# Transporters Parade Returns to Tailem Bend

Article submitted by Ashlee Crossman.

On a sunny Wednesday afternoon, 27 July 2022, the streets of Tailem Bend welcomed back the Repco Supercars Championship with an impressive showing of B-Double transporters and local Tailem Bend Auto Club cars.

The parade celebrated the return of the OTR SuperSprint to The Bend Motorsport over the final weekend of July, where the Supercars battled it out in Round 8 of the 2022 season.

It was wonderful to see the crowds – young and old – who came along to welcome the B-Doubles, and cheer on the Auto Club drivers through Railway Terrace.

Coorong District Council would like to thank the Supercars Championship, The Bend Motorsport Park, Tailem Bend Auto Club, and of course the crowds who came along for a fun afternoon!

# ABBA GOLD by the Flaming Sambucas

Article and photos submitted by Stephen Lee & The Allsorts Of entertainment team.

**Well what a night - ABBA GOLD by the Flaming Sambucas - last Saturday August 13th at Tailem Bend Town Hall.**

**You can Dance, You can Jive , You - Tailem Bend Community and surrounding Towns certainly did that.**

It did not take long to fill the dance floor at the front, down the side and at the back dancing & singing along to ABBA song hits. The hall was transformed into a pumping nightclub atmosphere. It was and still is the Talk of The Town.

## Quotes from Facebook Posts

*(On the Tailem Bend Community page.)*

- *WOW great to see the Town Hall full.*
- *What an amazing night this was.*
- *The atmosphere was electric, thanks to the organisers.*
- *Great night thank you*

Thanks to Tailem Bend Rotary Club for providing Volunteers for the night, as Ushers and for the use of your technical equipment along with Roxy our technician for great sound / lighting for the overall visual experience.

**Look out in 2023 for more dance party event shows.  
Thanks everyone for your wonderful support and so nice to meet you all on the ticket desk.**

Article and photos submitted by Margaret Jaensch.

**BLUE LIGHT UPDATE!!! I'm pleased to be able to announce that the Tailem Bend Police Blue Light Committee have been given the approval to resume Blue Light Events.**

Our first disco for this year will be the **FOOTY COLOURS** – Fight Cancer themed event on Wednesday 29th September from 5 to 7 pm at the Tailem Bend Football Clubrooms. Admission is \$5.00 per student!!!!

**We anticipate a Christmas themed disco happening on Wednesday 7th December. Venue to be announced.**

And to add to the excitement, we recently took seventeen Tailem Bend Primary School year six students out to the **Monarto Zoo** for an overnight educational Camp.

Although the weather was inclement at times everyone thoroughly enjoyed this amazing time spent at the zoo. The experience of driving through the various animal enclosures and seeing the Lions, Giraffes, American Bison, Spotted Hyenas, Southern White Rhinoceros, Black Rhinoceros, Zebras, Spotted Hyenas and Cheetahs up close was amazing. Spending time watching the Chimpanzee and their human like antics was a delight for all. Helping to clean up Giraffe poo from their enclosure was an unexpected chore, but everyone pitched in and helped out. Learning firsthand what is entailed to keep the zoo up and running from the zoo rangers was very much appreciated.

Sleeping in swags out in the open and rising at dawn to watch the sunrise was a first time experience for many.

This year we were able to delight the students with participating in the Lions 360 Experience, the Meerkat Mingle and the Giraffe Safari.

**An exhausting full on two days, but most enjoyable and exhilarating for all attending the camp.**

ABOVE: All aboard the Police bus heading out to Monarto Zoo.

# RIPPER NAPPY... A Little History

Article submitted by Jeanette Kozikowski.

**Maybe you remember when Simon's Bass Café was the Ripper Nappy Shop, or maybe you've only seen the signage and wondered about it.**

I have been in touch with Betty Smedley and she has provided me with some history of the shop which was attached to their residence.

In mid-1993, Jamie Smedley moved back to Tailem Bend. His parents, Betty and Eric, who are also Darren's parents (*from Smedley Tyres*), followed in 1994.

