## Ian Millard – Lawn Bowls

This month we look at Ian Millard (pictured below) as a champion sportsman, who brought many accolades to the Tailem Bend Bowling Club, with an amazing story about his time as a Lawn Bowler.

I can only add that I am thankful that I played with him and not against him !!!!

Ian begins: "I came to Tailem Bend in January 1985 to work for my brothers at the Tailem Bend Bakery. I had only been playing bowls for a couple of months after starting as a fill-in for Kyneton Golf/Bowls Club in Victoria. I loved the game immediately, it was magic and I soon became obsessed with learning and improving.

I played in the Division 2 side for Tailem Bend until the end of the 1985 season. Noel Fairweather was my first Skipper. No bowls were played at Tailem Bend Club after the end of the season, Murray Bridge had greens open throughout the year and I joined as a practice member. Weather permitting I was there 3-4 days a week through the off season, pounding away! (A baker's life).

I was selected in the Tailem Bend Division 1 team for the 1986 season, leading for John "Tiger" Lyon, a man I would learn a great deal from. Over a couple of years I progressed to Skipper and my first rink was; Sam Shepherd leader, Peter Connolly second and the great Dick Allen, as my third. It was a terrific rink and we had a lot of success. It was a great era for the Tailem Bend Club; we won five Pennants

in a row and seven in ten years. I picked up a Club title or two, along the way.

As for my career in State Bowls, it was a case of right place, right time. State bowls was undergoing a transition to a younger, more dynamic, professional style. The South Australian Institute of Sport (SASI) began supporting and funding elite bowls and appointed a full time professional coach, Paul Richards.

A net was cast across the State for young talent and I was selected in the first State Development squad in 1987. From there I was invited to State trials in 1988 and spent two years trialling and playing in the State Second team against visiting Interstate sides.

In November 1989 I was selected in the State Team to play Victoria in the annual Loy Carroll Trophy in Horsham Victoria **(IMAGE BELOW)**. My first state skipper was the legendary Alf Sandercock of Maitland, Alf had represented Australia 78 times and he was lured back to State bowls to help with the transition to a new era. Although he was 60 years old, he was still an extraordinary player and it was a privilege to have played with him.

SA was the national leader in taking bowls to a new level, coloured shirts, team track suits, exercise programs, psychology, diet etc, it must have shocked the Vic's in 1989 - we beat them for the first time in 10 years. We went on to defeat them for the next six years in a row.

I was fortunate to play in a most successful era for SA, I played across all states and territories representing the state 70 times. SA won test series in Victoria, NSW, Queensland and WA in this era, no mean feat when you consider the numbers of players and depth of talent in the eastern states; we would often be playing against three or four current or former Australian representatives.

The highlight of the State bowls calendar was the National Sides Championship, played out between all states and territories annually. I played in five series in six years, only missing one due to the birth of my daughter Ellie.

We went so close to winning on three of those occasions, particularly in Adelaide in 1993 where we literally lost on the last bowl played after a week of fierce competition.

# The Changing Face of Tailem Bend #88

---

Among the highlights of my career was playing in the final of the Australian Fours Championship in Hobart in 1990. While we were beaten, it was a great experience to play in a big national final, so early in my career. In 1993 I won the state fours with a composite team of fellow state players, Ron Rudiger of Holdfast Bay, David Chapman of Mt Barker and Neil Lemmey of Berri. We had been runner up the previous year and it was a thrill to get a state title to my name.

One of my fondest memories is playing against a five man New Zealand National side at the Murray Bridge RSL Club in 1991. They were playing a series of matches against SA and our local zone was picked to play a warm up game. The Old RSL Club was a great venue, the green, being set down below the clubhouse made for a great atmosphere, and there was a good crowd in attendance. In the morning I skipped the triples with Alan Forest of Meningie and Ralph Zacker of Tintinara on the lead and we had a good win, in the afternoon I played 3<sup>rd</sup> man for Bruce Atrill in the fours, we had a really hard fought close game and were lucky enough to scrape in with the win. It was great to play in front of a local crowd. NZ returned to SA in 1993 and I represented SA Country this time, playing in Berri. We were lucky enough to win all games, so I remain undefeated in international competition!!

