss Clubs in our district. The meeting was held in the \$5 million renovated/newly built Football and RSL clubrooms, of which the town can be justifiably proud. Several speakers gave an interesting in-depth summary of how this ambitious project was achieved.

Mobilong Ladies Probuss Club, which has an impressive 120 members, was selected to host the 2018 Friendship Day.

At the meeting, our Club reconfirmed its decision to make a monetary donation to the Tailm Bend Primary School which, at its end-of-year Town Hall event, awards students for a variety of academic and other achievements, usually presenting books to the successful students.

Guest Speaker

A very interesting Guest Speaker, in the form of Bruno Lablack, enlightened and entertained us with his articulate and well-planned presentation.

Bruno was born in Springton and initially was involved in farming, but later began an engineering business which could fix almost everything! A dedicated South Australian, he held positions with many voluntary organisations and was Deputy Chairman of the Tatiara District Council.

His address consisted of an informative oral and slideshow presentation about Australia's cotton industry, something of which most of us are ignorant. It demonstrated what a valu-

able contributor the cotton industry is to Australia's economy. The cotton industry employs more than 10,000 people in Australia and produces enough cotton annually to clothe 500 million people. It produces cotton worth approximately \$13 billion.

Everyone has a story to tell! Probuss would welcome you to volunteer as our Guest Speaker. Please contact Peter Connolly, our amiable Guest Speaker Organiser, on 8572 3241.

Probuss Tailm Bend is an organisation dedicated in fostering friendship and goodwill within our community. Why not join us?

APOLOGY - Tailm Topics wishes to apologise to our Advertisers and Readers for presenting November's edition in black and white only. Due to a fault with the printer, the entire edition was producing in colour, so to save a 'blow-out' in production costs, a decision was made to print the complete magazine in black and white.

I know I speak on behalf of many of you, when I say "don't we love the colour!" It is sometimes hard to imagine that once, Topics was always black and white!

Thank you, ED.

MARTINDALE HALL – CLARE VALLEY

I had never heard of this place before, then my friend offered me the chance to visit there.

I was so impressed, lots of stairs, older type furnished rooms, narrow windows with unusual shutters, double curtains, very high ceilings, some carved and painted and others wallpapered – the chandeliers, carpets, patterned wooden floors, the whole décor, so unique.

If you're looking for somewhere different and educational, I recommend you go there, for sure!

A huge THANKYOU to the patient young man (our driver) and your precious Mum, for treating me to a most delightful day out - another good venture to record in my book of memories.

FOOTNOTE: If you're looking for somewhere quiet and relaxed to eat, the Skillogalee Restaurant is not far away in Mintaro.

Property Matters

THE SMARTEST THING TO DO NOW!

At some stage or another, we have all had it**BILL SHOCK**. Why? Because most of us are unaware.

I'm talking about thermal heating in our homes. How **DO** our houses become as hot as an oven? Well, it has a lot to do with trapped air. Being a Roofer over the years has shown me that roof spaces accumulate enough thermal heat to penetrate through the ceiling, forcing us to turn up the air conditioner.

The average roof is exposed to 34 plus degrees in summer, continually beating down. This eventually heats the roof space (The area between our ceilings and roof - either iron or tiles) into staggering temperatures, that are not unlike an oven. If there is no form of adequate ventilation, then this **thermal heat will cost you dearly!**

Solution is simple..... Install or have a **LICENSED TRADESMAN** install a ventilator or two in your roof.

This will slash your cooling costs.

Stay cool this summer and enjoy Christmas.

Christmas is a wonderful time of year full of festive cheer.

It is a time when we celebrate the birth of Jesus Christ and his message of peace and goodwill.

Whilst we celebrate with gifts under the Christmas Tree, the most special Christmas gift of all is the gift of sharing that celebration with loved ones.

Please be sure to take the opportunity to spend quality time with your loved ones, family and friends, particularly if they live on their own, are older or are going through a rough patch in their lives.

It is often around Christmas time that we get the opportunity to take a break and in turn reflect on the year that has passed. This year has again been a busy one, however I am always grateful to the residents of Barker who have given me some of their time this year to provide feedback on what is important to them.

Representing our community is a great honour and a role I greatly appreciate and one I do not take for granted.

I trust everyone will enjoy themselves this festive season but I encourage everyone to do so responsibly and to take care on our roads.

