# The Changing Face of Tailem Bend #90

This month we have a mixture of a couple of short stories, a Tailem Bend Dateline and some local achievements.

The year was 1995 when Engineman Malcolm Maywald sat down and reminisced about an era of rail at Tailem Bend. It was a time to remember, when Tailem was a booming Railway's town and two drivers drove the The Overlander towards Melbourne for its last journey on broad gauge rail (being replaced by standardisation). Malcolm and John 'Nobby' Clarke, shared driving duties to take the passenger train, also known as the Melbourne Express, from Tailem Bend to Wolseley, before bringing another train back. It was a journey they and many other railway staff from Tailem Bend had undertaken countless times.

Malcolm, like many others in the rail industry, had seen many changes over the years while employed there. The number of staff had reduced dramatically with the reduction of trains, at one time there were about 140 drivers alone, based at Tailem.

When he started work, there were two shunters and their assistants working around the clock in the marshalling yard to keep up with the amount of rail traffic.

He remembers trains weekly going to Renmark, one with a passenger carriage, then there were regular trains to Baramera, Pinnaroo, Loxton and Mt Gambier. Other sidings serviced, were Yinkannie and Peebinga in the Mallee.

Malcolm joined the railways aged 16 as a cleaner, then progressed to fireman, before being promoted to a driver and now after 40 years' service, he is retired here in Tailem Bend.

Accomplishments and plans for Tailem in 2003/2004 from Flo Both's treasurer chest.

Local singers, Catherine Sumner and Darren Gurney were featured artists at the Southern Australian Showcase for Country Music held at the Norwood Concert Hall.

"They have been selected because of their outstanding performances throughout the year in the SA Festival Talent circuit, as well as the recent Champion of Champion's competition, held in Adelaide," producer/director Noel Kneebone said.

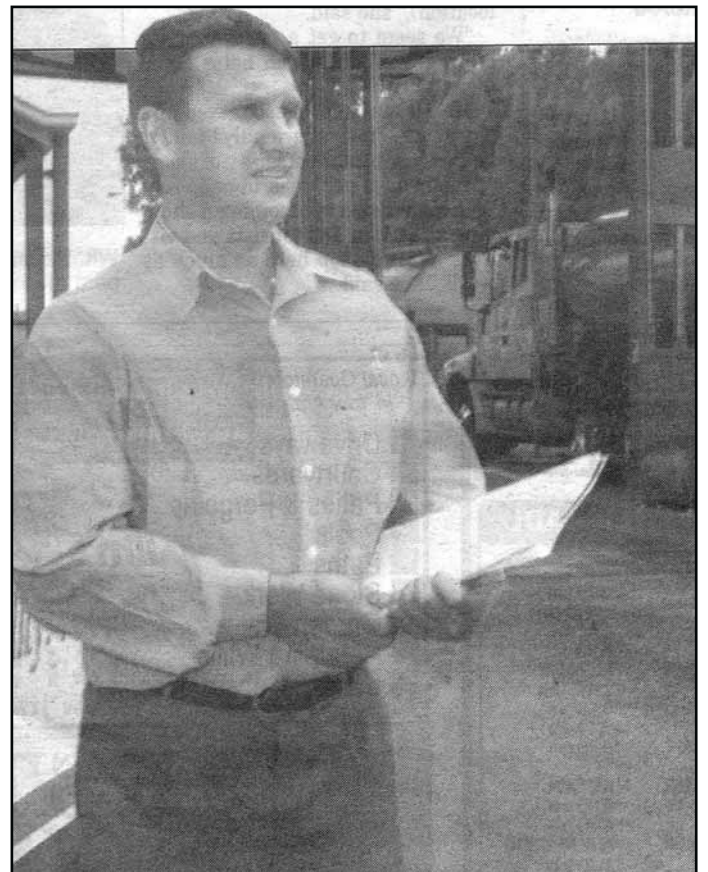

He added that people in the music industry are standing up and taking notice of the Murrayland's talent.

