The Changing Face of Tailem Bend #89

This month we look at Ian in a different light - caring with friends for the environment, I'm sure you will enjoy it.

Ian Millard – Tailem Bend Revegetation Group

After my bowls career, I had time to pursue my other passion, native trees and understory plants.

My interest in trees began in 1988, when, after hearing about Trees for Life on the radio, I became a volunteer grower for local landholders. I was working for Meningie District Council as the Parks, Gardens and Maintenance bloke in Tailem Bend. Putting out sprinklers and hoses in a wheelbarrow and using a walk behind mower! The good old, bad old days.

Dr Phil Gooden and the Tailem Bend Beautification Committee were planting street trees around the town at the time and what a fantastic job they did! I had taken an interest in what species of trees were being used and started to learn about them. When the Beautification Committee ceased operation, I took over street tree selection, propagation and planting as part of my job with Council. We continued the work and many hundreds more trees were planted, until 1997.

In the early 1990's Council was approached by Woods and Forests to provide a test site for direct tree seeding, they wanted a site with shallow soil over stone, well..... they came to the right place! The drainage areas bordered by Jacob St and George St, and Princes Highway - adjacent to the silos, were seeded. Much to everyone's surprise, it was very successful.

In 1997, I became aware of the NHT (National Heritage Trust) grant program for revegetation and vegetation protection projects. Based upon the success of the Woods and Forest trials, it was evident that large scale revegetation was viable in our area.

Through the auspices of the Tailem Bend Development Association, a committee of Council, a successful submission was made under the banner of "Tailem Bend Revegetation Group". Much thanks goes to Evonne Whibley (Chairperson TBDA) and Graham Gates (Coorong LAP) for help with the submission. We received \$50,000 for revegetation works

on Public land around Tailem Bend over three years.

Council agreed to make available the large open areas of unused public land and some roadsides, around Tailem Bend, for revegetation.

The project involved seed collection from a range of local native plants - we expanded on the limited number of species used in the Woods and Forrest trials. Many thanks go to Steve Lawrence, the Council Overseer at the time; he was very supportive of the project.

IMAGES BELOW, shows locals and school children helping to gather seeds from roadside vegetation, for propagating.

Council provided machinery as part of their "in kind" contribution and as an appropriately licensed employee, I was the operator, all after hours and weekends of course. Greening Australia's legendary Neville Bonney, provided instruction and lent us a seeding machine for the first year.

Matt Rose approached us early in the first year and became involved, he was just out of High School, but was a wonderfully capable young man, Matt became central to the project to its end.

In the first year we direct seeded; south of Tailem Bend Golf Club adjacent to Princes Highway, then to the Dukes Highway Overpass, both sides of the Princes Highway; from

Meningie turn off to Hector Road – on the River side, Lime Kiln Road- both sides, Kulde Road to Gardner Road - both sides.

The project also involved a Community tree planting day. We planted Golf Course Road from the edge of town to Magpie Drive - both sides of the road. There was a lot of preparation done for planting, a rock breaker was used and the material cleaned up and fresh soil put into the holes. There was a good response to the event, around thirty people came. The Tailem Bend CFS was on hand to water the trees in.

We did tree planting projects with the Tailem Bend Primary School, starting in the first year on the vacant Railway land opposite the School. The planting projects with the School, continued over a number years, beyond the life of the project and moved to Pangarinda with Matt Rose and Teacher Marie Flavel, working together.

-o-0-o-

BELOW RIGHT: Direct seeding works continued in the next two years and the following sites were seeded, Princes Highway from Tailem Bend to the Council boundary at Monteith - both sides. Dukes Highway; south east of the overpass, to what is now OTR Roadhouse - both sides and Murrayview Estate, on the south-east side of Hector Road.

-o-0-o

BELOW: Ian, pictured in front of one of the 'Community Direct Seeding' signs.

Other community tree plantings were done on Racecourse Road - east side and along the rail line boundary in the Racecourse, Princes Highway - on the west side, past Old Tailem Town and at the Tailem Bend Cemetery.

In all, there were over 300 linear kilometres of direct seeding done and around 1000 trees planted, many hundreds of hours of volunteer labour given for seed collection, seed cleaning and sorting, propagation, preparation for planting and watering.

