The Taillem Bend Street Party!

The main street of Taillem Bend was bustling with activity on Thursday 6th May, as locals and visitors alike celebrated the return of the Supercars to The Bend Motorsport Park as part of the 2021 OTR SuperSprint.

Lead by Coorong District Council, the Taillem Bend Street Party and Markets attracted approximately 1,000 people to the COVID-Safe event. Event patrons were treated to a spectacular sight as all 17 Supercars transporters, plus the official pace car paraded down Railway Terrace and through the street party.

Supercars also supported the event by providing driver signings and informal chat in the Taillem Bend Town Hall. Drivers Todd Hazelwood, Will Brown, Brodie Kosteki and former driver-turned media personality Garth Tander shared amusing stories and were keen to interact with fans.

The street party and markets were supported by some fantastic food traders, with Heavenly Hotdogs proving to be popular as well as Taillem Bend Football and Netball Club's hot donuts.

Local band ARKIVE entertained the crowd with classic rock tunes, and the 'Banana Man' captured the attention of many young ones who could be heard laughing at the musician's quirky songs and jokes.

An impressive display of classic cars, vintage machinery, motorbikes, lawnmowers and remote-control cars demonstrated Taillem Bend's own lively interest and love of anything with an engine (supported by Taillem Bend Auto Club, Taillem Bend SA Motorcycles, Lower Murray Vintage Engine Club, SA Lawnmowers Association and SA Large Scale RC Car Club).

Coorong District Council sincerely thanks all artisans, stall holders, exhibitors and locals who took part and helped to make the event a success.

The Changing Face of Taillem Bend #108

Brian McLoughlin and the Rowing Club.

When we talk about the Taillem Bend Rowing Club it's very hard to not include Brian "Jack" McLoughlin in the Club's outstanding achievements.

Brian was born 8/4/1932 at Glendo - Lough Pompoota Farm. He arrived in Taillem Bend in 1953 where he joined the South Australia Railways and retired after 34 years' service. He started as a Porter and was promoted to Assistant Shunter, Guard and finally the position of Yardmaster.

He married Margaret Chaplin in 1954 and the couple were blessed with 7 children. Mary, Michael, Christopher, Liz, Gabby and twins Andrew and Catherine.

For his strong community commitment he was awarded Citizen of the Year in 2004, add to that in 2015 he was presented an all Australian Sports Clubbies Accolade, and the inscription read Best Club Stalwart Brian "Jacky" McLoughlin Taillem Bend Rowing Club. Also he managed to spend many hours as maintenance man at the Taillem football Club.

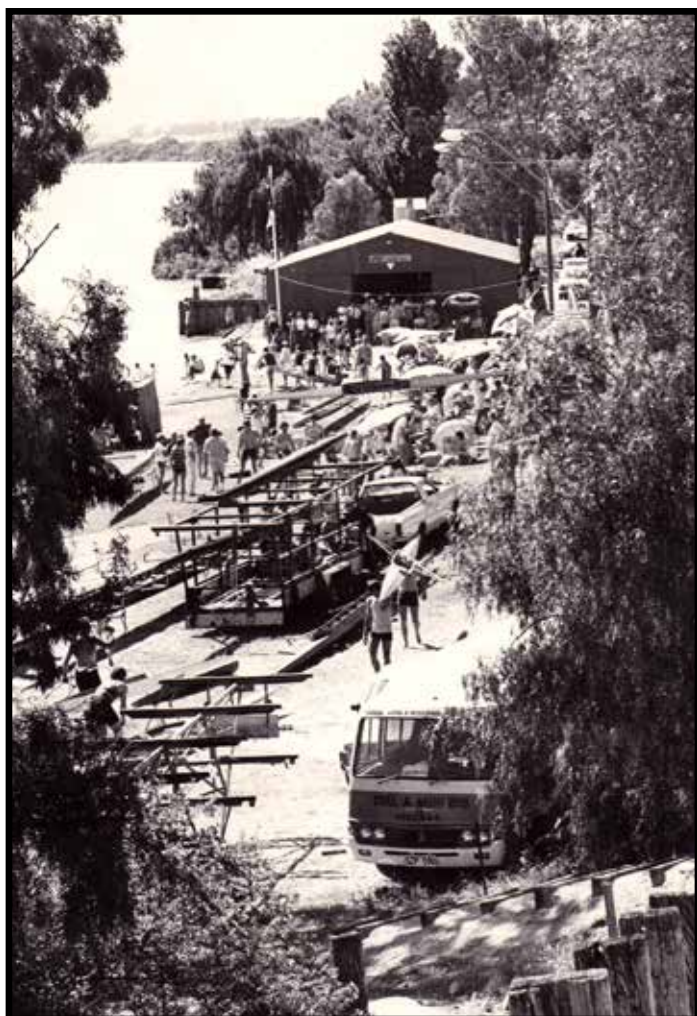

ABOVE: Brian McLoughlin.