**ABOVE:** Darren with his guitar.

## Jervois Factory Expansion

Processing giant, Dairy Farmers, is looking to make a \$5 million expansion at its Jervois Factory in a show of support for local suppliers. Co-op directors are working on plans to expand the already large factory to include a mozzarella plant production site to meet the growing demand for that type of cheese. Government affairs manager, Stuart Silver, said directors have confidence in the future of local farmers and their milk supply. This is good news and a shot in the arm for those dairy farmers who have been suffering. **BELOW:** Dairy Farmers cheese production manager, Paul Connolly, looking over plans to expand the factory.

## Queen's Medal for Tailem man

Former Tailem Bend resident, Tony Cocks, has been presented with the Auspicious Service Medal, as part of the Queen's Birthday Honour's List. Tony, a petty officer physical training instructor, was presented with the award for outstanding devotion to duty and the Royal Australian Navy, while posted to HMAS Kuttabul in Sydney. Some of the highlights of his career have been a two year posting to the United States and commissioning HMAS Canberra in Seattle and a posting to HMAS Penguin. **ABOVE:** Tony and his Mother, Glenys Cocks, with the medal.

## 1995/96

Hammer throwing is not yet an Olympic sport for Women, but Tailem's Brooke Krueger is on track to be one of the first to represent her country in the event when it eventuates.

Brooke has held numerous State and National rankings in the underage competition, and challenged the country's best in the open age section. Brooke said she was working towards the 2000 Olympics, where it was expected her sport would be introduced. Also a talented shot putter and discus thrower, she won nine medals from nine events at the State Championships, this included five gold medals. Brooke also competed with success in the Junior Nationals, Coca-Cola and Pacific Games, amassing numerous medals along the way. Then came the Australian Oz Squad training camp, which qualified her for the 1997 Junior Nationals. More about Brooke and the Olympics in a later edition.

**LEFT:** Brooke Krueger with guest speaker, Kate Slater, right.

## 1993 - Grain Season

Tailem Bend is becoming a Bunker City as the huge grain harvest comes in from the Mallee cereal growing area.

The town's first grain bunker was built to cope with overflow from the silos and shed, but it wasn't nearly enough. Now, another bunker has been filled, a third is taking grain and a fourth is being built.

That means 80,000 tonnes of grain in the Tailem bunkers alone, plus another 50,000 in the shed and whatever else is in the silos!!

## A long range vision for Tailem Bend through the eyes of youth 2005 - by Emily Jaensch:

Through my eyes, I see Tailem Bend in 2030 to be advanced in the developments of businesses, roads, tourism, industry, education and public transport, creating a modern community.

This would create more residents, encourage more businesses to open, it would also help the existing ones that are running today and will be flourishing in these 25 years.

By 2030, the community and tourists will enjoy better roads and more appropriate truck access to the silos, will create expansion for the silos. The land along Prince's Highway will be built up with many houses, maybe even Tailem Bend and Murray Bridge joining up at some stage. Tailem's industry could be booming with the idea of the railway re opening and more boats taking trips along the Murray. Hopefully in 25 years' time, Tailem Bend will have excellent public transport, somewhat like Adelaide has now.

In the year 2030 the increase in population in this district will mean there will need to be a high school, which will accommodate a large auditorium that will replace the town hall for community functions.

Well done Emily, at this stage you could be well on target. I'm not sure what year, but Tailem Bend rower Matthew McDonald, won the U14 State Schoolboy's title at West Lakes by four seconds. It was Tailem's first state schoolboy's title. More about the rowing club in another edition, including champion Sculler, Tania Riggs.

Articles and photos - courtesy of Flo Both and sourced from MV Standard editions.

Next month, among other things, we look at the Water Towers and there are many more stories to be told after that.

See you then, Peter Connolly.

# Probos Report

## PROBUS CLUB REPORT JULY 2019

President Joyce Medlow welcomed 21 members to the July meeting. There were three apologies. The minutes from the previous meeting and the

financial statement for June were read by the Secretary and Treasurer and duly passed by members.