Ripper Nappy was started in Murray Bridge and then the family moved to Tailem Bend. Jamie was making the reusable baby nappies and in early 1994 he started making adult jeans as well. People who wore his 'Tailem Bend Jeans' loved them but making them all individually wasn't profitable, plus overseas imports didn't help. When disposable nappies really took off that also put an end to making the ripper nappies.

Betty also made machine knitted rugs in AFL colours as well as various other merchandise.

The Shop was closed in late 2001 and Jamie moved to Adelaide and started working as an aged carer and is still a nurse working in aged care.

## NOW SIMON'S BASS CAFÉ

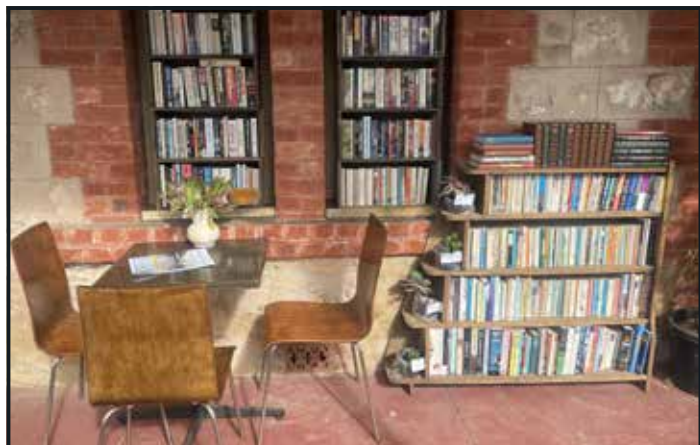

Simon opened the Bass Café on January 5th 2022 in what was formerly the Ripper Nappy Shop.

**The Café is open daily from 6am, catching the early birds, and closes at 11am.**

The coffee's great and he has a selection of home-made cakes and biscuits, and toasties and small meals are available. **There is also a small selection of crafts and old wares.**

On the verandah you'll find the Book Rescue area where you can choose a book or two from a variety of titles, at no cost.

Sit inside in a comfy armchair, take a window seat listening to a little jazz... or enjoy the outdoors on the verandah.

ABOVE: The outdoor area and book rescue.

# COORONG Council News

## From the Chamber

Congratulations to the community groups who were awarded funding through round one of the 2022/23 Community Grants Program at the August ordinary Council meeting - Council looks forward to seeing these projects and events come to fruition.

### Upcoming Special Council meeting

The construction of a community skate park at the Meningie town oval will be considered at a special meeting to be held at 6pm on Thursday evening, 1 September 2022 at the Coorong Civic Centre.

An opportunity will be made available to community members (or groups) to make a deputation at the meeting in relation to the skate park. Deputation requests should be addressed to the Mayor and received in writing before midday on Thursday, 1 September 2022.

## Solo Resource Recovery welcomed on board

Coorong District Council welcomes on board its new waste collection contractor, Solo Resource

Recovery who will commence operations in the Coorong district from Monday, 29 August 2022.

Residents can expect collection practices for kerbside township, en-route and bin bank services to continue on the current schedule. For any missed bin collections or enquiries, Solo can be contacted on 08 8295 5077.

## Make a difference and nominate for Council

Councillors come from all walks of life but have one thing in common – they're passionate about making a difference to their local community as part of a team.

Run as a local councillor in the 2022 Council elections and stand up for the things that matter most to your community – from parks to paths, from planning to playgrounds, from roads to recycling, and bikes to bushwalks.

Candidate nominations are now open and close at midday on 6 September 2022. To nominate or find out more, visit [www.councilelections.sa.gov.au](http://www.councilelections.sa.gov.au).

## Nominate as a candidate for Coorong District Council

Are you interested in standing as a candidate in the upcoming Council elections? Nominations are now open, and close at midday on Tuesday 6 September 2022. Visit [www.councilelections.sa.gov.au](http://www.councilelections.sa.gov.au) to nominate or find out more.