Playing bowls at the elite level is all encompassing; you are required to play in a multitude of events in addition to State trials, practice and games. Weekends, holidays, after work practice are all dedicated to the game. In 1996 I decided to retire from State Bowls to spend time with my family. It caused a great controversy within the State ranks, I think I was the first one to do this; most players keep going until they get the boot. I played for six years without ever being dropped, a rare thing.

I stopped playing altogether in 1998.

I had great support from my family, Tailem Bend Bowling Club and the Meningie District Council (my employer at the time). Many thanks to all.

Work took me to Tintinara for a few years and I played two seasons there, we won the pennant in 2005 and in 2006 I won the club singles and the Upper South East Champion of Champions. In 2009 I returned to Tailem Bend and played the pennant season. The highlight was having my brother Graeme as leader in our rink and winning the Pennant that year.

Bowls is a great game and a great leveller, as "Tiger" Lyon used to say "you had better learn how to loose laddie, because it happens a fair bit in bowls". He was right and among the success there were plenty of defeats. It probably took me longer to learn than it should have. That is the nature of bowls.

Many Thanks, Ian.

After his career as a bowler, Ian developed a passion for Re-vegetation, we will hear about that next month.

See you then, Peter Connolly

---

\*\*\***NEWSFLASH**\*\*\* TAILEM BEND has secured SUPERCARS DRIVER SIGNINGS as part of a new (hopefully) annual EVENT - the 2019 SUPERSPRINT STREET PARTY which will take place on Thursday 22nd August from 3pm onwards (2pm for stall holders and setup). The event will be organised in partnership between The Bend, the RSL Tailem Bend and the Coorong District Council. Event managers will be the RSL Tailem Bend, but we need auto clubs, community groups and organisations, and anyone who wants to lend a hand to GET ON BOARD.

Railway Terrace will be closed for a line up of auto club cars coming from across the district and beyond, there'll be food stalls, merchandise stalls, music, and a secure kids activity zone (staffed and organised by Lifepoint Church). The Tailem Bend Hotel will have an outdoor seating area and we're hoping to include some games as well.

If you are interested in having a stall, or have an idea for something unusual please get in touch by calling our Event Manager: Katie Anderson 0411 332 772

# Probud Report

## MAY 2019

President Joyce Medlow welcomed 15 members to the May meeting. There were seven apologies.

### VISIT TO "AUSSIE APRICOTS" AND MYPOLONGA PRIMARY SCHOOL

The President summarised the Club's visit to Mypolonga on May 17<sup>th</sup> firstly visiting "Aussie Apricots", whose confectionery line is sold as far away as Western Australia. They then visited Mypolonga Primary School where Principal Rita O'Brien (a daughter of Probud member Anny Mussger) spoke enthusiastically about the school's much praised programme which centres not only upon providing a sound education, but also concentrating upon important character-building activities. The school's glowing reputation is such that there is a long waiting list for new students. Members opened their wallets at the school's highly successful retail shop, run by the students, which over time, has raised substantial funds that have gone towards purchasing resources for the school.

Members were highly impressed with the friendly and self-confident interaction between students and Probud members. We congratulate Madam President on having organised such an interesting and enjoyable outing.

The school visit was followed by a light luncheon prepared by the Mypolonga History Group at the immaculately presented Institute building, and President Medlow took the opportunity to induct Frank and Dianne Miller as new members to the club.

### 2019 PROBUD FRIENDSHIP DAY

President Medlow confirmed advance arrangements for the 2019 Probud Friendship Day, to be hosted jointly by Meningie and Tailem Bend Clubs and attended by several neighbouring clubs. This will be held at Motorsport Park, October 15, 2019. Joint Masters of Ceremonies are Bill Patterson of Meningie Probud and Neville Medlow from Tailem Bend.

### GUEST SPEAKER -TAILEM BEND COUNCILLOR - BRENTON QUALMANN

Guest Speaker Organiser Peter Connolly introduced Guest Speaker, Councillor Brenton Qualmann of Coorong District Council. A former "railway man" and long-time resident of Tailem Bend, Brenton told members that council is responsible for administering the largest council region in South Australia, covering an area of 8836 square kilometres, maintaining 2718 kilometres of roads, serving a population of 5380. No mean task!

Brenton, who comes from a "volunteer background", previously served on council in 1997 and now enjoys the responsibility of playing an important role in Council activities. He currently serves on several committees and panels.

Brenton said that his own personal agenda as a council member is "to reduce council costs by improving efficiency".