He reminisced about his 14 years with the Ambulance Brigade when he would get calls day and night to drive someone to the RAH. It was on the old road that had many twist and turns and the ambulance wasn't all that streamlined in those days. On one occasion he had the Matron with him who was urging him to go faster saying we will lose our patient!!! His reply was 'I can't I'm doing 120 MPH on this nightmare road as it is!!!! Mission Accomplished, made it on time with the patient.

Rowing Club Achievements

Taillem Bend rower Matthew McDonald beat Mannum's Sunny Lombardi by four seconds at West Lakes to take out the U14 State Schoolboys title. This was Taillem Bend Rowing Club's first State schoolboy title. In the 4th grade Taillem's men's fours ran a close second to St. Peters College going down by just 3 seconds. In his first sculls race Kim Tomkinson finished second to Mannum, as did McDonald to Adelaide Rowing Club in the 4th grade men's scull.

Neville Lokan normally a strong rower was slowed in the open men's scull competition finishing 5th after celebrating the birth of his daughter Ellen Lee the night before.

The Changing Face of Taillem Bend #108

Taillem Tops Country Rowing 16/3/82

The local Rowing Club has won the Country Premiership for the second successive year, with one regatta remaining before the end of the season.

It is the third time the club has won the title since it was reformed 15 years ago, the other was 1973/74. The premiership was assured with a good win by the clubs maiden fours crew in a regatta at West Lakes. The club was told after the regatta by a SA recorder that Taillem Bend had clinched the premiership, even though the final points scores would not be released until later in the month.

It was known however that Taillem had exceeded 100 points for the season and had won the title the year before with less points. Coach Brian McLoughlin said he could not attribute the premiership win to any one thing. He added that Taillem people are generally good at sport, overall in summer games cricket is doing very well and tennis has teams in the final.

Taillem oarswomen won their first race in Division One defeating Scotch College by half a length, Taillem Women finished 4th in Div. 2 and third in Divvy 3. The season's final Regatta was held at Pt. Adelaide where Taillem nominated crews in nine events.

Back to Taillem Bend 1981

Highlight of the celebrations turned out to be the culmination of an 8 year battle by the Taillem Bend Rowing Club to build a new boathouse on the foreshore of the River Murray. The original Boathouse was built by Squatters lease in 1913, and when the need for rebuilding became obvious the site for the new premises became contentious. Mobilong Council, Highways Dept., Lands and Marines all laid claims to various areas. Finally a 22 year lease was obtained from the then Meningie Council (Now Coorong Council based at Taillem Bend) A grant of \$6,000. was obtained by club members through the Australian National Railways, and because of a variety of club social events a further \$4,000 was raised for the new premises to go ahead.

ABOVE: Just a few of many Trophies on show!

ABOVE: Christopher McLoughlin (cox), Girls Crew L to R. Vicki Connolly, Raylene Corner, Tina Lawson, Jill Stapleton.

The new boathouse gave the rapidly growing club more space for it's rowers, as many of them travelled long distance's from their farms etc to attend regular training sessions for competition during the season. The new boathouse was opened on Oct. 11 by District Council Chairman Mr. Ron Hughes.

Buying the "Eight" 1981/82.

The local rowing club will now be able to compete equally with other clubs in eight oared events following its purchase of a racing shell from Scotch College.

The club bought the boat immediately after finishing a close second by a metre in the maiden eight at West Lakes. The maiden four crew won its event easily from five other competitors.

Taillem's top women's crew won division 2 and also finished second by only half a length in division one which was won by Lakeside. Taillem were once again second in the novice and youth fours but showed enough skill to be soon first over the line.

Thanks Brian, wandering through your club house showed me clearly what amazing success and vital history the club has developed over many years, no doubt because of keen rowers and good stewardship. Plenty more about the rowing club with more records and plenty of photos in another edition.

Next month Sister Michele Madigan is along with her life and times and much more in the pipe line to come. See you then, in the meantime we remember a Taillem Rowing Club Motto.

Start rowing with your hearts"*

Tailem Bend Christmas Parade Committee

The TBCP committee met on the 19th of May to discuss ongoing preparations for this year's parade. (*fingers crossed*) As more and more COVID-19 restrictions are lifted we are quietly hoping that any restraints to public entertainment will be a thing of the past by December 11 this year.

Many of the regular favored food vendors and entertainment for the children have been booked. With more to come. If you are a stall holder and would like to display your wares on the day, please contact Maxine Kiddie 0439 387 750 we would love to have you join us.

If you would like to be a sponsor our parade, which by the way would be very much appreciated you can also contact Maxine on the above number. Sponsorship of cash and donations of goods are especially important to us. As you may or may not be aware, this is a free event for the children of our community, and we rely totally on fundraising for the parade and entertainment to go ahead each year.

Speaking of fundraising, this year's cabaret tickets are now available at just \$25 per head. Call Maxine on 0439 387 750 to book your place now. The numbers are limited to 200 so get in quick so you do not miss out! Rock n Roll!