A long-running series submitted by Peter Connolly. Photos submitted by Michelle and Doris.

## Jervois Primary School – The First 100 years.

**This month we join our Jervois community as they celebrate a magnificent milestone. It is often said that Tailem and Jervois share friendly rivalry. It is not about that, this time the door is open for history about a small community's achievements, especially schooling.**

Michelle Afford is Admin. Officer at the Jervois School and I was fortunate enough to have her present the following article. Excerpts taken from the 'Jervois Primary School history book celebrating 70 years of school life':

The Jervois Primary School opened at a time of extreme hardship, most of its pupils came from families of men employed on the erection of the levee banks and the draining of the swaps. The homes for the levee workers were primitive tin cubicles grouped together, known as 'Tin Town'. They were hardly sufficient to keep out the wind and rain. Tin Town was situated south of the current Dairy Vale (now Bestons) Factory. From there, pupils walked to school: approximately 4 kilometres.

The nearest schools were at Woods Point and Wellington East. The Education Board was petitioned to open a school at Jervois.

So it was that Miss Alice Silver arrived at Jervois in August, 1922, to open the school. She had gained her Teaching Certificate that year at 'Wirrulla'. The first school was a room in a house owned by the Pahl family. The house is still occupied today, situated on the bottom road on the ferry side of today's Post Office.' (The house where the original JPS school room began, is now owned by Steve Gazzola; a past student and parent of the school).

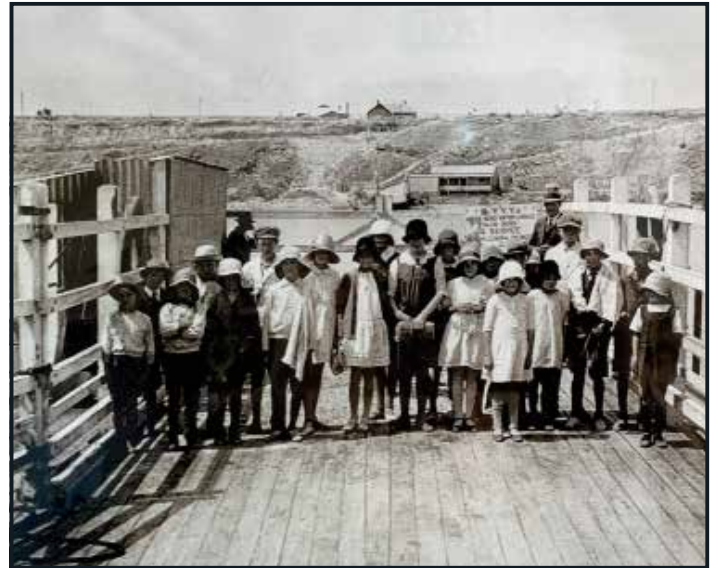

Two years later, in late 1924, the school moved to its present site, in a single stone building, which is the current administration building of today.

*'The stone building was a handsome structure on the barren stony grounds. The pupils would have been very proud of their school as they stood at attention every day, to raise*

ABOVE: Grade 1-2, 1969.

## 100 YEARS OF JERVOIS PRIMARY 1922-2022

ABOVE: Students crossing ferry – group of JPS students using the Tailem Bend Ferry to attend swimming lessons in 1928

*the flag and quote the Oath.....The school toilets were a wood and tin lean-to with a bucket, emptied by the School Committee. Behind the out-house were neat little haystacks, with bags of chaff to supply the ponies hitched to the nearby fence.'*

Some of the original families who enrolled at the school in the first year were: Bartholomew, Cameron, Geisler, Green, Henningson, Merritt, Probert, Rhue, Ross, Spender, Ward, Weidenhofer, Whittaker, Joyce, and Grist.

Many of these families still have ties in the Jervois community today, with a long family history in the Jervois area.

Various modes of transport were used to get to and from school: horse & cart, horseback, bicycle, and walking. Horses were hitched behind the school, near where the current water tower stands, eating chaff and resting while students were in class.

ABOVE: JPS buildings – the original school building which is today's Admin office, with a new shelter being built in 1934.