Next Meeting – June 17, 2019, Probud Tailem Bend is an organisation dedicated to fostering friendship and goodwill within our community? Why not join us? For contact details, please see "What's ON?" page in this edition.

Submitted by Bob Shurville

**ABOVE:** Peter Connolly, on behalf of members, thanked Brenton for his well-received and informative presentation.

## The Nitty Gritty - Cr Glynis Taylor

A lot has happened since the election in November. Council has created a number of new committees after many concerns were raised with what has been perceived as high rates. The Finance Committee consists of all elected members who delve into Council's finances with high levels of detail. An Infrastructure and Assets Committee has also been created to address how the asset management plans and capital works planning is tracked. Council has a number of issues to work through to reduce the burden of costs on the ratepayers and looking at the assets which Council holds, will go some way to addressing this. One of the problems with holding so many assets is, over a period of time they depreciate in value and need repairs or replacement. Money has to be set aside or borrowed in order to deal with this depreciation or replacement. One way to reduce this burden is to sell off excess assets which is something council might look at in the near future. One of our biggest and most costly assets of course, are roads. We can do very little to reduce the burden on the ratepayers for repair and maintenance of the unsealed road network, but hopefully adding extra grading will over time, bring the roads back to an acceptable level of use. We are currently working on next years budget and ultimately, the rates. The Audit Committee is a legislative requirement of all councils which acts as an oversight committee. It has three elected members and an external accounting expert - the Auditor. What is clear from the Auditor, is that council is currently in an unsustainable position and is in fact, in deficit. The original deficit was projected to be in the region of \$1.7m for the next budget year, but with some work, the elected members have managed to get this down closer to \$1.4m, with a commitment to reduce it further. That is not however, where it stops, as we are working hard to reduce the capital borrowings and amend and adjust the Long Term Financial Plan. There will be more regular updates in Tailem Topics for you all, now that the elected members have got through the mandatory training sessions.

# Lions Club

Sunday 16<sup>th</sup> June was the day of our hand-over luncheon at the Taillem Bend Hotel. Fifty Lion members and guests from all over the district turned

out for a fabulous day.

The handover ceremony saw President Joyce Holmes re-elected for 2019/2020, along with Lion Raylene Thomas as Secretary and Lion Lyn Simcock as Treasurer, followed by the executive committee. We wish them well for another great year and I am sure they will do us proud once again. Kevin Krueger was MC for the afternoon.

MP for Barker, Mr Tony Pasin gave the Toast to Lions International and District Governor Elect Tom Kimber, responded to the Toast. Mayor Paul Simmons of Coorong District Council, gave an address on how the Taillem Bend Lions have contributed to the community of Taillem Bend over the last five years.

President Joyce made a few presentations throughout the day; first was a donation to Lion Lew Webb - President Murray Bridge Lions Club, for their assistance at our recent Clearing Sale, followed by a certificate of appreciation to Daniel Nedelkov, a young volunteer in Taillem Bend who gives us a hand at our Den Sales, Auctions and whenever we need him, always there 100%.

Twentyfive wet weather suits were presented to Taillem Bend Kindy for the children to wear when outdoors during the wet weather. Taillem Bend Kindy Coordinator Jackie Venus, **(PICTURED BELOW WITH PRESIDENT, JOYCE HOMES)** was there to receive them on behalf of the kindy. The suits are blue and on the back, they have the Lions Club Logo. We can't wait to see the kindy children out and about in them.

We would like to welcome our two newest members, Bruce and Judith Harris **(ABOVE RIGHT)** who were inducted by District Governor Elect, Tom Kimber.

Throughout the day, guests and Lions members looked through galleries of photos, from a display put together by Lion Dwayne and Lion Lyn. A lot of memories from years gone by, especially "Frank's Pub" a name given to a gummi boat from the Gummi Races Day, which brought back fond memories for Frank Dean. Many guests and members reminisced.

Taillem Bend Lions would like to give a BIG LION THANKS to Frank and Alison Dean and Staff, of the Taillem Bend Hotel, for their catering and use of their Dining Room - it really was a great day!

Just a reminder: If your local organisation or club wants any help with upcoming projects, please contact us, we are willing to assist in any way that we can.

Honey is available from Lions: Reuben Gurney 8572 4730, Marion Martin 8572 4785, Margaret Eckermann 8572 3850, Raylene Thomas 8572 3367 and Dwayne Thomas 8572 3367.