20 years ago, travelling to Tailem Bend from the SE and cresting the Overpass on Dukes Highway in summer, one was greeted with a shimmering, weedy barren plain of limestone. Thanks to this project, it is quite different now. The other approaches and entrances to the town have similarly been transformed by the addition of trees. The reward for the hard work put in by many, is seeing mature trees and shrubs, some 5-6 m high, thriving. This vegetation has created an important habitat for birds, mammals and reptiles and will continue to provide an important ecological benefit to the area. Thanks to all who participated.

Well done Ian and friends.

Next month, we look at a mixture of history and with our Historians preparing for an exhibition in the New Year, we need all we can gather of times gone by, and there is a lot out there, waiting to be collected.

See you then, Peter Connolly.

Probus Report

JUNE 2019

Vice President Jim Tobiasen, deputising for President Joyce Medlow welcomed 18 members to the June meeting, plus intending member Raylene Ellis. There were

six apologies.

The Secretary read details of a letter from Bill Paterson of Meningie Probus, relating to the Probus Friendship Day, which is being jointly organised by the Meningie and Tailem Bend clubs for October 15, 2019. The event, held annually, will be attended by several other surrounding clubs and will be held in Rydge's Pit Lane Hotel, Motorsport Park.

For anyone interested and for a fee, members can take a "Hot Lap" in a race car around Motorsport Park. The Secretary suggested that anyone taking up this offer might be well advised to take some spare undergarments.

Sheriff, six-gun Malcolm Piggott, was in a relatively good mood and only issued one fine, but suggested that the job was perhaps sufficiently important for a Deputy Sheriff also to be appointed.

GUEST SPEAKER

Guest Speaker Organiser Peter Connolly, explained that due to a last-minute cancellation by the scheduled speaker, Probus long-time member, Ron Potts, stepped to deputise. Ron presented an amusing and interesting talk about his life, including his time working for the Railways in Tailem Bend. His career then took a turn into the banking profession, in which he worked for the rest of his employed years. He became a bank manager with the Bank of Adelaide and later moved to ANZ, including a term in Hindley Street and later in country areas, including Karoonda, Stirling and Cleve. Ron recounted a humourous incident, where he walked down Hindley Street, wearing only his dressing gown! The mind boggles!

Lucky man, Ron retired at the very early age of 56 and described his many overseas travels and said that during his retirement he has "had a ball". Is it any wonder that Ron, a popular figure around the Club, is seldom to be found without a smile on his face and a kind word for everyone.

Ron has been a Probus Tailem Bend member for 20 years. Ray Bolt, on behalf of members, thanked Ron for stepping in at short notice. He was warmly applauded by members and presented with a Certificate of Appreciation by Peter Connolly.