# The Changing Face of Tailem Bend #122

## Some significant dates from the earlier decades:

**1931** – An appeal by Jervois West settlers was successful: Jervois West School opened on land donated by Carl Froman. For about 40 scholars, the long hard road was shortened and the days of the long-suffering school ponies was eased. Jervois School was also relieved by the decrease (*in student numbers*), as conditions were very crowded.

**In 1934, a stone shelter was built which also still stands today.**

**1941** – Purchased a motion picture projector and a fine wireless set.

**1942** – Nine concrete pipes were obtained to use as air raid protection. Very wet weather in April, one day only 6 students attended school.

**1945** – The school milk scheme commenced, with every student receiving a free drink of milk: the scheme was sponsored by the government for health reasons.

**1947** – The inaugural meeting of the Jervois Welfare Club was held in April. A bank account was opened up for the Welfare Club with the Savings Bank of Sth Aust at Tailem Bend.

**1949** – The annual school picnic was held at 'The Willows' on the lakes about 17 miles from Tailem Bend: practically all parents and a number of local residents attended.

**The Welfare Club held a mock wedding to raise funds for the library** – A most successful evening with a record attendance. A profit of 26 pounds 10 shillings was raised. Merv Lokan was the blushing bride and Edgar Kluske the rather short groom!

**1950** – A party of 36 children, 3 parents and 2 teachers went on an educational trip to Adelaide and Port Adelaide: grades 1-3 visited the zoo, Museum Railway and Fire Brigade Station. The upper grades journeyed to Port Adelaide to inspect the wool store and river Clarence: a large oil burning collier and some other ships in port. For many, this was their first trip to the city: traffic lights were a great amusement.

**1951** – The Jervois West School closed, which increased enrolments at JPS by over 50% in the last term.

**1952** – A new portable room was purchased to house the year 1, 2, 3 students. A bus service commenced in March travelling from Wellington to Murray Bridge for High School. The former Jervois West students used the bus to get to Jervois Primary School. The first School Miniature Debutante Ball was held in the local Jervois Hall, the start of a tradition which continues today.

**1954** – 'A fine 42 year old school bell was purchased at a cost of 20 pounds'.

**1955** – electricity arrived at the school!

**1956** – A second portable room was erected, solving the accommodation problems for the next few years. The '56 flood impacted everyone, including the school. Mr Beaton, the Head Teacher, was also involved in patrolling the banks at night; checking for breaches of the levee bank. On September 2nd the levee protecting Jervois swamps broke

during the night, taking 3 ½ days to completely fill the 11 mile swamp

**1957** – Pumping began to drain the swamps, with the ferry connecting Jervois to Tailem Bend finally reopened at the end of April, after 8 months of inactivity.

**1960** – Tenders for the bus were called, which Mr DJ Kluske accepted. (the current bus service is still provided by the Kluske family – now run by Sam). Bus transport from Wellington to Jervois with 37 students using the bus. A cricket pitch was laid. In the Principal's absence, 2 Grade 7 boys took keys, opened the cupboard door and destroyed the school cane. This was apparently because one boy had been caned by the relief teacher – the parents of the 2 boys concerned have agreed on disciplinary action.

**1963** – 20 children and their teacher, Miss Miller, travelled by bus to greet Her Majesty Queen Elizabeth II, the bus left at 9am, returning at 6:30pm.

**1964** – Enrolment numbers at the start of the year exceeded 100 for the first time, with 111 students. A new classroom arrived in November to alleviate some congestion. A Victa 2-stroke self-driven mower was purchased for \$39-64.

**1967** – A busy bee was held to level and plant lawn

**1971** – New toilet block was 'finally put into use'. Giant step by the small community into the age of technology!

**1975** – Initiated World Vision sponsorship (*which still continues today*). The 'cow wall' was built – a brick wall on the lawn used for games. It gained its name from the cow painting which used to be on it – the painting has since been removed, but the name has stuck.