If you would like to Assist your community in the valuable work that Lions do, please contact President Joyce Holmes 0421 908 724. or Past President Ian Eckermann on 8572 3850. regarding becoming a member or assisting with any of our individual projects.

# Snail Farm at Coonalpyn

## A small community is changing how we approach dementia care

In the Mallee region of South Australia, is a very special woman, passionately leading her community, and changing how we approach dementia care. Claudia Ait-Touati, from Coonalpyn, (**PICTURED RIGHT**) has spent years establishing Careship Coorong, a care farm that is providing people living with disabilities and dementia, a holistic alternative to traditional care.

Claudia is originally from the Netherlands, and migrated to Australia several years ago with her young family, where they settled in Coonalpyn. When her father was diagnosed with dementia back home, Claudia came across care farms. She was intrigued by the concept, which focuses on providing opportunities for sufferers to be outdoors, engaging all of their senses and interacting with nature, in a safe and relaxed environment.

'We see tremendous joy and pleasure in our guests, when they are able to help on the farm. They feel they are contributing their time and skills to a worthwhile cause, and we can see the benefit that a sense of self-worth and belief gives them. I have a background in disability care, and I can see really positive results from this approach to care.'

Careship Coorong is run by a dedicated group of community volunteers, operating a snail farm in Coonalpyn. Care farm guests assist with the breeding, feeding and harvesting of thousands of snails, which are destined for the tables of some fabulous Australian restaurants. The volunteers are currently hosting about ten guests on each visit.

Claudia's initial interest in care farming and dementia care grew into a real vision with many years of hard work, fundraising, and building a dedicated group of volunteers. 'It's amazing how those seeds of interest have grown over the years. It's so pleasing to see so many volunteers giving their time for others,' Claudia said.

'It is an ongoing battle to secure funding, and I spent many months studying how to write grants and proposals, and learning how to form a board, and the many legalities and requirements of forming an organisation such as Careship Coorong. Despite the many hours of work and some frustrating setbacks, every time we see the community coming together to support us and our guests, we know it's worth every minute of effort.'

Claudia is a very busy woman, like most dedicated volunteers. She operates a small business, the waffle shop at Coonalpyn (more about that success story in a future post), has a family to look after, and she is a tireless community volunteer. But most importantly, she is a great example what hard work and passion can achieve in small communities.

If you would like to support, or know more about Careship Coorong and its work, please phone Claudia on 0439

884 685, visit [www.careship.com.au](http://www.careship.com.au) or email Claudia at [careship@internode.on.net](mailto:careship@internode.on.net).

Coorong Tours are designed for groups and are farm gate based. Meaning, you and your mates can experience a behind the scenes look at the Snail Farm during your tour and have a chat with Claudia or one of the team.

# Murray Mallee Aged Care Group Inc

## Murray Mallee Aged Care helps Shape Aged Care in Australia

*Murray Mallee Aged Care Group Inc appointed to South Australian Aged & Community Services Australia Councils*

On the 12th of April 2019, Murray Mallee Aged Care Group Inc. Chief Executive Officer, Anna Howard, and Chairman of the Board, Morris Terrell, were appointed to the Aged & Community Services Australia (ACSA) advisory councils for Retirement Living and Regional, Rural, and Remote care respectively. In these roles Anna and Morris will play a pivotal role in representing aged care in Australia at a state and national level, particularly creating representation for the Murray Mallee region.

Appointment to ACSA committees is a highly regarded honour. "Our organisation's representation on these committees, offers us a genuine opportunity to give regional issues a strong voice at the national level. The goal is to influence change to that addresses our specific challenges" Howard and Terrell said of their appointments. This representation of the Murray Mallee region comes at a crucial time with the current Royal Commission into Aged Care.

- ACSA is the national peak body for mission-based providers of aged and community care in Australia
- ACSA supports over 700 church, charitable, and community-based not-for-profit organisations that provide services to over 450,000 older Australians.

• Advisory Committees act as a conduit between ACSA and our member organisations and play a pivotal role in supporting ACSA to represent the views of the wider ACSA membership. The new ACSA Advisory Committee structure is comprised of State Committees feed into National Committees.

• Anna Howard was previously appointed to the South Australian Divisional Council of ACSA on the 23rd of January 2019 and has been a member of the Home Care Advisory Committee since 2015.