Please also spare a thought for the Australian Defence Force personnel deployed overseas ensuring our nation remains safe and secure this Christmas.

My family joins with me in wishing everyone a very Merry Christmas and a safe and prosperous New Year.

ALLY'S CANINE COLUMN

Hello everyone, it is me Ally and my trusty side-kick again this month and with xmas arriving here really quickly now I thought I would talk about the folks who stay at home over the xmas periods and just enjoy the family atmosphere, get off those medications (oops PA says "tablets" doesn't necessarily mean someone is sick yet another word for your modern archaeology....no that's wrong I bet it should be Technology!)

Some people consider this a good time to adopt a new four legged member to the family as you all can spend time bonding and learning about each other before the chaos of a new year begins (PA why isn't chaos spelt kaos? Another thing I will never understand about our two legged mates.... why is two spelt that way, oh dear the list goes on doesn't it!!)

I (we) will talk about How To Choose A Rescue Dog (or cat) – Do your Research, this means going to a shelter can be very confronting, an upsetting to the whole family with all those big, pleading looking up at you as you pass their pens you may think you have bitten off more than you can chew (pardon the pun).

Discuss what type of dog/cat you want, you will need to consider the size of your yard, does it suit a big or small dog, how secure IS your yard currently, do improvements need to be carried out before you even get a dog!, Do you want quiet, guard instincts, energetic (for walks in the park with the whole family), quite happy to sit on the lounge with everyone, age of the occupants of the house, do you already have a dog-what's its temperament-will it accept an older or younger dog?, Amount of time allowed per day for the new family member-how busy is the family with work and other activities, will the dog be involved?, Do you take regular holidays perhaps in a caravan so a smaller dog would be more suitable for example (research into dog friendly parks that's another article).

So you have all sat down and discussed these issues and are still keen to get a pet, good on you take your list of requirements with you to the shelter for the staff to look at as they usually do behavioural assessments on each individual animal taking into account their age (of the animal not the staff member!), any previous history available if they were handed in, and provided to them, temperament, just to name a few. ALL members of the family should meet the animal at the same time in the shelter so there aren't any personality clashes later on and the animal your deciding on should show signs of being relaxed around you and your children, happy to approach all of you and not tense up or attempt to get away. This should also include a meeting of any existing pet you have, but ensure the shelter staff are away of this prior to your visit.

It IS okay to leave the shelter without actually taking an animal and sometimes this is encouraged by the staff so the family can get together and re-discuss any issues they may not have considered. Visiting a shelter can be an emotional experience, be prepared for a few tears but you are choosing a new family member 'for life' not just because of your empathy for them, you want to bring them out of the shelter NOT have to return them later.

On making your decision and bring your animal home find out as much as you can, such as: have they been vaccinated, desexed, wormed, vet checked, any current medical conditions to be considered etc, along with what types of food they have been eating, their apparent likes/dislikes. If you are going to change their diet do so over a 10 day period so as not to cause any stomach troubles.

Once your new friend is home make sure it has a room or space to go to for a while to help it settle in. By having its own "space" can give it somewhere to retreat if it feels overwhelmed or anxious initially. Thankfully most adopted pets settle in reasonably quickly with their new family, and remember to keep the shelter staff informed of the progress as they love success stories and may learn valuable information for future reference for other (unfortunately too many) animals that need our help.

Anyway that is me done for another month, we hope you all have a great xmas and new year, make sure all members of the family stay safe, thank you for listening (nup I'm guessing that should be reading) my articles. My PA and I will catch up in 2018, remember if there is anything in particular you want me to write about contact Michael on the email thingamajig number he writes below. Catchya, Ally xx

Did you miss out on the recent micro chipping day?

Good news, for a limited time the Meningie Vet in conjunction with the Coorong District Council, will be offering \$10 micro chipping for all cats and dogs from 1 July 2018. New legislation will commence and it will be compulsory for all dogs and cats to be micro chipped. So, be like our Coorong Canine of the year winner Chase, and contact the Meningie Vet on 8575 1211 to arrange an appointment.

AMANDA WILLIAMS (LEFT) - Writer

Introducing Amanda Williams - our latest home grown Taillem Topic's Reporter.

With her father's family moving to Taillem Bend in 1967, Amanda grew up knowing everyone in town and has many fond memories of life in this friendly railway town.