To make the transaction easier, tickets can be paid via bank transfer BSB 105 060 Acc# 0359 03140

Mischief and Mayhem have been busy again. This year they will be hosting an Adventure Walk during show week. Kids will be able to pre order a show bag ready for a fun walk down the main street of Tailem Bend visiting participating vendors to gather bits and bobs for their bag.

Order forms will be available at our community schools from the 4th Sept - 9th Sept with the walk taking place on Friday the 10th Sept. Bags will be \$5 each and will include a snack a toy and a drink as well as other stuff to be collected. All monies collected will go towards the 2021 Parade.

Mother's Day Raffle winners were as follows:

Brian Lloyd, Pat Holmes, Ben Black, Tony Smith

Thanking everyone for your support!

Once again, we are calling out for behind-the-scenes parade volunteers. We **NEED YOU!** We are a small committee with much to organise on the day of the parade. Traffic controllers, help with construction, machinists for costumes, help setting out the food vans and stall holders.

Does this sound like something you could do? Please, we would love to hear from you.

The next meeting for the TBCP will be June 16th followed by dinner for those who'd like to join us down at the Main Street Hotel. It's such a great way to get to know your neighbourhood and neighbours.

Have a great month!

Santa's little Helper.

Bush Walkers visit Pangarinda Botanic Garden

Editorial by Kaye Bartlett.

While spending six days at Meningie walking the walking tracks of the area, 40 of the ARPA Bushwalkers group headed to Wellington with half the group leaving cars at Placid Estate Road and walking the Heritage trail to Pangarinda.

The others crossed the ferry to visit Murrundi Reserve bird hide before walking to Pangarinda meeting the other members for lunch and walk around the garden. After a welcome and history of Pangarinda by Kaye Bartlett walkers went off to find seating to eat lunch. The seating at the information centre doesn't cater for large groups. Something we need to rectify as visitor numbers rise.

Comment after their walk was it certainly is "*Our best kept secret*" all very impressed, many hoping to be back for a longer visit. They then walked the Heritage trail the opposite way to how they arrived.

ABOVE: Photo taken by Paul Bartlett of the walkers at Pangarinda listening to a talk on the garden.

The ARPA has 1600 members with Bushwalkers only one of the many very active groups within ARPA. Sounded very well organised. There are four levels of walks within the Bushwalkers A B C D. A the longest and most difficult while C easier with limited distance.

Mischief & Mayhem – This Month's Recipe

The Taillem Bend Christmas Parade Committee, feature article by Jeanette Kozikowski.

Our talented cook for June is Glenys Cocks.

Glenys, who was a long-term resident of Taillem Bend now lives in Murray Bridge and celebrated her 85th birthday earlier this year. She arrived in Taillem Bend in 1960 with her husband Merv and three sons, Stephen, Kym and Tony. Her youngest son Randell was later born in Taillem Bend. The boys played cricket, football and the family enjoyed being involved in the community.

She then joined the staff of Taillem Bend Primary School as an SSO, working in the Library, in the classrooms and also with students who needed extra care, supporting them with cooking, art, speech programmes, life skills and general learning programmes. She found her role very rewarding and she was a popular presence at the school for 26 years. I'm sure many former students reading this now would remember Mrs Cocks fondly and there would be a story or two to tell.

Glenys worked at the Taillem Bend Bakery for seven years and also waitressed at the Taillem Bend Hotel and the Riverside Hotel.

On school camps, Glenys was not only the first aid support person, but she was also the cook. This was quite a job with many mouths to feed but she handled it well, often ably assisted by Mrs Dani Schubert (nee Pierotti). Spaghetti Bolognese was always a favourite, but Glenys's expertise in the kitchen extended far beyond the ordinary.

Before the days of KFC, Glenys would cook 'Battered Rabbit' for her boys, which they always loved and she is sharing this recipe with us. Rabbit, a white meat was quite a popular meal in days gone by. It is lean and tastes a bit like chicken although it has a stronger, earthier flavour. A family friend, the late Chris Miegel would often provide the rabbits. Chris had two ferrets, one named Glenys and the other named Rene (*sorry Rene*). Ferrets are long sleek animals and the perfect size to fit into a rabbit burrow and chase the rabbits out into a net and this is one way of catching rabbits.

ABOVE: Glenys Cocks.

BATTERED RABBIT

1. Place the rabbit on its back and cut slightly into the back legs and remove them. Remove the front legs in the same way. Cut open the rib cage and remove the organs. Halve the rabbit and cut it into cutlets.
2. Soak the rabbits in salt water and boil with a diced onion until tender. Cool and remove from the water.
3. Make a crispy batter with egg, water and self-raising flour.
4. Deep fry the battered rabbit pieces and serve with mashed potatoes or chips and salad.
5. Keep the stock as it makes a great pea soup!

If you have your own family favorite and would like to share contact us via the Taillem Bend Christmas Parade Facebook page, or by email to Taillem Topics

One recipe will be chosen for the Taillem Topics each month and will then be replicated onto a calendar for 2022!

Tailem Bend RSL Sub-Branch

Report by Glynis Taylor.

A Journey of Discovery onboard the Captain Proud.