Murray Mallee Aged Care Group Inc. (MMACG) was formed in 1994 after a group of community members recognised that there was a desperate need for specialized in-home services for ageing people in the rural and remote regions of the Murray Mallee area. Today, their Administration office is located at 2a Myall Avenue, Murray Bridge, providing a modern, accessible 'open door' environment with a secondary office situated at 10 Newton Road, Campbelltown. MMACG currently services approximately 180 home care clients and is in the process of building 50 Units, 'Warner Close Retirement Living', to be completed by the end of 2019.

Webster Pak - a tailored medication solution for you. Good Medication Management gives Peace of Mind. Webster Pak is the safe and simple way to manage medication.

Webster Pak reduces the risk of taking the wrong medication. The pack is a visible reminder to take your medication. It's easy for a loved one or carer to check if medication is being taken. The pack is sealed so the medication can't be spoiled, spilled or mixed up. It's suitable for all age groups and most importantly, it gives peace of mind to relatives, loved ones and carers. Whether you like Webster Pak for yourself or your elderly mother or father, talk to your doctor or pharmacist today.

# Vinnies CEO Sleepout - The Bend Action

The Vinnies CEO Sleepout is a one-night event held across Australia during Winter. Hundreds of CEOs, business owners, community and government leaders sleep outdoors to support Australians experiencing homelessness. Approximately 6,220 people are currently classified HOMELESS in South Australia, 1 in 5 are aged between 25 and 30 years, and 60% are men (Law and Justice Foundation of New South Wales 2019). Each CEO Sleepout participant commits to raising thousand of dollars to help Vinnies provide essential services to the people who need it. In 2018 Vinnies raised 6.9 million and the current total (at 9:30am 21st June 2019) is \$7,010,172 of a \$7m target.

Last night (Thursday 20th June), 96 "CEOs" slept (or rather didn't), including me on concrete at Sultram Place in central Adelaide raising \$651,524 (so far). It was one of the coldest nights of the year (so far) hovering between 5 and 6 degrees. For the first time in its 8 year history, the venue had a roof. Previous locations have included the lawns of Government House and the pitch at the Adelaide Oval. I think in a way I got off lightly. Possessions were strictly limited to a sleeping bag, a pillow and whatever we could wear. Cardboard was provided along with endless tea, coffee, hot chocolate, fresh fruit, energy bars and water. The evening started with official photographs, registration, then hot soup in Vinnies mens crisis centre next door at Whitmore Square. We then had some sobering videos, talks and presentations from people who have experienced homelessness and who wanted to share their story. It's not too late to donate: <https://www.ceosleepout.org.au/fundraisers/glynistaylor/adelaide>

## QUOTE OF THE MONTH

\*\*FOLLOW YOUR DREAMS...

THEY KNOW THE WAY...\*\*

**MEDIA RELEASE - 13<sup>th</sup> June, 2019**

### **The Bend seeks to keep Victoria Park Sprint alive**

On learning about the changes to the Adelaide Motorsport Festival (AMF), The Bend Motorsport Park, has fielded countless enquiries by passionate motorsport fans to support the event.

Managing Director at The Bend Sam Shahin has met with organisers and is determined to see the growth in motorsport in South Australia continue, stating "the AMF has been fantastic for motorsport fans in SA and around the country and it would be a shame to see some of the activities fall away."

"It's been humbling to hear encouragement and calls of support from so many people, who have asked how The Bend Motorsport Park can play a role. As a result we are opening Registrations of Interest for drivers and categories who want to participate in The Bend Classic, a sprint event at The Bend."

The Bend Classic is scheduled for the weekend of 7-8 December 2019 at The Bend, and will provide an eclectic mix of categories for participants to continue to have a speed event for historic and performance oriented vehicles that typically don't compete on a regular basis.

There is particular interest to keep the spirit of F1 alive with an invitation for historic F1s to still come and roar in South Australia.

By mid-July The Bend will announce further details on event scheduling and categories following registrations of interest.

"There will be thousands of people travelling from interstate and locals enjoying the continuing aspects of the festival like the Shannons Adelaide Rally, and Street Parties. They can come by and stay at the park on their way to Adelaide or come up for the day to spectate or participate in the sprint. We hope the event will be supported and if we can play a role we will relish that opportunity."