### BUSINESS ARISING FROM THE MINUTES

President Joyce Medlow advised that the "Hot Laps" of Motorsport Park, originally offered during the October Friendship Day Event would not now be available, due to insurance concerns.

### CORRESPONDENCE

The secretary read a letter from Mobilong Ladies Probus Club re the possibility of obtaining additional tickets for the October Friendship Day Event. President Medlow indicated that she would investigate this.

So far, 24 Taillem Bend Members, eight Meningie members and 12 members from Mobilong Ladies Club, will be attending, numbers from other clubs not yet known.

### SHOW AND TELL

President Medlow said that following her and husband Neville's recent trip to the interior of the state it was somewhat of a myth that Lake Eyre is filled with water, but that nevertheless, the scenery was "fantastic".

### SHERIFF REPORT

Malcolm Piggott handed out a few fines for members forgetting to wear their badges.

### GENERAL BUSINESS

The President thanked Vice President Jim Tobiasen, for standing in for her at the June meeting.

She also asked for volunteers to help out at the upcoming Friendship Day in October. Neville Medlow (who will be joint MC with Bill Paterson from Meningie), Peter and Doris Connolly and Bob Shurville put their hands up to assist on the day.

## GUEST SPEAKER

Guest Speaker Organiser Peter Connolly introduced well-known and highly respected identity, Mike Kozikowski, best known for his musical expertise, both as an instrumentalist and music teacher. Mike's parents were very happy and appreciative to have come to Australia, migrating from Poland as refugees, escaping what was the tyranny of Eastern Europe at that time.

Later, the revered Doctor Gooden brought Mike into the world.

Early in his working life, Mike in partnership with his wife, Jeanette, operated a delicatessen in Taillem Bend, but he eventually completed various studies and entered the financial planning and insurance professions. He said he was never comfortable with the ethics of working in those industries, for the reasons recently highlighted in a Royal Commission.

But all the time Mike carried a passion for music and developed into a highly skilled and sought-after pianist and guitarist, becoming a key performer in several bands.

Eventually, his passion resulted in launching himself into music tuition and his business soon blossomed to the point where he had 65 students and was engaged by many schools in the region to provide tuition to schoolchildren.

Mike continues to practice today, in semi-retirement.

Receiving a warm round of applause from members, Mike was presented with a Certificate of Appreciation from Past President Geraldine Dickson, who for many years was Mike's student - **BELOW LEFT.**

Mike drew the door prize raffle winner, who was Peter Connolly. The meeting closed at 11.45 am.

Next Meeting 19<sup>th</sup> August 2019

The Probos Club of Australia is a national organisation dedicated to fostering friendship and goodwill within our community? Why not join us? Money (not much) well spent! Everyone has a story to tell, so why not become a star by appearing as our Guest Speaker? You can even tell us about your business. ### STREET PARTY AUGUST 22, 2019

Thursday August 22, 2019 the RSL Tailem Bend in partnership with The Bend Motorsport Park and Coorong

District Council, presented the inaugural SUPER STREET PARTY. Over a short period of only 11 weeks, Event Manager Katie Anderson (far right) and RSL Secretary Tavia Wood (centre) pictured with Councillor Glynis Taylor, drove the management, promotion, coordination and organisation of the event.

On the day, Railway Terrace was closed from 3pm, to allow the placement of 40 historic and performance cars from three local clubs, trucks from Tailem Bend Auto/Dial a Tow, 13 food vendors, 4 local food businesses, 20 market stalls, displays from The Bend Motorsport Park and SA Motorcycles, and the Jugglehouse Limousine. Lifepoint Church managed the KidsZone, with Rev It Up and Golfing Gopher providing additional activities. Entertainment was provided by two local musicians and the amazing Mike Bristow performed emceeing duties.

Over 1000 people attended the Street Party to revel in the atmosphere and catch a glimpse and a signature from the star studded Supercar Drivers lineup! We are humbled and overwhelmed with gratitude at the sheer volume of support we received to put on this event, we had in excess of \$23,000 of in-kind sponsorship, without which, nothing would have been possible! We're tired, but we're excited to see where we can take this extraordinary opportunity, See you in 2020!