The RSL Tailem Bend in partnership with the Tailem Bend Primary School, and thanks to a significant community grant of \$2,000 from the Coorong District Council, took 47 children and 11 adults from Murray Bridge to Tailem Bend on board the Captain Proud. The journey was aptly named the Voyage of Discovery. The day was themed around Anzac Day, and the indigenous cultural significance of the River Murray between the two locations. The children completed a couple of educational tasks, for which prizes were awarded, enjoyed a two-course cooked lunch, and had frequent opportunities to engage in indigenous learning.

The RSL Tailem Bend would like to sincerely thank the Tailem Bend Primary School, the Coorong District Council, the Captain Proud and her staff (*in particular Daniel Gilmour and RSL member – Captain Colin Williams*), Link SA, Tony Pasin MP, and the volunteers of the RSL Tailem Bend whose hard work and dedication made this day possible.

The Tailem Bend RSL Anzac Award 2021

On Friday 30th April, the RSL Tailem Bend President Chris Taylor, attended the Tailem Bend Primary School to present the inaugural Tailem Bend RSL Anzac Award.

This award will be a perpetual award presented annually to a student in consideration of the school's curriculum pertaining to World War 1, Gallipoli, and our ANZACs. Their class work, research, project presentation (*their work is currently on display at the RSL in Tailem Bend*) and oral knowledge is used for their assessment, with a book prize presented for the winner to keep. The winner has their name inscribed on a plaque attached to the award, which is a limited-edition bronze statue, of a World War 1 infantryman of the Australian Light Horse.

The winner for 2021 is Chas Harrowfield of Year 7. Congratulations to Chas, and to all students who worked so hard in 2021 to produce some outstanding work.

"I now own four cars and four bikes and two trikes, most of them run and are used at different times about the place. My Chrysler AP5 Valiant (*Produced by Chrysler Australia from 1963 to 1965 it was the third Chrysler Valiant model to be produced in Australia*) was a three-year project that I've owned for about seven years now in total."

"I've had my old Shovel Harley for over 40 years, it has been rebuilt twice and I'm still riding it today - it's a 1981 Sturgis, one of 1,680 made that year."

"I've fully restored a 977 z50 Honda (*Commonly called the Monkey or Gorilla mini bike because of its small frame that cramped the rider's posture, suggesting a simian crouch. Sales of the bike began in March 1964 with the Z50M model with production ending in 2017*) it's not quite stock, but it does fit nicely into my campervan for times when I'm traveling."

"I also have a few chook chasers in need of some work, heaps of spare parts and plenty of projects to keep me busy - oh, and I have a trusty 4WD Toyota 4 runner I've had for 38 years."

COORONG Council News

From the Chamber

Items of business from the monthly Council meeting on 18 May 2021 included discussion of a potential public toilet facility within the Tailem Bend train playground. At present there is no accessible connection point for wastewater disposal; Council has agreed to investigate further and conduct a feasibility study for placement of a standalone toilet and septic within the playground.

Council will also review its list of breastfeeding friendly facilities within the district and make this information available to the public on its website.

The proposed fee structure for 2021/22 dog registrations was agreed upon by Council, which will see registration fees for the next financial year remain the same as current charges.

Council will submit a \$1.53 million funding application to the Special Local Roads Program to upgrade Carcuma Road. If successful, the sealed portion of Carcuma Road would be widened, a further 2km of seal constructed, and corners widened to enable heavy vehicle movements.

Council also approved its unsealed roads capital works program for 2021/22. A full list of roads can be found in the May 2021 Council meeting agenda.

Projects Update

Repair works to the **Meningie North Jetty** will take place in June to replace some of the existing boards. Once complete, access to the jetty will be improved for the benefit of all users.

Works have commenced on the **Tailem Bend public toilets** upgrade, with underfloor plumbing, septic tank and concrete slab completed. The building is to be delivered in late May and the project will be fully completed by end of June 2021.

Tailem Bend public toilet upgrade underway.

Consultation on transformation of the **Wellington East Reserve** has now closed and feedback is being reviewed. A report will be provided to the landscape architects, incorporating changes to the design based on feedback received. Project construction is expected to be completed before the next summer holiday period.

Is your property's street number visible from the road?

Help our emergency services keep you safe by ensuring your house or property's street number is clearly visible to road users and emergency service vehicles.

Have Your Say

Considerable upgrade works have recently taken place at the Coonalpyn Soldiers Memorial Swimming Pool (assisted by Commonwealth funding), with further work to the pool building soon to be carried out.

Council is now considering a **more inclusive name for the Coonalpyn Soldiers Memorial Swimming Pool** - a facility which services the entire Coorong district community. Members of the public are invited to submit their name ideas.

Feedback can be supplied in writing addressed to the CEO by email or post, or visit Council's website to complete a short survey. Feedback is invited until 30 June 2021.

BOOK REVIEW

Rebel Women Who Changed Australia

DE VRIES Susanna

Visionaries, pioneers, activists and artists - women who made a difference to Australia

An updated and condensed edition of Susanna de Vries' Great Australian Women, this is a celebration of women who broke the mould, crashed through the ceilings, and shaped the nation in the fields of medicine, law, the arts and politics.