Motorsport fans will not have to wait until December for track action, as amongst other events, The Bend has already hosted the Australian Motor Racing Series (June 21-23) and next month is the Shannons Nationals (July 12-14) in the lead up to when the Supercars are back in South Australia for the OTR SuperSprint (August 23-25).

The State Heritage Listed Tailem Bend Railway Station is an iconic building that played an important part in the early years of the South Australian Railways and the establishment of Tailem Bend.

Centrally located in the heart of Tailem Bend the Railway Station operates as a Visitor Information Outlet and rail museum seven days a week.

With the opening of the Tailem Bend Motorsport Park the region has seen an increase in visitors. The Tailem Info Station is looking for Volunteers to assist with a range of tasks and duties that will profile Tailem Bend and neighboring towns making the region a more friendly and desirable destination and for our visitors.

Enjoy the benefits of working with like-minded people, gaining new skills and knowledge, giving back to the community and gaining a sense of belonging!

## \*\*\*\*\*PANGARINDA BOTANIC GARDENS – JUNE 2019\*\*\*\*\*

Pangarinda Botanic Gardens recorded 29ml of rain in the second week of June, the most received since November 12 months ago. It is amazing how quick the plants have responded to this much needed rain. Plants that were looking very dry, are showing green leaves, some coming into flower.

If walking the gardens take a longer walk to the back west corner to see the two forms of *Eucalyptus caesia* flowering. *Eucalyptus caesia* \*subsp magma\* a tall weeping tree to 6m, with bluish grey leaves, red to dark pink flowers hanging amongst glaucous clusters of seed pods. Known as Silver Princess. *Eucalyptus caesia* \*subsp caesia\* has a more open appearance, smaller leaves and buds, with lighter pink flowers. A very pretty tree. The Minniritchi bark adds beauty to both. Native to Western Australia found growing in Granite rock habitat.

# Coorong Gallery

A new exhibition that twists the viewer's perception of reality will be unveiled at the Coorong Gallery this month. Robyn Stacey: Ray of Light will be on display at the Coorong Gallery in Taillem Bend from 14 June – 26 July 2019. The exhibition features eight large-scale camera obscura photographs by the contemporary Australian artist Robyn Stacey, **PICTURED LEFT**.

First shown as part of the 2016 Adelaide Biennial of Australian Art: Magic Object, Stacey's mind-bending camera obscura photographs depict an optical device of wonder, whereby the external world is trapped and inverted within the room.

Included in the exhibition are camera obscura photographs of iconic and well-known sites around Adelaide, including the Brookman Building at the University of South Australia, Carrick Hill, The Cedars at Hahndorf, the Institute Building, The Lighthouse Wharf Hotel in Port Adelaide, Parliament House and the South Australian Health and Medical Research Institute (SAHMRI). In the artist's words, these bewildering photographs become "a mash up of inside and outside".

"Robyn Stacey is a highly regarded artist and it is great news for the Coorong Gallery to be hosting this exhibition in partnership with Country Arts SA, the Art

Gallery of South Australia and the Regional Galleries Association of South Australia," Mayor Simmons says. "Rarely do we see works like this exhibited in our region and we look forward to sharing them with locals and visitors alike."

This exhibition is part of a regional South Australian tour presented in partnership with Country Arts SA, the Art Gallery of South Australia and the Regional Galleries Association of South Australia.

## Bowel Cancer Screening Awareness

Health organisations are urging all country South Australians aged over 50 and those who have any potential bowel cancer symptoms to 'Get Screened and Get on With Living' as part of the National Bowel Cancer Screening program.

Keen to help spread the word is 48 year-old Clare viticulturist and father of four, Scott (Scooter) Smith (below right). A few years ago Scooter had what he now knows were bowel cancer symptoms. He didn't think too much of it at the time and carried on. But when Scooter continued to have blood in his stools, he knew he needed to get himself checked out.

Scooter went to see his GP. A few days later a colonoscopy revealed he had a tumour the size of a small apricot and was told it was more than likely cancerous. He had a CT scan straight after, to see if the cancer had spread.

"Waiting for those results was the worst four days of my life. There were definitely a few tears with my wife and my four kids," said Scooter. "I didn't know

where else in my body it had spread and all the worst possible thoughts go through your mind when your mortality is questioned."