**1976** – New library 'dmac' building installed and officially opened.

**Sport** – Was and is an integral part of school life: Sports Days and Inter-school Sports Days were a very important schedule on the calendar. Inter-school matches of football, basketball (*later netball*), tennis and athletics events. Over the years there has been many different schools involved in our Inter-School Sports Days: combined with schools from Murray Bridge, Tailem Bend, Woods Point and other areas involved: Monteith, Point McLeay and later incorporating Langhorne Creek & Milang, and more recently Mypolonga. Currently there exists many opportunities for students to be involved with a range of sports through SAPSASA and local inter-school competitions.

**Technology** – Has made a significant impact on learning, with iPads, computers, internet, printers, and smartboards all providing broad access to information and different ways to produce work and learn.

**Changes** – There has been many changes to the buildings and grounds in the more recent decades, with upgrades to play equipment internal and external buildings, gardens and surrounds. The most significant of these is the internal renovations of the main building, and the removal of the old dmac library; being replaced with a beautiful and spacious new building. And who can remember the old lunch shed? It's now an enclosed room used for well-being and visiting student support ventures.

# The Changing Face of Tailem Bend #122

## Four Generations of Families!

Keeping the school history connection, these 2 family branches both have 4 generations who have enrolled at Jervois Primary School:

- Neil Morris (*enrolled 1955*); his daughter Allyson Morris; her daughters Taylor Morris & Allanah Eyles; and their daughters Mia & Ruby
- Sylvia Ross (*enrolled 1928*) (*who later married Clarrie Hicks*); her son Denis Hicks; his sons Shawn & Tim Hicks; and their children Ben & Isabella and Thomas, Fraser & Sophie. Kellie (*one of Denis' daughters*) was also a recent staff member of JPS as well as being a student.

**The 100 years celebration incorporates an Old-Style School Day on Friday 30th September, where we invite visitors to come and celebrate with our students and staff.**

There will be displays in classrooms of student learning, centred on local history to link to the centenary, lots of stalls (*art & craft, school produce and cooking*) plus old style and modern games and activities. You are welcome to come to school anytime between 11am and 2pm and share the day with us.

**On Saturday 1st October we have our big REUNION Day planned.**

ABOVE: Group of reception and yr 1 students from recent years in the classroom learning.

ABOVE: JPS School Concert - Held in the local Jervois Town Hall in the 1980s.

ABOVE: Garden Produce – The school kitchen garden is integrated into student learning, including cooking, planting, harvesting and tasting.

We are expecting lots of past students, families, and staff to come along to catch up and reminisce about their JPS days. We will have classrooms open and continue with our Friday displays and some stalls and activities; plus, there will be plenty of food and drink available to purchase. Our Centenary Gates will be officially opened, leading through to displays and Devonshire Teas over at the Jervois Hall. The day goes from 10am until 4pm – when activities will wind up at school, with further opportunity to continue at the Jervois Sporting Club where the bar will be open, canapes available, with plenty of room to sit or gather to continue their catch up in a relaxed and informal atmosphere.

Memorabilia will be available to purchase, including named pavers, a pictorial history book, pens, commemorative port, and centenary tote bags.

If you are in any way connected with Jervois Primary School and have photos, particularly from the 70s and earlier years, we would LOVE to have copies.

**Further information is available from the school:  
0885723279 or contact Michelle 0412 697 742 or  
email: [michelle.afford149@schools.sa.edu.au](mailto:michelle.afford149@schools.sa.edu.au)**

**Well done Michelle!**

**Jervois is renowned for staging a superb show, this will be no exception, don't miss it. And Remember don't count the years, count the memories. See you next Month**

# Tailem Bend Football Club

Article and photo submitted by Jodie Jarvis.

BELOW: Daniel plays A grade for Tailem Bend.

Daniel Perks has had a season of football to remember! He was selected for RMFL Association Team and from that game Daniel was selected for the Eastern Zone and he competed in the SA Country Champs in Whyalla.