From Lillie Goodisson, pioneer of family planning, to Eileen Joyce, world-famous pianist, Enid Lyons, our first female cabinet minister, Stella Miles Franklin, who endowed our most celebrated literary prize, and Catherine Hamlin, who has given hope to thousands of women through her fistula hospitals in Africa, these are women who have made a difference. They are the women who helped to forge the Australia we know today.

PROBUD CLUB REPORT MAY 2021

Report by Bob Shurville and Neville Medlow.

Immediate past President Joyce Medlow chaired the meeting on 17th May due to the absence of Bob Shurville – in hospital. Joyce welcomed 22 members and guests to the meeting and had pleasure in inducting 3 new members, Bev Moyes, Veronica Tobiassen and Pam Green, with Don Green to be inducted at a later meeting.

SOCIAL OUTING

Functions Officer Joyce Medlow gave details of the upcoming visit to Newman's Horse Radish Farm and the Oasis Gardens Restaurant on Friday 18th June. Joyce with Helen Bowering's assistance has worked out an itinerary and menu details. The planned event was enthusiastically received by members. Car-pooling would be organised.

GUEST SPEAKER

Joyce Medlow introduced the well-respected Noel Johncock from SA Ambulance who gave a very interesting and informative presentation regarding the purpose and use of A.D.E. (Automatic Electric Defibrillator) machines which are now located at strategic positions around town including outside the RSL, in the Main Street Hotel, OTR Service Station and sporting clubs. These machines might be rarely used, but when they are used, they save lives.

Peter Connolly thanked Noel on behalf of the club and presented him with a Probud pen and a Certificate of Appreciation. Noel drew the Lucky Door Prize, the winner being Wes Gowland.

2021 ANZAC DAY Wellington

Submitted by Shay Medlen on behalf of the Wellington Progress Association.

The WPA held an amazing Anzac Day Dawn Service from the middle of the river in front of Kropinyeri Street (500 metres downstream from the boat ramp) where our eldest resident from World War 2, Veteran George Heath could hear the service broadcast from the boat via a PA System. Residents along the river front opened their homes to those wishing to view the service from the riverbanks and many attendees had either a torch or candle to light up the river frontage.

George who is in his 98th year, was flanked by his family members and friends who were once again honoured to be a part of the ANZAC tradition. Special memories also of other veterans in the family as well as several returned servicemen currently residing in Wellington.

ABOVE: George Heath surrounded by family and friends.

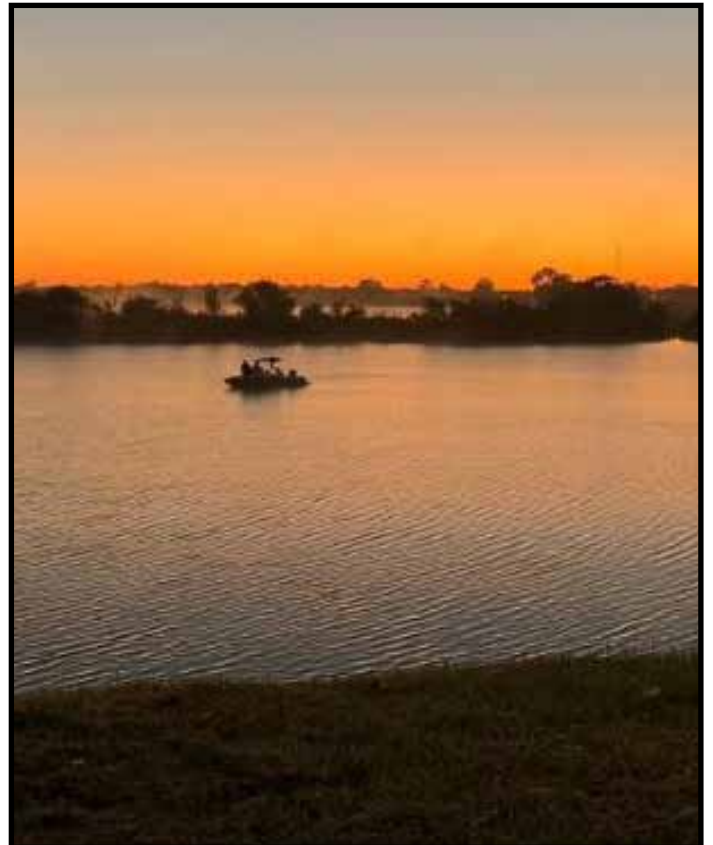

ABOVE: ANZAC DAY service recently held at Wellington commencing at 6:15 am in the morning.

ABOVE: George Heath.

George had a long and distinguished career as a gunner in the Second World War in France and was awarded the Legion of Honour Medal for his services to France in November 2015. No British Medals were ever awarded to Australian servicemen, so George feels very honoured to have received this medal. He is cared for by his daughter Wendy after having lost his beloved wife Beth in December 2019 after 63 years of marriage.