Ron drew the door prize and Ray Bolt was the lucky winner. The meeting closed at 12 midday.

~~~~~

The Probus Club of Australia is a national organisation dedicated to fostering friendship and goodwill within our community and you are very welcome to join us.

Everyone has a story to tell, so why not become a star by appearing as our Guest Speaker? Please contact Peter Connolly, he looks forward to your call on 0423 312 916.

## **The Nitty Gritty.....by Cr Glynis Taylor**

For the last few months the Council staff and elected members have been concentrating on the 2019 - 2020 budget. There is an urgent need to reduce the deficit (highlighted by and of great concern to our independent auditor), which currently sits at well over \$1.5m and which has been consistently rising for a number of years. The incoming council have set about reducing this as a matter of great urgency as continuing to borrow money for this deficit inflicts greater cost pressures on the district, especially when the cost of that borrowing is taken into account. The budget ultimately determines what the rates will be for the coming year and there has been robust discussion over this subject. The valuer general, indicated some months ago we should expect a significant increase in valuations across the district. While

we are not yet privy to where these increases will affect, the elected members are deeply concerned about the impact this will have on ratepayers, who are already experiencing cost pressures from static wage growth and the debilitating effects of drought.

In staffing matters, the CEO is still on leave, with David Mosel the Acting CEO, about to take the month of August off, on leave. In his absence council has appointed Graeme Maxwell as the Acting CEO.

Council has also said goodbye, after 32 years, to Director Nat Traeger, who has taken up the role of CEO with Kingston Council.

## August is Partay Time!!!

The RSL Taillem Bend, is proud as punch to be the driving force behind the Super Street Party 2019!

The street party has certainly been the headlining act on our calendar for the last six weeks. We got wind that driver signings were going to be turned down and possibly passed on to Murray Bridge again, so with our beloved RSL committee member, Glynis Taylor's ear to the ground for the betterment of the community, we took it on!

We already had a wealth of talent, knowledge and connection on our fabulous committee and then we roped in a talented Event Manager, who not only spent part of her childhood right here in Taillem, but who silently ensured the success of this year's ANZAC Day Service!

The support has been overwhelming (keep it coming!) Our key objective is to promote economic growth and increase tourism for our little town, while fostering ongoing relationships between the community and The Bend. With Foodland, Taillem Bend Primary School, Taillem Bend Bakery, Coorong Council, Murray Bridge Auto Collectors Club, The Davery Establishment and Print City among the first to throw their weight behind us, we're fueled everyday by the excitement and positive affirmations from some incredible people and businesses.

With most of the legislative requirements taken care of, a HUGE 'Thankyou' to Coorong Council staff and the TEAM councillors, for supporting and fighting for us - our focus is now on confirming all of the stalls, food and extras we've been tentatively working on for the past few weeks.

The Bend have been incredible support and continue to offer anything they can to contribute to the success of the event and ensure its longevity for years to come, including securing Supercar Drivers for autographs!

There's still time to get involved, have a stall or offer your time and skills to our team of volunteers. All enquiries to Katie Anderson at [g-k-anderson@bigpond.com](mailto:g-k-anderson@bigpond.com) or Tavia Rankin [Tailembend@rslsa.org.au](mailto:Tailembend@rslsa.org.au)

As well as all this street party talk, we did have time to dedicate two of our bar stools to two of our fallen mates - we held a small dedication to Marty Cox and Bert Wellman a special Thankyou to Councillor Qualmann, RSL Life Member Jim Tobiasen and Pastor Harry Kromwyk, for making the dedication special for the family and friends of these two greats.

It's Friday Night meals as usual at the RSL, with three choices available each Friday from 6:30-7:30, still \$15 for two courses, as well as Raffles, Lucky Door Prizes, Karaoke and much more.

It's **your** RSL and we look forward to welcoming you.

Tavia Rankin - Secretary

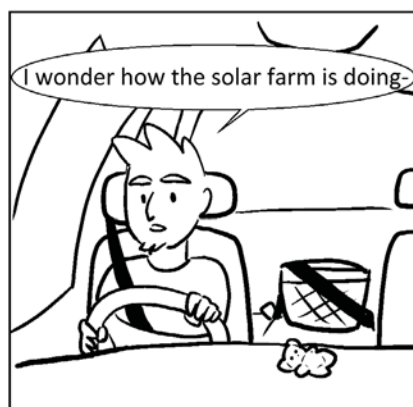

## River Murray Study Hub - Courtney Blacker, Director COMMSHAKE

Riverland can now complete their university studies closer to home, thanks to the digital launch of the Murray River Study Hub (MRSH). This initiative is being delivered with the support of key partner agencies, including Regional Development Australia Murraylands and Riverland, the Rural City of Murray Bridge and TAFE SA. It's been made possible thanks to funding from the Australian Government's \$7.5 million Regional Study Hubs initiative being rolled out nationally.

The MRSH website has just gone live, meaning people can now apply to study any of the online university courses,