As a result of being selected for the SA country Team, Daniel was also selected for the SA Country State Team. SA played WA on Adelaide oval as a curtain raiser for an AFL game, and SA won. Congratulations Daniel on representing Tailem Bend Football Club and the RMFL, a great honour.

ABOVE: Helayna White selected in the 12 and under SA school sports team who played ACT, WA, QLD, NSW and Victoria in Adelaide. 4 wins for the week only losing to Vic in their final game by 3 points. Helayna was selected by the Vic team as the best player in that game. SA were runners up to Vic for the carnival but won the fair play play as voted by the other teams. It was the inaugural girls competition.

# Pangarinda Botanic Garden

Article submitted by Kaye Bartlett, photo by Paul Bartlett.

**Banksia oreophila** the name means mountain loving.

Found growing in a very limited area of Western Australia on the peaks of the Stirling and Barren Ranges. Favouring the quartzite soils, as it likes good drainage. It has proved very adaptable to Pangarinda's sandy soils.

Growing to 2m an erect shrub with spreading lower branches and blue-green leaves similar to leaves on oak trees.

The unusual Grey mauve colour of the oblong cylindrical flowers draws visitors attention.

## The Greatest Of All Time (G.O.A.T)

Article submitted by Tracey Woidt on behalf of the Lutheran congregations of Bucleuch, Karoonda & Tailem Bend, served by Pastor Tony Traeger.

**The Commonwealth Games have been and gone and the athletic prowess graced our screens. I marvel at the abilities of the people gathered at the games. I heard the term G.O.A.T thrown about a few times. The Greatest Of All Time.**

There is only one Greatest Of All Time. Jesus. He was the one who walked on the water. He was the one who calmed the raging sea with only a few words. He was the one who turned water into wine. He was the one who loved where others couldn't or wouldn't. He was the one who fed over five thousand with five loaves and two fish. He was the one who healed the sick, made the blind see and the deaf hear. He was the one who raised the dead. He was the one who died and came back to life. Jesus is the Greatest Of All Time, the one who lives forever.

All the miracles Jesus did were about His love and relationship with those receiving the miracle. Jesus was moved by compassion to see people restored. Each one of those miracles was an act of His great love. The ultimate act of love was His willingness to die on the cross. Fully human and fully God, tempted as we are, yet never giving in to sin. Faultless. Perfection. His death on the cross was for each and every one of us, for every person, for all time. His resurrection from death three days later, assures us that He has indeed made the way for us to live in heaven with Him forever. His greatest desire is for each and every person to be in relationship with Him, to know the depth of love that led Him to the cross. The depth of love from Jesus that can not be equalled or measured. His love for us has no bounds, His love for us has no limits. His love went to the cross, vacated a grave and made the way to heaven. All this so our place could be secured with Him in heaven forever.

**No mere human can attain what the Son of God so freely gave us. Everlasting life in His presence forever and it was made possible by the Greatest Of All Time. Jesus.**

**Hebrews 1:3** "He is the radiance of the glory of God and the exact imprint of His nature, and He upholds the universe by the word of His power. After making purification for sins, He sat down at the right hand of the Majesty on high."

## The Prostate Cancer Foundation of Australia

Article submitted by Glynis Taylor with thanks to Michael Holliday and the Tailem Bend Auto Club. Photo credit: Chris Taylor.

**Glynis Taylor receiving a cheque for one thousand dollars from Michael Holliday, on behalf of the committee and members of the Tailem Bend Auto Club. All funds go to the Prostate Cancer Foundation of Australia.**

The funds help with world leading and innovative research into prostate cancer, along with supporting education, awareness, and advocacy for the whole community, and providing life-changing services and support for men and families impacted by prostate cancer.

*"The majority of our members are middle aged to senior men who are at high risk of Prostate Cancer. Some of our members have had or are undergoing treatment for this type of cancer, and we have some members who have passed as a result of it". Michael said. "As a club we want to be involved in helping with the research and break through treatment of this horrid type of cancer."*

*"I am very humbled and grateful to still be receiving donations almost five months after finishing the Mighty Murray Paddle. On behalf of the PCFA, I would like to thank the Tailem Bend Auto Club committee and all members for this incredibly generous donation. I am now in planning for the next Prostate Cancer Foundation fund raising adventure although I have not yet set the date. I would like to remind all men to get a prostate cancer test. Start testing in your forties if there is any family history of prostate cancer, and in your fifties is there is no family history. Don't*

ABOVE: L to R, Michael Holliday, Glynis Taylor.