Your Defining Moment

Presented by Tracey Woitdt on behalf of the Lutheran congregations of Tailm Bend, Karoonda and Buccleuch, served by Pastor Tony Traeger.

Our life is made up of many moments. You may not think what you have done has made a difference today or tomorrow, next week or even next year. Maybe you waved to someone, had a conversation or a coffee with them, helped someone or offered a word of encouragement. Maybe a decision you made had a more visible difference; sowed a crop to feed the world, fixed a mechanical problem to get someone going again, helped someone through a problem, maybe you just listened when it was needed the most.

We don't know the legacy of these moments. While we are here on this earth, we don't know the impact one moment will have on another person. Will it be our defining moment? Will it be one that our life is measured and remembered by?

Jesus had a few defining moments of His own. He left His Father in heaven and became human, being born in a stable in Bethlehem. Being fully God and Man at the same time, He healed the sick, raised the dead and performed a few miracles as well. He ate meals with his enemies, listened to people, gave them hope, showed them love and compassion, served them, walked and talked with them, revealed God's Word to them. And then Jesus who had no sin, died a sinner's death on the cross for you. He took our place, so we didn't have to be eternally separated from God because of our sin. The ultimate gift of divine love. His death and resurrection grants us access to heaven. There is absolutely nothing we do to earn it or deserve it. It is unconditional and all by His grace.

Jesus is the unchanging constant in this rapidly changing world and His sacrifice has an eternal impact for you each and every day. His death for you was God's defining moment for you.

Blessed be the God and Father of our Lord Jesus Christ! According to his great mercy, he has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead, to an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you, who by God's power are being guarded through faith for a salvation ready to be revealed in the last time.

MMCPN new car has arrived!—The Taillem Bend Community Centre is now the proud owner of a brand new Toyota Camry. This is our fifth vehicle purchased to provide medical transport to Murray Mallee Community Passenger Network consumers. This now means a CPN car will be permanently based in Meningie. We are always eager to hear from prospective volunteer drivers. If you think you can help out your community, and would like to get involved, please visit our website <https://www.murraymalleeepn.org.au> or call 08 8572 3513 and ask for Sam.

Monarto Zoo—What a treat this was! Our first social group outing since last year, due to Covid-19. It was such a beautiful day, with fabulous weather and even better company. A bus load of 30 departed TBCC at 9am and arrived for scones, jam and cream, before getting back on the bus to enjoy a guided tour around Monarto Safari Park. Lunch was served and then we headed to the chimpanzee enclosure, before heading home.

Keep an eye out, as a trip to the Coonalpyn Silos is in the works!

TBCC Update—We are looking for administration, reception and catering volunteers to join us. Please get in contact with us, on 08 8572 3513 to discuss any future opportunities.

Membership registrations are due for 2021/2022. The cost is \$5.50 per annum, which includes: 50% off service charges, bi monthly newsletters, birthday card and voting rights at general meetings.

Community Home Support Program—HACC funding concludes 31 July 2021. People under 65 (50 ATSI) need to register with the NDIS for services—call 1800 800 110 or visit <https://www.ndis.gov.au/>.

Save the date for Aging Expo—Friday 15 October 2021, Taillem Bend Town Hall & Willow Street Precinct.

We have plenty of frozen roast meals available for CHSP consumers: 65+ years (or 50 ATSI). Roast chicken, beef or lamb, with roast veges and gravy, \$4 each.

Koenig Laser Machine—We are very excited to welcome a Koenig Laser Machine to the list of tools and machinery we have on offer at TBCC. This machine has the ability to cut and etch on plastic, wood, leather, paper and glass. If you are interested in learning how to use this machine, please call Lauren on 08 8572 3513 or email info@tbcc.org.au

Hay bales—As the saying goes, 'save the best for last' and we certainly have done this for the hay bale displays. Our final theme honoured the ANZAC Men, Women and Animals. Thank you to MP Tony Pasin for volunteering at TBCC and helping to cut out the silhouettes, which were donated to Taillem Bend RSL. We would like to express our gratitude to everyone who has contributed time and effort into

each of these projects, over the last six months. We also would like to acknowledge the creative mind behind this project, Denise McLoughlin.

Communities for Children—During April school holidays C4C held a Mothers Day Resin Art workshop. Ten children participated with their Mum and tried out a couple of different resin projects, including bookmarks, key rings and small cheese boards. There were a range of other craft activities on offer for the children to complete. The resin art was left over the week to dry, packaged up with some chocolates and families were able to collect just before Mother's Day. Everyone involved really enjoyed the workshop with some even wanting to do another resin project in the future.