## Pangarinda Botanic Gardens

Pangarinda is the Aboriginal name for Sunset.

The Garden at Wellington East has welcomed the recent rains, bringing much needed relief to plants stressed by the dry spell since the beginning of the year.

Our volunteers have been working each Wednesday removing dead trees (as all trees, like us, have a pretty set lifespan and wow, Pangarinda turned 25 years old in September last year!) plus, our volunteers also prune other trees and bushes to encourage flowering, giving visitors a pleasant walking experience through the Garden.

Dare we mention that our volunteers also pull weeds around the plants so that when Whipper-Snipping the grassy areas, we don't ring-bark the trees too.

The size of Pangarinda means our volunteer gardeners also get to use ride-on mowers, whipper snippers, hedge trimmers and chain saws as well as the humble hoe, garden trowel and rake.

Our Tailem Topics tells us who did what back then, so, in 1993 the first Committee formed to turn bare Sand Dunes

into a Botanic Garden was: John Barrie, Kaye Bartlett, Jacqui Merckenschlager, Peter Dickson, Pat Foreman, Frank Mussger, Max Jettner, Sandra Cockshell and Doctor Phil Gooden.

John Barrie and Kaye Bartlett are still Committee Members 25 years later!

Winter is when the Hakeas start to flower. We have 106 species in the Garden. There are also over 50 of the 70-odd known Banksia species to look at, some flowering in the Winter.

The bird species count in the Garden is up around the 50 mark, with some of them wintering in the Garden.

There are table and chair settings around the Garden if you want to bring a picnic and breathe in the scent of many varieties of eucalypts and other plants.

PS: The tables & bench seats are concrete, so bring chair pads!

If you would like to come and try large-scale gardening with a group of happy volunteers on any Wednesday morning, please phone Sam Blight on 0447 900 001 and she will answer any questions you may have.

Kind regards from volunteer, Don Wood. (Image page 21)

# Brewing a Little Bit of Fun

Boutique beers and cider on tap. Local food (most importantly, pizza). Lake views. CHECK. CHECK. CHECK!

Welcome to Meningie's newest tourism venture, The Coorong Brewing Co. It's the creation of Stacey Peckover and Peter Reichelt, who have created a venue that is a little bit of fun, and has a foodie focus on all things Coorong and South Australian.

Stacey and Peter, a former local, have big plans for their new business, and are especially keen to provide locals and tourists with an experience that's uniquely 'Coorong'.

'We are working towards a Producer's License, which will enable us to brew our own beers. The plan is to have own beer on tap within 12 months, and then we can offer tours and experiences as well,' says Stacey.

Visitors want to enjoy local produce when they travel, so we're aiming to have 100% SA beer, wine and food. Our pizza bases come from a lovely Italian man, Andy Clappis, who runs the famed *Our Place Restaurant* at Willunga Hill, a great example of how to do local, authentic food.'

Having returned to the area about 18 months ago when they were expecting their first child, Stacey and Peter were keen to be near family support, but also saw an opportunity to create their own business.

'The potential for tourism in Meningie and the Coorong is exciting. We have a lot of natural assets that are so

appealing, but it's all very under-developed as an industry,' Stacey says. 'We hope to provide the region with a place for special occasions, and make it a fun place to be.'

When they first decided to make Meningie their home, it was because it offered them an affordable, relaxed lifestyle where Peter could continue his electrical business and spend more time fishing.

Stacey, originally from Kangaroo Island, has always worked in tourism, for the Sealink Travel Group, Dudley Wines Cellar Door and hotels. So when the Meningie Cheese

Factory restaurant hit the market, they really got to thinking about what the town needed and how they could create a new experience.

Stacey did a lot of research into the area, and its tourism potential. 'The growth potential for tourism is huge. We just have to provide reasons for people to come, and then they will discover the rest – amazing bird life, produce, history and eco-systems.'