*wait until you have symptoms as too many men discover too late the disease has a hold on them with no previous symptoms at all. There is no shame in asking for a test, and it only takes minutes. Once again, I'd like to thank everyone for supporting this incredible fund-raising event."*

**You can still donate: <https://fundraise.pcfa.org.au/fundraisers/glynistaylor/massive-murray-paddle-2021>**

# Shadow Minister Vincent Tarzia Conducts Flying Visit to South East

Article and photos submitted by Rosemary Tierney.

**The Member for MacKillop Nick McBride MP has welcomed the Shadow Minister for Infrastructure and Transport, Sport and Recreation to the Limestone Coast.**

The Hon Vincent Tarzia MP conducted a one-day visit of the electorate, starting off with a visit to the Taillem Bend football club, which has plans to expand into a sporting hub for the area. This would combine football, netball and cricket – along with other sporting codes, and include new indoor and outdoor facilities.

*“It was a pleasure to go out and meet with the Eagles family to thank their hard-working volunteers for the support they provide their club, and for being the backbone of their local sporting community. We are seeking to support them as much as possible into the future”* said the Shadow Minister.

The Shadow Minister then drove a section of the Mallee Highway with Mr McBride, who stopped to highlight areas that are in vital need of maintenance.

*“The Mallee Highway is the shortest route connecting Adelaide and Sydney. It is hugely important to our transport industry, and yet, in places, is in real need of road maintenance. In some places the surface is extremely rough, there are potholes that need fixing and shoulders that need sealing.”* said Mr McBride.

The pair then travelled back along the Dukes Highway to Bordertown, where they met with Bordertown speedway officials to inspect construction of the town’s ‘one of a kind’ speedway track.

Locals have completed half of the track, which has been modelled on the US I-55 Speedway in Missouri. Once completed, it will be the first of its kind in Australia and, hopefully, draw enthusiasts from across the nation.

*“This is a fantastic example of locals getting behind a project for the good of their town. They know the economic benefits that this track will provide to Bordertown, and they are helping make that happen.”*

ABOVE: Nick and Tarzia, Mallee highway.

ABOVE: Nick and Tarzia Taillem Bend Football Club.

From Bordertown, the Member for MacKillop and the Shadow Minister met with the Mayor and acting CEO from the Kingston District Council to discuss infrastructure challenges, including water and sewage issues in Kingston, repairs required at the Kingston Jetty, Wyomi Beach Erosion and the Cape Jaffa Marina.

*“I always enjoy showing my colleagues the region. It is important that they have a sense of what the issues are in the area. As politicians, it is our role to serve our community. To do so, we need to connect with our community as best we can.”*

**“I look forward to welcoming other Shadow Ministers to the region in the coming months.”**

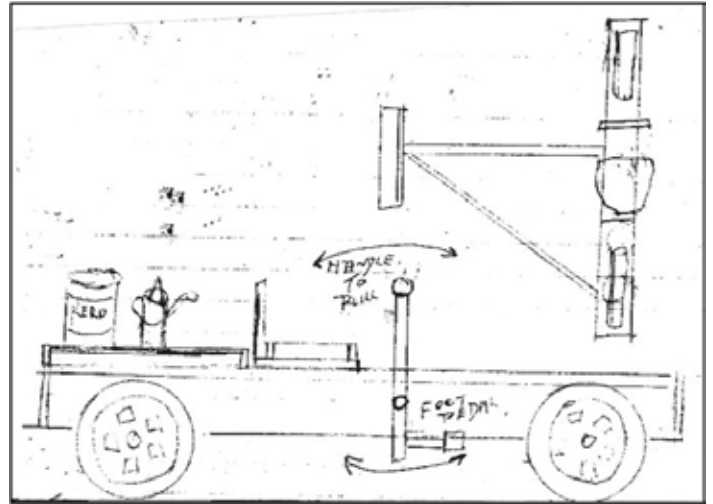

# The Lamp Lighter

Article and photo submitted by Angie Tomkinson.