As an avid reader, Amanda spontaneously began to write from an early age. With a growing passion for literature, Amanda decided on Creative Writing as her sub major, while studying at UniSA.

"I took great pleasure in indulging myself in reading and writing about all genres and topics while studying - now when it comes to reading, almost anything takes my fancy," Amanda said. "It's great being home and so close to the river again - Taillem is such a relaxed place to live."

Amanda has kindly offered to mentor another up and coming local writer, Ophelia Neumann of Yumali and is teaming up with Taillem Topic's youngest photographer, Monique Paterson, in bringing even more local news content to Taillem Topics.

Letter to The Editor;

To all Ratepayers,

I read in last Tuesday's Standard that our State MP, Adrian Pederick, fronted up to Coorong Council about the state of the roads in our Council Area.

Correct me if I'm wrong, but shouldn't our State MP be fronting up to his State Parliament demanding funds to fix our roads? And then there is his Federal Liberal member who could demand funds too..

If Mr Pederick's "grandstanding" in front of Coorong Council does not result in State or Federal funds to fix Coorong Council's roads, guess who is going to pay?

Changes at Taberefta - Home for the Aged

After 33 years of fundraising and public volunteering TABEREFTA (Tailem Bend Rest Homes for the Aged) is changing and needs community support, as it transitions into becoming compliant with current legislative requirements.

Also known as the Tailem Bend Homes For Aged Inc. the Board members and residents alike, are attempting to come together as dramatic changes are required to meet the ever changing landscape of Aged Care in our country.

The first change is that Volunteers who have been a large part of TABEREFTA and formed the back bone of the Village throughout its existence, have recently had to stop work within the Village following a formal complaint from the Residents Committee complaining about utilising the skills of volunteers instead of accredited trades people. So TABEREFTA is no longer able to use volunteers to help with small maintenance tasks and now must hire a Maintenance Person to undertake these small tasks.

The Board of eight volunteers, Chaired by local Member of Parliament, Adrian Pederick, are busily attempting to move the Village's governance into line with the 3 different Acts that govern the Retirement Village

Tailem Bend Homes for Aged was established in the early 1980's, through many years of fund raising, with the site for the village being developed on donated land, to create a suitable retirement village for residents within the Coorong District Council area.

To establish and operate a retirement village, operators are held accountable to, and must be compliant with, the Retirement Villages ACT of 1987 and the Retirement Village Regulations 2006.

As TABEREFTA's core business is that of a retirement village, it is essential and crucial that the Board fulfil all the requirements, protocols and operating procedures as per the relevant acts. However, not only is TABEREFTA governed by the Retirement Villages Act and Regulations but it is also governed by the Associations Act and the Residential Tenancies Act.

Unfortunately, and unknowingly to the residents running TABEREFTA over the past thirty odd years, the retirement village has never been legally compliant with the governing acts;

- by not offering all necessary documents and information with regard to Retirement Village legislation,
- by offering Lifetime Occupancy Contracts to people who rent within the Village which is forbidden by law,
- by not holding two AGMs per year, one for the Association and one for the Retirement Village Residents.

With limited hours, the interests of residents at heart and the help of The Office of the Ageing (OFTA - who are the regulators of the Retirement Village Act and are the governing body regulating the legislation surrounding retirement villages) TABEREFTA's Board of volunteers are urgently trying to work closely with all concerned, towards rectifying these issues and ensuring compliance is met.

OFTA have offered the Board and the Village Administrator education and support and are working together to help make TABEREFTA become compliant.

A recent letter from OFTA to the Residents Residents of TABEREFTA describes the changes required and why these changes must happen - it also states that the Residents AGM is a closed meeting for residents only and is not open to the public or to renters, as it has been in the past and that the Act does not allow proxies.

This is the first year that a Residents AGM has been held at TABEREFTA as well as an Association AGM, which is a new process for the Village, but should historically, have always been the case.

With so many important issues for the Board to consider, the village agreed to appoint a part-time administrator to begin to put procedures and action plans in place.

With that, Trish Berger of Mount Pleasant has been offered the one day a week position of Village Administrator.

Changes at Taberefta - Home for the Aged

ABOVE L-R: Two of the many happy and contented long term residents, Fay Oliver and Rhonda Mik, quietly sitting at the back of their TABEREFTA homes enjoying the warmth of the afternoon sun. TABEREFTA's oldest resident, Fay Oliver was born in 1924 and moved to TABEREFTA in 2001 - her neighbour and close friend Rhonda Mik moved to TABEREFTA in 1996 after being actively involved in the Taillem Bend community and owning the Taillem Bend Bakery for almost 30 years.