So, the best part of working and living in the Coorong? For Stacey, it's the relaxed lifestyle and all the birdlife, and for Peter, it's all about the fishing.

Watch this space – we'll let you know when you can try Coorong brewed beer. Got kids? Well, there is a lot of lawn between the terrace and the lake, so bring the footy and the kids can wear themselves out while you kick back. Sold yet?

# National Win for Strathalbyn Local

**ADVERTORIAL:** Josh Pegler, of KTA Financial Services, took his state title to a national level, when he was recently awarded Charter Financial Planning Limited's 2018 National Value of Advice Award, which recognises the real difference financial advice can make.

There are over 650 advisers in the Charter network, and this award is presented to the adviser judged to have the most significant and material change to a client's financial future, with the winner determined upon consideration of real life case studies.

Josh won the Value of Advice Award for the outstanding work he did with a client who came to KTA Financial Services (KTAFS) via the Cancer Council Pro Bono Program. When Josh took on the case, the client's industry super fund had informed the client he had no insurance 'in force' in his super account as the cover had ceased when the balance fell several months earlier.

Josh built a case that it was probable his client had cancer while the cover was still in force. Then, to relieve the family from the stress and frustration of dealing with the claims process, the insurer was instructed to liaise directly with Josh, during which time he overcame many frustrating delays and obstacles on his client's behalf.

Unfortunately, six months after their initial meeting Josh's client passed away. Based on the super fund's initial advice his client's family were expecting to receive just the balance of their son's super fund – but thanks to Josh's expertise and dogged determination, this ultimately resulted in the insurer acknowledging the claim and making an appropriate payment.

Kym Thyer, principal of KTAFS and resident of Tailem Bend, said, "without Josh's advice, the frustration and anxiety of dealing with the super fund would have distracted the parents of Josh's client from caring for their son and significantly exacerbated what must have been the most stressful and devastating experience

Josh being presented his award by Stuart James, Partnership Manager, from Charter Financial Planning Limited.

any parent could contemplate".

As Josh says his case highlights *'the incessant process barriers and obstacles that prevent most Australians from achieving appropriate outcomes and entitlements when left to their own resources (i.e. without advice) – regardless of financial literacy'*.

Born and raised in Strathalbyn, Josh loves working where he can give back to the community that nurtured him. Josh said, "Being rewarded for doing what I love is extremely gratifying" and "reinforces my commitment to the delivery of outstanding financial advice in an honest and caring environment".

## BOOK REVIEWS

### Taking Tom Murray Home

Winner of the inaugural Banjo Prize  
By Tim Slee  
Bankrupt dairy farmer Tom Murray decides he'd rather sell off his herd and burn down his own house than hand them over to the bank. But something goes tragically wrong, and Tom dies in the blaze. His wife, Dawn, doesn't want him to have died for nothing and decides to hold a funeral procession for Tom as a protest, driving 350km from Yardley in country Victoria to bury him in Melbourne where he was born. To make a bigger impact she agrees with some neighbours to put his coffin on a horse and cart and take it slow-realslow.

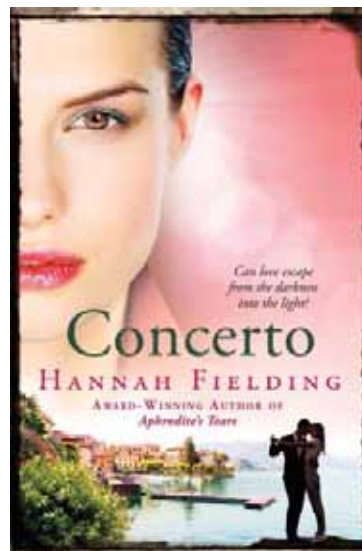

But on the night of their departure, someone burns down the local bank. And as the motley funeral procession passes through Victoria, there are more mysterious arson attacks. Dawn has five days to get to Melbourne. Five days, five more towns, and a state ready to explode in flames...