knowing they will have the support of two regional campus sites, soon to open in both the Murraylands and Riverland. An official launch date has been set for the Murraylands site for 6 August, 2019 (register your attendance at Eventbrite) and the Riverland Campus venue is set to open in January 2020.

It's an incredible milestone for the initiative, and aims to encourage regional people to take their first step towards a professional career; without having to travel for hours each day or move to the city for degree level courses. # Building Community - One Event at a Time

There are some pretty cool things happening at the The Lake Albert Caravan Park of late. You may have noticed vintage caravans gathered by the lake, or the locals gathered at the park for a session.

It's all part of the grand plan devised by Jacqui Grant and Troy Fynnaart, the community minded owners of Meningie's lakeside caravan park. The self-motivated business partners firmly believe tourism is vital to the success of Meningie and the Coorong, and they're determined to do their bit to build the industry.

'We've hosted a classic Vintage Caravan Weekend, a fabulous Melbourne Cup and we're keen to continue with special events that include live music,' Jacqui said.

Jacqui and Troy are keen to build a community atmosphere for both travellers and locals alike and they do this through a range of creative events. More recently, they have partnered with Coorong Tours to promote a range of local tours for guests.

'We recently took our team and did a 'road test' of the Secrets of the Coorong Tour. It blew us away. We went all-out with the Coorong Tours team and did the Deluxe Champagne version - limo bus, bubbles and all the bells and whistles. It was a lot of fun, interesting and a real eye opener,' Jacqui says.

'Guests will be able to organise their own transport, or let Coorong Tours do it for them. Then they just need to pick a tour, decide the mode, and show up to the caravan park for a good time,' says Jacqui. 'It's so easy, and a great way to explore the district.'

Jacqui and Troy love seeing both visitors and locals coming to the park to socialise. 'Meningie is such a great place to live – we didn't know what to expect when we came from Adelaide, we didn't know anyone and we came into town 'cold turkey'. People have been welcoming and friendly, and have inspired us to get involved.'

Both are now emotionally attached to the region, and have committed to it beyond the caravan park. Troy owns the popular Blue House Holiday Home in Meningie and Jacqui owns a beautiful block of land in Milang.

So what's the secret to enjoying what they do? Jacqui loves meeting people and doesn't operate on a strict business plan. 'We can relax and enjoy this business and all the people we meet - provided we can multi-task!'

## Murray Bridge Hospital ED Upgrade

Plans for the upgrade the emergency department at Murray Bridge Soldiers' Memorial Hospital have been given the stamp of approval.

Minister for Health and Wellbeing Stephen Wade said State Parliament's Public Works Committee recently signed off on final plans for the project.

"It is great to know that this project will roll out in the coming months. The \$7 million redevelopment and expansion of the hospital's emergency department (ED) will deliver state-of-the-art health services to the people of Murray Bridge and the surrounding regions.

"The existing ED faces real challenges in terms of meeting the increased emergency demand in the Murray Bridge region," Minister Wade said.

"The approval of the ED upgrade plans is another key step towards fulfilling our pledge to provide world-class health care to the Murray Bridge community and demonstrates our broader commitment to boosting health services in our regions.

"The new, purpose-built ED will be more than

twice the size of the existing ED and provide high quality and efficient health care services that directly align to the needs of patients."

Member for Hammond Adrian Pederick said it was exciting to see the project moving forward after extensive consultation with clinicians and other key health stakeholders in the Murray Bridge region to finalise the concept plans.

"This project is especially important given the expected massive growth in tourism and industry in Murray Bridge and surrounding areas in the coming years," Mr Pederick said.

"I look forward to a builder being appointed and construction getting under way in the coming months.

While the Murray Bridge Soldiers' Memorial Hospital had just over 6,600 emergency presentations in 2016-17, this figure is expected to grow to 14,500 presentations by 2026.

## ATTENTION TO DETAIL - A WINNER AT INAUGURAL BALL

I m m a c u l a t e l y dressed to suit the occasion, Rex Schillabeer of Taillem Bend and Carol Claessen of Murray Bridge **LEFT**, were selected as the Best Couple at the Murraylands Inaugural Ball at Taillem Bend Town Hall, July 20. Carol said to make certain they were both appropriately dressed and matching, Rex wore the deep blue bow-tie she