-o0o-

Cont from page 30

An experienced Executive Director of an Asia-Pacific and National Non-Profit Organisation, Trish comes with a great deal of experience as a hands on Program Director for the Centre for Intergenerational Health, a major Non Profit Entity, where she managed the day to day operations, all financials/bookkeeping requirements and managed auditing requirements while developing stream lined operating processes to instigate new and improved strategies to build and grow organisations.

As you would expect, with so much change in the wind, Trish has been inundated with issues, however given her limited time, matters are being prioritised, as Trish reports to the Board on meeting the requirements of the Acts affecting TABEREFTA.

-o0o-

How can we, the community help? Well, we can avoid gossip and innuendo and we can demonstrate empathy towards Trish and her task at hand.

For more details about the Village or becoming a Resident please feel free to contact Trish Berger,

Village Administrator, Taillem Bend Homes for Aged, 8-12 Pontt St (PO Box 389) Taillem Bend SA 5260, or phone her on 0409 785 515. (Keeping in mind the mammoth job she has ahead of her and the limited time she has available)

To be continued in February's edition of Taillem Topics, 2018 - the following will be published: a Letter to the Editor from a Taberefta Resident, an article entitled 'Kept In The Dark' from SA Best's Candidate for Hammond, Kelly Gladigau, a Letter to the Editor, form Taberefta Chairman of the Board, MP Adrian Pederick and a detailed letter from the Office For The Aging (OFTA - SA Health) to all the residents at Taberefta.

Coorong Tourism Industry in Focus

Tourism operators across the Coorong region will be supported to raise the bar ahead of a mass influx of visitors when The Bend Motorsport Park opens, thanks to a shift in focus by the Coorong District Council.

In another move to invest in the future of the Coorong, the council today agreed to fund a council-led tourism development program working closely with business operators in the tourism industry with the inclusion of an 'Coorong Champions' Program for those who are invested into making a difference to the region and the way it's promoted.

Coorong District Council Tourism Development Officer Anna Del Rio said council had spent several years installing way-finding and landmark signage across the region, and its annual \$30,000 tourism signage would now be used to focus on building the capacity of small business owners to create an outstanding visitor experience. A significant portion of the budget – an estimated \$12,000 - will be retained for tourism infrastructure, including place-making projects.

"These projects have been vital for Council to establish 'the basics' of tourism, more particularly directing travellers to town centres and attractions, and telling the story of our special places," Ms Del Rio said.

"Whilst signage remains important to deliver and will continue, we now want to focus on skills development for our industry and provide opportunities for business growth and entrepreneurship, given the advance of The Bend Motorsport Park.

"Some of the areas the program will cover are service excellence, digital marketing and latté art. This is a boost for our existing and future tourism operators".

"REVOLVE24 AUSTRALIA" - Endurance Cycling Relay

Shane Goldberg of Gold Coast (**PICTURED BELOW**) will be entering "Revolve24 Australia" at The Bend Motorsport Park, Tailem Bend, January 13, 2018. Shane has been raising money for The Leukemia Foundation, leading up to this event. Though there will be teams riding in this event, Shane has been training and preparing to do it solo.

Stuart O'Grady, Race Director of Revolve24 Australia, says "it's going to be a cracker." You can experience it too, 24 Hour Solo Cycling Race. Revolve24 Australia, associated with the Tour Down Under (Check internet for details)

Shane is husband to Amanda Goldberg, nee Searle. Amanda was born in Tailem Bend and attended Kindy and the Primary School here. Her parents are John Searle and Julie Sennett, nee Freeman. Amanda is granddaughter to Audrey Searle, who still resides in Tailem Bend, along with other relatives. Shane and Amanda are parents to three girls and a boy.

We can't wait to see Shane at The Bend in January! Good luck Shane. Come and help support him in this event.

The 2018 Virgin Australia Supercars Championship will be making its way to The Bend Motorsport Park on the 24-26 August, 2018.

It will be a Supersprint event taking place on The Bend Motorsport Park's 4.95km International Circuit.

The Bend Motorsport Park is one of the most significant developments in Australian motorsport history. A state-of-the-art, world-class motorsport facility. The Bend will deliver an exhilarating experience for competitors, enthusiasts and spectators alike.