Told with a laconic, deadpan wit, Taking Tom Murray Home is a timely, thought-provoking, heart-warming, quintessentially Australian story like no other. It's a novel about grief, pain, anger and loss, yes, but it's also about hope - and how community, friends and love trump pain and anger, every time.

### Concerto

By Hannah Fielding

When Catriona Drouot, a young music therapist, honours an opera diva's dying request to help her son, Umberto Monteverdi, recover his musical gift, she knows it will be a difficult assignment. She had shared a night of passion with the once-celebrated composer ten years before, with unexpected consequences.

The extent of her challenge becomes apparent when she arrives at her client's estate on the glittering shores of Lake Como, Italy. Robbed of his sight by a near fatal car accident, the man is arrogant, embittered and resistant to her every effort to help him. Still, Catriona sings a siren's call within him that he cannot ignore.

Caught up in the tempestuous intrigues at Umberto's Palladian mansion, Catriona discovers that her attraction to the blind musician is as powerful as ever. How can she share what she has hidden from him for the past decade? Soon she realises that hers is not the only secret that is rippling uneasily below the surface. Dark forces haunt the sightless composer, threatening his life - for the second time.

# Thought for the Month

---

Once upon a time there was a very rich but unhappy king, unhappy because he was all alone in an empty palace. How he longed for a wife with whom he could share his life.

Then one day the king saw the most beautiful woman he had ever seen, riding through the streets. Enquiries revealed she was a peasant girl, but the king's heart was captivated. He would make sure that each day he rode past her house in the hope of catching a glimpse of his love.

But the king had a problem. How would he win her love. He could draw up a royal decree commanding her to become his queen. But then he could never be sure he had won her love, for she would be required to obey a royal decree.

Perhaps he could call on her and try to win her over, appear in all his regal glory and sweep her off her feet. But no, then he could never be sure whether she had married him only for his power and riches.

Finally he came upon the perfect plan. He would come to her as a peasant. That was the only way to truly win her love. So he abandoned his palace and his riches and his comfort and put on the clothes of a peasant. He went and lived among the peasants. He worked with them, shared their sufferings, danced at their feasts, until finally he won the heart of the woman who had captured his.

So it is with God. Christ became one of us, lived among us, worked among us, suffered with us, danced with us. All in order to win our hearts.

### [VALE – KEITH McFARLANE #18](#) (TBFC Facebook page)

The TBFC is saddened by the loss of a past premiership player Keith McFarlane. Keith was a brilliant, unselfish full forward who came of age in the 1962 grand final win with 5 goals. His magnificent skillfulness displayed in the '62 GF will forever live in the hearts of the longtime devoted "Eagle" supporters.

Throughout his career, Keith turned many a game with his immense talent, high marking and accuracy on goal. He also played in the '65 premiership side.

As a full forward, he was renowned for his fast leads, high marking and soaring torpedo punts that delighted the crowd. His prolific goal scoring was achieved during a tough era of no nonsense full backs, with little protection provided by the umpires. Courage and ability ensured Keith was a much loved and respected Eagle.

In later years Keith was a regular supporter of Eagles and took great pride in watching his grandchildren Tom and Skye from the sidelines.

Keith was a true gentleman in every sense of the word ... he will be sadly missed.

Our love and thoughts go out to Janet, Richard, Rebecca, Lucy and their families. TBFC

# Advertorial - McCulloch Auto Repairs

I started as a mechanic at Jaensch's Garage Tailem Bend in 2005, where I worked for 13 years under the late, great, Steven Jaensch.

A job I particularly enjoyed was a motor rebuild on a mate's Torana - it was good to watch the car being restored to its former glory and after all the hours spent on the car, to see the finished product, was very rewarding. We deliver mechanical and automotive services in a friendly and

professional manner, with pride and reliability at the forefront of what we do - no job is too big or too small, with prices that won't break the bank.

We also offer mobile services to farmers, who need me to come to them.

Our goal is to continue our great friendly services and grow as a business in Tailem Bend and surrounding districts.

You will find our workshop at 10 Kulde Road, Tailem Bend.