had made from the material of the petticoat of her blue lace ball gown, when she shortened it. They also both wore white gloves and Rex had a white handkerchief peeping from the pocket of his dinner jacket. The adjudicators were Bruce and Penelope Forster, Editors of the monthly 'Dancing Days' publication. Penelope said it was very difficult to choose the winners, as so many couples were beautifully dressed but "the gloves tipped the scales." The event attracted 88 dancers, a few of whom travelled several hundred of kilometres to attend the function at Taillem Bend Town Hall. Dancers ranged from a former competition couple, to very competent social dancers, to a few still enjoying learning the steps. People of all levels of ballroom dancing are welcome at the dances on the third Saturday of each month, as part of the

Southern Country Dance Circuit. Committee members Tony and Jan Nolan, Nick and Kaye Lazaroff and Murray Phillips arranged an entertaining program of dancing, including a progressive Military Two Step and a Monte Carlo, a fun elimination dance. Jacob Fabich provided the music. Committee members are to be thanked for the magnificent event they presented. The raffle table was stacked with dozens of practical articles, which were donated and the country supper was laid with delicious offerings supplied by the dancers. One dancer jokingly asked "what is a country supper without egg sandwiches?" and tried to seek a promise his comment would be included in a report.

The next Murraylands Dance Group dance will be on Saturday August 17 at the Burdett Hall. Dancers are asked to take supper. Inquiries: Nick Lazaroff 0456 208 355.

KATE Lauren - The Orphan's Song

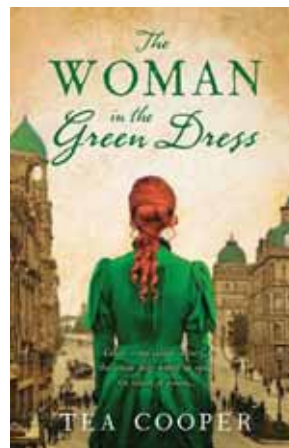

The Orphan's Song is a sweeping love story about family, music, and the secrets each hold—that follows the intertwined fates of two Venetian orphans.

*A song brought them together.
A secret will tear them apart.*

Venice, 1736. When fate brings Violetta and Mino together on the roof of the Hospital of the Incurables, they form a connection that will change their lives forever. Both are orphans at the Incurables, dreaming of escape. But when the resident Maestro notices Violetta's voice, she is selected for the Incurables' world famous *Coro*, and must sign an oath never to sing beyond its church doors. After a declaration of love ends in heartbreak, Mino flees the Incurables in search of his family. Known as the "city of masks," Venice is full of secrets, and Mino is certain one will lead to his long-lost mother. Without him, the walls close in on Violetta and she begins a dangerous and forbidden nightlife, hoping her voice can secure her freedom. But neither finds what they are looking for, until a haunting memory Violetta has suppressed since childhood leads them to a shocking confrontation. Vibrant with the glamour and beauty of Venice at its zenith, *The Orphan's Song* takes us on a breathtaking journey of passion, heartbreak, and betrayal before it crescendos to an unforgettable ending, a celebration of the enduring nature and transformative power of love.

COOPER Tea - The Girl in the Green Dress

1853 Mogo Creek, NSW
Della Atterton, bereft at the loss of her parents, is holed up in the place she loves best: the beautiful Hawkesbury in New South Wales. Happiest following the trade her father taught her, taxidermy, Della has no wish to return to Sydney. But the unexpected arrival of Captain Stefan von Richter on a quest to retrieve what could be Australia's first opal, precipitates Della's return to Sydney and her Curio Shop of Wonders, where she discovers

her enigmatic aunt, Cordelia, is selling more than curiosities to collectors. Strange things are afoot and Della, a fly in a spider's web, is caught up in events with unimaginable consequences...
1919 Sydney, NSW

When London teashop waitress Fleur Richards inherits land and wealth in Australia from her husband, Hugh, killed in the war, she wants nothing to do with it. After all, accepting it will mean Hugh really is dead. But Hugh's lawyer is insistent, and so she finds herself ensconced in the Berkeley Hotel on Bent St, Sydney, the reluctant owner of a Hawkesbury property and an old curio shop, now desolate and boarded up.

As the real story of her inheritance unravels, Fleur finds herself in the company of a damaged returned soldier Kip, holding a thread that takes her deep into the past, a thread that could unravel a mystery surrounding an opal and a woman in a green dress; a green that is the colour of envy, the colour buried deep within an opal, the colour of poison...

FAMILY IS EVERYTHING

Igniting memories of a story that millions of Australians can relate to, Michaela Burger pays tribute to her Greek migrant family and hard-working, fun loving larrikin father Luke who defied all odds and rose above his circumstances. From early morning deliveries for the family bakery at age seven, down opal mines in Coober Pedy at age 16 and opening a chain of discount supermarkets in Adelaide, Luke's road was not one for the faint-hearted.

Featuring original songs and live band, including piano and bouzouki, Michaela tells her family story with poignancy and comical aplomb.

Described by Australia's leading lady of cabaret Kate Ceberano as an "asset to the cabaret community" come join Michaela for an evening of song and laughter, memories and the love of family.

Ever wondered what we do at TBCC?

If you don't know anything about our services then we ask you, what are you doing for the community?