Four days later we found out the cancer hadn't spread. Scooter was booked in for surgery the next day to remove the tumour and 40 centimetres of bowel, along with 19 lymph nodes around the bowel. They were sent away to pathology, five days later, he was told that the cancer had spread into only one of the lymph nodes, which was situated next to the tumour. The rest were clear.

Scooter's message is shared by the 'Get Screened and Get on with Living' campaign developed in partnership between Cancer Council SA, Country SA PHN and Adelaide PHN.

"We're very pleased to be involved in encouraging country South Australians to get screened. It's very important that we help spread this message as much as we can. The simple test literally helps save lives," said Kim Hosking, Country SA PHN Chief Executive Officer.

"If I hadn't gone into my GP when I did and waited until I had my routine screening at 50 years of age, it could have been too late. The cancer wouldn't have been detected until I was at stage four and nothing could help me then. I was statistically at a stage three instead," said Scooter.

He added, "I can't encourage people to get tested strongly enough. Don't ignore anything. Listen to your body – if something feels not quite right, chances are they're not and you need to get checked out.

### THE RIVER - HELLER Peter

A gripping tale of man vs nature, and the destructive power of revenge. TWO FRIENDS Wynn and Jack have been best friends since their first day of college, brought together by their shared love of literature and the great outdoors. THE ADVENTURE OF A LIFETIME When they decide to take time off university and canoe down the Maskwa River in northern Canada, they anticipate the ultimate wilderness experience.

No phones. -No fellow travellers -No way of going back. A HELLISH RIDE But as a raging wildfire starts to make its way towards them, their idyllic expedition becomes a desperate race for survival. And when a man suddenly appears, claiming his wife has vanished, the fight against nature's destructive power becomes entangled with a much deadlier game of cat and mouse. Because the only thing more dangerous than a burning forest is a man's thirst for revenge...

In an effort to ensure the safety of the Tailem Bend playground train, Coorong District Council recently resolved to invest \$30,000 into safety upgrades of the train. The works will ensure that the vintage locomotive can continue to be enjoyed by children for years to come, and will include fencing the boiler section of the train, installing soft fall at the base, and installing new access stairs to the back cab.

The safety works are likely to start later this year, with the intention that the train will be ready to re-open to the public before peak visitor season from October onwards.

# Thomas Foods International Rebuild

Thomas Foods rebuild will lead to thousands of jobs  
Member for Hammond Adrian Pederick welcomes Thomas Foods International big announcement that it will build a state of the art meat processing facility at Murray Bridge.

Thomas Foods International Chief Executive Office Darren Thomas has today confirmed the new facility will be built 10km outside the town on a greenfield site.

True to their word Thomas Foods will rebuild in Murray Bridge.

It is estimated several hundred million dollars will be spent on the new facility to replace the previous facility which was destroyed by fire on January 3rd last year.

Mr Pederick said "the fire of January last year was devastating for Murray Bridge and surrounds, however this resilient community has survived and will now go from strength to strength given this exciting announcement."

Thomas Foods is Australia's largest 100% family-owned meat processor and expects to create around 2000 jobs at this facility.

"I'm sure livestock producers across the state will welcome this announcement as a sign of certainty for the industry going forward."

"Intense and sustained lobbying resulting in commitments for road infrastructure and utilities access from both the Marshall and Morrison Governments have helped enable this announcement."

"I see this as a vote of confidence for Regional South Australia and the conditions the Marshall Liberal Government are

creating to enable greater investment" Mr Pederick said.

"This will be a massive boost to the local community and the flow on effects for the local economy will be seen for decades to come."

# Thought for the Month

## Psalm 27

Ever thought about what it would be like, never to worry or get anxious about anything? It matters not what season you are in life, worries have a habit of creeping in.

Blessed are those people, who have learnt a secret, take everything to God in Prayer.

In Psalm 27, David tells us about his life and some of the incidents, that cause him to be concerned, but then he reminds himself that God is his champion.

What a place to come to, as we understand that God is for us, and we can live with courage and face whatsoever, comes our way. He is a God who calms our fears.

He is also, a God who strengthens us.

Psalm 18:32, it is God who arms me with Strength and makes a way. He gives us strength to move forward with confidence, knowing that He is with us.

Remember He is there to listen to us, Always Praise Him,

No Matter what difficulty or situation arises, Give Thanks.

Pastor Kathleen