News From The TB Historians Association

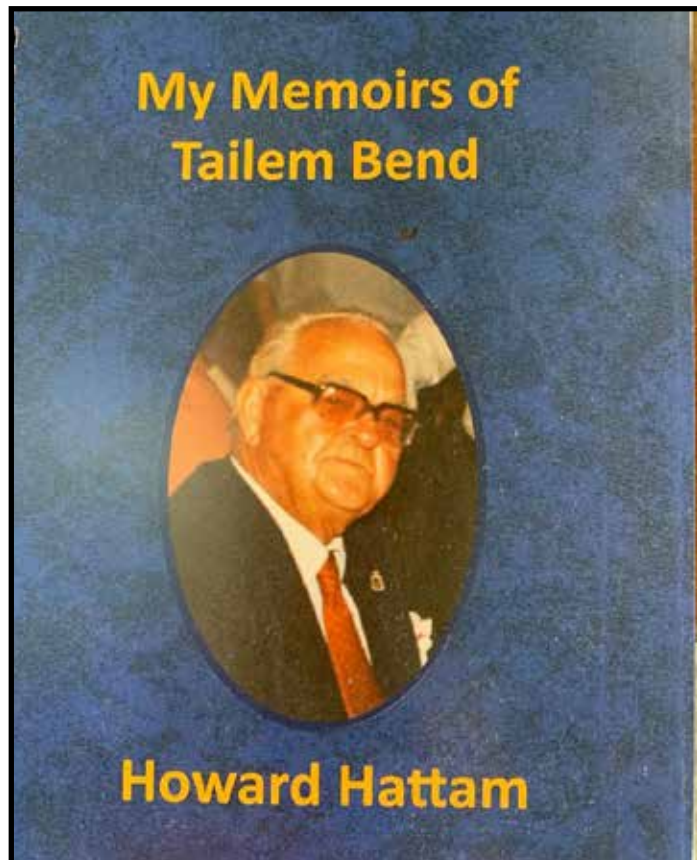

Submitted by H.Bowering, on behalf of the Tailem Bend Historian Association.

Official Opening of the History Room.

Friday 21st May 2021 was a special day in the calendar of the Tailem Bend Historians Association Inc. It was the day that they celebrated with invited guests, Association members and community friends the Opening of the History Room, located at the end of the Railway Station immediately adjacent to the Railway Museum/Information Centre.

For the initial part of the ceremony members of the public gathered at the Council Gallery for a 10am start. A welcome was extended to all attending by Helen Bowering who was acting as MC for the morning. Leo Rigney, a student from Tailem Bend Primary School, gave the Acknowledgement of Country.

An integral part of the morning's program was the launch of Mr. Hattam's Book. The task of publishing Mr. Hattam's book was undertaken by the Historians Association and was completed this year.

ABOVE: Mr Hattams Book for sale at the Tailem Bend Community Library.

ABOVE: Mayor Paul Simmonds cuts the ribbon with Secretary Angie Tomkinson and President Peter Connolly.

This book had been published from the original writings of Mr. Howard Harold Hattam, a longtime resident and identity in Tailem Bend. In his book he describes many aspects of his years growing up in this township and surrounding area. The book is for sale through the Historians Association at the cost of \$15 per copy.

Several descendants of Mr. Hattam attended the book launch, including his granddaughter, Janet, who is an accomplished soloist. She sang some verses of an Anzac Hymn as a tribute to her Grandfather. Angie Tomkinson – Secretary, and Peter Connolly – President, took part in the book launch contributing background information on the book and presenting copies to Mrs. Annette Hattam for the family.

Morning tea was provided, and time was allocated to those attending to look at the “*Life & Times of Tailem Bend*” Exhibition in the Gallery. This Exhibition of historical photographs and memorabilia remains in the Gallery throughout History month until the end of May.

News From The TB Historians Association

After morning tea, Peter Connolly, dressed as the Town Crier, and loudly ringing a handbell, led everyone across the roadway from the Council Chambers to the Railway Station and the new History Room area.

A short overview of the past and current use of the History Room was presented by Angie Tomkinson and then Peter Connolly invited the Mayor, Paul Simmons to cut the ribbon and officially declare the room open.

The Tailem Bend Historians Association Inc. is grateful to the Coorong Council for giving this permanent space for the display of their historical photographs and memorabilia. The Association has upgraded the room using funding obtained from donations and grants and sincerely appreciates the generosity of local businesses and organizations that have supported them in this way. The proximity of the room to the railway museum compliments the displays and the efforts of local volunteers endeavoring to preserve, maintain and showcase historical records and items of significance.

It was a most successful day of community celebration and the weather was perfect for spending some time outdoors at the Railway Station. Even a freight train came through on cue to add to the excitement!

The Tailem Bend Historians Association Committee meets monthly at the School Community Library.

All community members are most welcome to become Friends of the Historians Association. You are invited also to join in on the “*Monday Memories*” sessions held on the last Monday morning of the month from 10 am – 12 noon at the Library.

Should you have photos, articles, artifacts, memorabilia, or anything else which you think may be of interest for the Historians to know about, please contact Angie Tomkinson at the Library – Phone: 85 723 275. We can scan your original pictures so that they are returned to you promptly.

Thought for the Month

Presented by Joanna Paynter

What are friends for.

1John:4:18 - 19

There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love. We love Him because He first loved us.

Friendship is a powerful force in our lives. When you think of your best friend you think of somebody who you have shared meaningful time with. Through friendship, God invites us to know Him and to make Him known. The apostle John carries a wonderful revelation of friendship with God because he was arguably Jesus' closest friend.