TBCC has designed sponsorship packages for the Taillem Bend Football, Cricket and Bowling Club, helped numerous organisations with constitutions, governance and grant information. Provided free training opportunities and raffle prizes for any service/ sports club in the Coorong. Partnered with Rotary, Coorong and Rural City of Murray Bridge Council for events and Lions providing hygiene packs. We offer food hampers on behalf of ac.care Murray Bridge and refer people for services in the region.

We manage \$800,000K of Federal and State grant funding annually delivering services across 35,000 square kms to six local government areas including Coorong, Karoonda East Murray, Rural City of Murray Bridge, Southern Mallee, Mid Murray, and Tatiara.

All grant funding has outputs, collectively we deliver 2,800 programs annually to meet grant requirements. Services are for people over 65 years, under 65 living with a disability, adults 18-65 years, children 0-12 years and their families and all ages transport disadvantaged.

Services include gardening, modifications, parenting/children programs, social outings, learning classes, medical/social transport just to name a few.

Amazing right, as all of this is achieved with 4.8 full time staff and a band of over 50 volunteers. Our annual report will be out in August (visit <https://www.tbcc.org.au/> to find the report or call in to get a copy) we strongly encourage you to make time to read it.

It's clear to us that we are making a huge difference in the Murraylands community, if you're involved in any service/ sporting club you will be working with us?

Still not sure what we do, then come on down, meet with us, take a tour of the centre. We love sharing stories of how peoples lives are so much better because of TBCC.

TBCC 2019/20 Board of Management

We are growing together at TBCC, would you like to join us?

We welcome new board members and encourage you to nominate yourself or others to join our committee.

We have 5 Board positions open this year.

Specifically we are looking for a Treasurer. Do you know someone with a passion for finance? We have a fabulous finance officer with over 25 years experience for the daily operations. Additionally our books are overseen and audited by a chartered accountant. The Treasurers role is primarily budget forecasting/review and grant reconciliation/reporting. Our current Treasurer of 11 years is retiring but will continue to offer training and mentoring for elected Treasurer.

TBCC is a highly regarded in the community services industry. Extensive free training is provided, great for professional and personal development.

Board Meetings rarely last longer than one hour, per month. Day/time of meetings is determined by the board so can be after hours if required.

It's amazing to be able to give back to your community and see the difference made in peoples lives through our services.

Maybe you would like to set up a community centre in your town? We would love to share our knowledge and teach you board level requirements to get there.

Trust us you will gain so much more than you give!

If you know someone that may be interested, please contact Tammy on 08 8572 3513 or email ceo@tbcc.org.au

Nominations close Friday 2nd August 2019. All nominees will be posted on TBCC community notice board and on our website.

Tammy and Chelsea attended the **DRUMBEAT** training in June. **DRUMBEAT** (Discovering Relationships Using Music; Beliefs, Emotions, Attitudes & Thoughts) is an evidence based program that engages students 10-12 years of age to build social skills, increases self-esteem and explores connections between making music together as a group and the development of healthy relationships. TBCC are funded by C4C to deliver the DRUMBEAT program throughout the Murraylands. Christine & Chelsea have delivered DRUMBEAT for 8 terms successfully with positive feedback from all schools.

Communities for Children Murraylands is facilitated by ac care, funded by the Australian Government Department of Social Services and delivered by our Community Partner - Tailem Bend Community Centre.

MURRAY MALLEE COMMUNITY PASSENGER NETWORK (MMCPN)

During the months of June and July MMCPN has been busy coordinating client attendance to medical appointments, via either the Medical Bus (for people living in the district councils of Coorong, Karoonda East Murray, Mid Murray, Southern Mallee, Tatiara and Rural City of Murray Bridge) or in volunteer driven Community passenger network CPN vehicles (for people living in the district councils of Coorong, Karoonda East Murray and Southern Mallee)

Our volunteer drivers and CPN cars are also available to provide transport for eligible clients to access other services such as shopping or attending community and social events.

The impressive volume of people accessing MMCPN services is a clear indication of the demand for transport help in regional communities. Our aim is to continue to provide efficient booking and suitable travel options for community members in all eligible areas.

We are always keen to hear from anyone interested in joining our MMCPN Team as a volunteer driver, or companion.

Volunteer!

“Start where you are, use what you have, do what you can!” - Arthur Ashe