Conveniently located one hour from Adelaide and only half a day's drive from either Melbourne or Sydney, The Bend Motorsport Park is an ideal location for the Virgin Australia Supercars Championship.

The Bend's International Circuit is 4.95km long. Its 18 turns are designed to encourage thrilling racing with corners offering passing opportunities and innovative racing lines.

Be part of the legend, don't miss out on The Bend Motorsport Park's inaugural Supercars event!

How will it work?

The ticket ballot is live here: <https://www.outix.co/tickets/event/supercars-thebend>

Purchasing a ticket during the ballot, you are securing a position within the particular grandstand you have chosen (subject to availability). At Midday on Monday, December 4, we will be closing the Ticket Ballot and shortly after we will notify all purchasers of seating arrangements.

Seating allocations will be made on a first-in-best-dressed basis however existing members will be prioritised over non-members. You will be given the opportunity to enter your member number (the number on your keyring) during checkout.

Thought for the Month

When we think of Christmas, many of us think about giving and receiving presents. So many people get so caught up in this, that it is easy to forget what Christmas is all about. Often we hear it's the thought, not the money spent, that makes the gift more special to the person who receives the present. A really good way to look at this is that Christmas is a time of showing care, appreciation, love and unselfishness. You give because you care, your time, money, energy, are spent, because of love for others.

Isaiah 9:6, For unto us a child is born, to us a Son is given. God cared about us so much that He sent His Son.
Matthew 1:21 She will give birth to a son, and you are to give Him the name Jesus, because He will save His people from their sins.

John 3:16 For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.

The reason Christmas is a time of giving is because the wise men from the east brought their gifts to Jesus. Those wise men came looking for the baby Jesus and found Him in Bethlehem, and gave Him their gifts.

The wisest thing we can do this Christmas is to seek and find Jesus as well.

Remember, Jesus is the Reason for the Season.

GRISHAM John - The Rooster Bar

#1 New York Times bestselling author John Grisham's newest legal thriller takes you inside a law firm that's on shaky ground.

Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in The Great Law School Scam.

But maybe there's a way out. Maybe there's a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no . . .

DOBBIE Kaye – Willow Tree Bend

An interrupted phone call and a mysterious disappearance brings a family's secret past crashing into the present...

It's 1969 and small-town girl Faith Taylor longs for the excitement of the city. Leaving her family home in Willow Tree Bend, Faith lands a job at The Angel — Melbourne's most infamous nightclub. While Faith relishes her new-found freedom, she can't help but notice that there are some things about the club that don't add up. So when a policeman shows her a shocking photograph, and reveals that a former waitress was murdered, Faith realises she must help to bring down the shadowy owner behind the club's activities.

More than thirty years later, what happened at The Angel remains a closely held secret, never spoken about. When Faith disappears, her sister Hope — now a famous movie star — is left with an intriguing, though frustrating, piece of the puzzle. But with a tell-all documentary film crew constantly by her side, how can she find where Faith is — and what she's hiding — while making sure her own secrets stay hidden?

Faith's daughter, Sam, is also concerned by her mother's uncharacteristic behaviour. When she overhears a clue to Faith's past, she's determined to unearth the truth. What is the connection between The Angel and Willow Tree Bend? What does Faith's disappearance mean? And what will happen when the final secret is revealed?

The End of an Era

JAGER'S BP TRANSFORMS INTO 'ON THE RUN'

Residents and seasoned travellers alike were surprised, late last month, to find that their much-loved 'Jagers BP' was temporarily closed for fuel, refreshments and meals. The reason? South Australia's largest privately owned employer closed the premises for provisional refurbishment.

Although known to many for some years that Peregrine Corporation's 'On The Run' had purchased the well known and respected service station, it still came as a surprise to many how quickly things changed.

With rumours and comment rife within the district, some have heard that OTR is considering closing the station or even installing a colossal deck area to the rear of Jager's Restaurant for customers to enjoy 180 degree views of the mighty River Murray.

With this in mind we asked Peregrine Corporation the following;

- Has OTR retained the well trained and friendly staff at Jagers BP?
- What future plans does OTR have for the site?

A spokesperson for OTR said:

- "OTR offered employment to every single employee at Jagers BP Taillem Bend".
- "We would like to upgrade the store sometime next year and we are presently working through our plans, including offerings, for the site".