John sat beside Jesus at The Last Supper and from the cross Jesus looked upon His devastated mother entrusting her to John's care. John had been impacted by the love of Jesus and his letter makes this very clear. He explains that we are God's children. He affirms how much Jesus loves us. Then he commissions us from this place of experiencing God's love to love one another. Love is so central and so constant to his writing in this book that he references it forty times.

So what does it really mean to follow Jesus? We live in a day when following somebody is easy just requiring the click of a button. After you follow them you can then decide if you want to pay attention to what they have to say or ignore them all together. This is not the same idea as following Jesus.

One of the greatest problems of the modern day church is that we've worked hard to introduce people to what they should do instead of Who they should know.

John met Jesus, received Jesus' love, and spent the rest of his life walking with Jesus. John's relationship with Jesus utterly, completely, and eternally transformed him. This is the true Christian life. Are you abandoned and surrendered to the purposes of God as revealed in Christ.

Jesus loves us and Jesus loves the church. His desire is to rescue humanity and draw every human being into his family.

Together we can become more loving, serving and giving leaving our world a better place!

FEDERAL GOVERNMENT EXPANDS LIFE-SAVING ROAD SAFETY INVESTMENT

The 2021-22 Federal Budget commits an additional \$1 billion to the Road Safety Program, as part of the Australian Government's ongoing commitment to improving road safety and getting Australians home sooner and safer.

Member for Barker Tony Pasin said the \$1 billion funding injection will back two additional six-month tranches, extending the program from June 2022 to June 2023.

"This investment builds on the previous \$2 billion over 18 months announced for the Road Safety Program as part of last year's Budget." Mr Pasin said.

"Now totalling \$3 billion, the Road Safety Program continues our commitment to reducing the number of deaths and serious injuries on our roads, because we know one death or serious injury is one too many." Mr Pasin said.

"To date, the Road Safety Program has seen \$11,220,000 delivered to Barker through tranche 1 for road safety projects due for completion by June this year." Mr Pasin said.

This investment is expected to provide a boost to local jobs, further supporting Australia's economic recovery from the COVID-19 pandemic.

"The Road Safety Program is aimed at delivering lifesaving road safety upgrades on rural and regional roads throughout Barker and providing better protections for vulnerable road users," Mr Pasin said.

"We are funding crucial upgrades through the application of road safety improvements including shoulder sealing and the installation of rumble strips, to support the safe return of vehicles from the shoulder into the travel lane; physical barriers to prevent run off road crashes and median treatments to prevent head-on vehicle collisions." Mr Pasin said.

"This investment complements a suite of other Australian Government initiatives such as investment in driver reviver upgrades, innovative road safety technologies and education campaigns."

Jokes of the Month

When I got the bill for my car service,
I blew a gasket!

Submitted Lyn Goddard

.....

Fred drove his brand-new Ford Mustang out of the dealership. Taking off down the road, he pushed it to 120kph, enjoying the power of the car. Amazing, he thought as he flew down the road, pushing the pedal even more. Looking in his rear-view mirror, he saw a highway patrol car, blue lights flashing and siren blaring. The man pulled over to await the copper's arrival. The copper got out of his vehicle and walked up to the car. He looked at his watch, then said, "Sir, my shift ends in 30 minutes. If you can give me a new reason for speeding that I have never heard before I will let you go." Fred paused then said "thirty-three years ago, my wife ran off with a policeman, I thought you were bringing her back." "Have a good day, Sir," replied the copper.

Quotes of the Month

"There comes a time in your life, when you walk away from all the drama and people who create it. You surround yourself with people who make you laugh. Forget the bad, focus on the good. Love the people who treat you right, pray for the ones who don't. Life is too short to be anything but happy. Falling down is part of life, getting back up is living."

Submitted by Margaret Jaensch

.....

"Few will have the greatness to bend history itself; but each of us can work to change a small portion of events, and in the total of all those acts will be written the history of this generation."

(Robert F. Kennedy)

SCAMS

A scam is a dishonest act where someone may trick you into parting with your money. Scammers can be very convincing and invent seemingly legitimate reasons to make you part with your money. Scammers will contact a person through emails, phone calls, text messages or letters.

To reduce your chances of becoming a victim of a scam, please consider the following crime prevention tips:

- Always know who you are communicating with and where your information is going. If you are uncertain, confirm the contact is legitimate through methods other than what they have provided.
- Never give your personal details, passwords, credit card or online account details to a person you cannot identify in an official capacity.
- Legitimate companies, particularly financial institutions will not send emails requesting you to log on to a link – log on independently if you need to access that site.
- Ignore emails and text messages which advise you have won a competition that you did not enter.
- Do not send money to receive lottery winnings or to claim a prize.
- Never give an unsolicited person remote access to your computer. You may compromise the security of your device and your personal information.
- Ensure your computer is protected with regularly updated anti-virus and anti-spyware software.

To report a scam or for further information visit www.cyber.gov.au