TBCC MMCPN is currently seeking volunteers that may be interested in travelling with passengers as a companion. Some people get overwhelmed with navigating hospitals, especially when feeling unwell or stressed.

We need people willing to travel with them and assist with finding appointment destinations or chatting to people whilst they wait.

If you have one day a month to spare and a willingness to help others, please call us to discuss.

Companion's don't need a driver's licence, they accompany clients to medical appointments, assist with navigation around hospitals, or support them whilst waiting. Companions travel at no extra cost to the client.

WE NEED YOU!

Sea Change for Nat...

After 32 years of service, Nat Traeger leaves the Coorong District Council, taking up the position of Chief Executive Officer with the Kingston District Council.

Commencing her vocation in the office of the District Council of Coonalpyn Downs in 1987, before its amalgamation with the District Council of Meningie and Peake in May 1997, Nat has diligently worked her way up the chain of command to become the Coorong District Council's Director of Community & Corporate - a position she has held since 2010.

Since announcing her move at Council's June meeting, accolades from all sectors of the community, have been flooding in.

A conscientious, creative thinker with a sincere passion for community, Nat will be sadly and sorely missed.

## **MIGHTY GOD:**

We live in a world today that has created many other Gods, but we know that there is only one true God, don't we. Isaiah reminds us of that in Isaiah 6:9....  
For to us a child is born, To us a son is given, and the government will be on his shoulders, and he will be called Wonderful Counsellor. MIGHTY GOD, ever lasting Father, Prince of Peace.  
Isaiah wrote these words 700 years before Jesus was born. And he called him Mighty God.  
You see, we are very fortunate that we worship a truly unique God.  
Jesus Christ is the only Sinless God man that has ever lived. He died a sinner's death in order to pay for the wages of all sinners who would come to him in repentance and in faith.  
Isaiah said his name shall be called Mighty God.  
Jesus Christ is unique because he is the only one who ever lived without sin.  
Jesus Christ is unique because he is the only one who raised the dead.  
Jesus Christ is unique because he is the only man who bossed mother nature around and she said "Yes Sir!"  
Jesus Christ stands unique because he healed the sick and the infirmed supernaturally and powerfully without medicine and without the help of medicine.  
Jesus Christ stands unique because he claims to be God and nobody else has ever been able to claim that.  
Jesus Christ stands unique because of his power and his might.  
Jesus Christ stands unique because he created the universe.  
Jesus Christ stands unique because he is the sustainer of his own creations.  
Jesus Christ stands unique because he is the redeemer of all those who would come to him.  
Jesus Christ stands unique because he is the coming judge who will judge every single human being on the face of this earth and Isaiah.

### Obituary

## Harry Lumsden McNally

1933 - 2008

HARRY Lumsden McNally was born at the Tailem Bend St Margaret Hospital to parents James and Georgina McNally.

He would go on to be a loving husband to Dorothy, father to Antony and Susan, father-in-law to Tanya and Taras, loved puppa to five grand-children, and had two sisters, Anne and Janet.

He attended Tailem Bend Primary School then went on to Murray Bridge High for another three years.

He joined the South Australia Railway as an apprentice fitter and machinist on his 16th birthday.

He served two years at Tailem Loco, then three years at Islington Railways to complete schooling.

He then returned to Tailem Bend as a running shed fitter, working on all types of steam locomotives, later becoming sub-foreman Tailem Bend.

Mr McNally married Dorothy Hodges at Tailem Bend on April 5, 1958, had together they had two children, Antony and Susan.

Harry played most sports, including football, cricket, tennis, rowing and swimming.

Then in 1970 Harry started training grey-

hounds.

His first greyhound winner was Sutoni, named after his children.

Harry in my opinion was not only an icon to the people of Tailem Bend as a thorough gentleman, but also trained greyhounds for various Tailem Bend people, some that come to mind being his great mate Keith Carslake whom he trained many winners for; Nunga Royal for the Lovegrove family of Tailem; and possibly his favourite, Lady Rhode, whom he trained for the boys at the Wellington Hotel.

I am sure memories of this fond loving sportsman will be remembered for many days to come.

Harry McNally is a legendary household name in greyhound racing and to all his many friends in Tailem from GRSA and all other clubs in South Australia we pass on our condolences to Dorothy and family.

Harry Lumsden McNally, you will always be remembered for your contribution to racing.

May there be greyhound racing up in the heavens, you will be the greatest tutor I am sure.

- Compiled by Bob Little

**MEMORIES....**Bob Little of Murray Bridge and formerly of Tailem Bend and Wynarka, reminisces about the late Harry McNally - "a top bloke and a top greyhound trainer" - **ABOVE AND ABOVE RIGHT.**