**The lamp lighter was a Railway employee back in the 1950's to 1960's and his job was to fill all the signals between Monarto and Tailem Bend with kerosene.**

Burt Munn was the lamplighter in our area. He used a trike that was hand and foot powered. He would fill the lamps from Murray Bridge to Tailem Bend Monday, Wednesday, and Friday, and Monarto – Murray Bridge Tuesday and Thursday one week then alternate the next week. The trike was a one-man operation but still quite heavy.

This operation was carried out until mid-late 60's when C.T.C. (Centralised Train Control) which was all electric operated from Murray Bridge Train Control.

ABOVE: Diagram of the railway trike and the lamp post along the tracks.

One large drum of Kero was on the trike & a small 1 gallon (4.5 litre) can with a spout was used by Burt, he would climb a ladder on each signal and fill two signal lamps. Whilst up there he would clean the lamps on the signals and renew the wick if necessary. These signals were approximately 20 foot (6.096 Metres) high.

Each signal location had a mound of filling alongside with sleepers placed between the tracks to manually take trike off the track to let a train pass. He would have to keep in touch with the Train Controller in Murray Bridge to keep a check on train Movements.

**There was an error in the last topics about David Gollan and Morphet.**  
**Adding the amendment from the information of the last submission.**

**1839 May 13th** - The Wellington Special Survey was claimed by John Morphet, of 4,000 acres at £4,000 to be selected from a compact district of 15,000 acres extending one mile from each bank of the river Murray and down to the water's edge. These 15,000 acres extended from about 4 miles south of Wellington to about 2 miles north of Tailem Bend. Thus capturing the rights to all the water front of the Murray.

**TALEAM / PINE CAMP** - From circa 1867 Donald Gollan purchased several adjoining sections at East Wellington. Donald Gollan had the property called Pine Camp which was surrounded by a stone wall. Some of it is still standing.

## THE TOWNSHIP OF TALEM BEND WAS LAID OUT ON

*SECTION 369 Hd Seymour* – originally purchased by Allan Bell on 27/11/1876.

*SECTION 355 Hd Seymour* – originally purchased by Peter Pranker on 31/12 1866.

Tailem Bend Proclaimed on 28th July 1887.

## BOOK REVIEW

### THE SECRETS of ASHMORE CASTLE - Cynthia Harrod-Eagles

The brand-new series, perfect for fans of **DOWNTON ABBEY**, from the author of the hugely successful **MORLAND DYNASTY** novel.

Behind the doors of the magnificent Ashmore Castle, secrets are waiting to be uncovered..

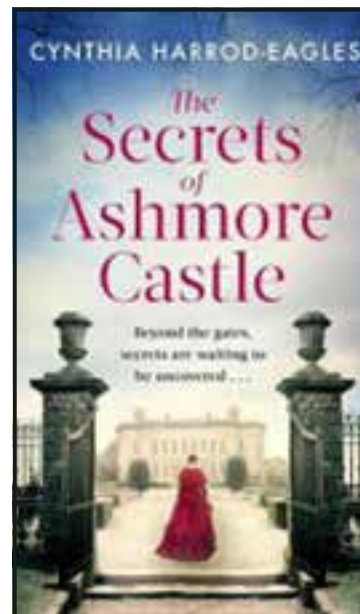

1901. When the Earl of Stainton dies in a tragic hunting accident, Giles, the eldest son of the noble Tallant family, must step forward to replace him as the head of the family.

But Giles has avoided the Castle and his stifling relatives for years, deciding instead to forge his own path away from the spotlight. Now, he must put aside his ambitions and honour his duty to the family.

With their world upended, the Tallants and their servants struggle to find their place in the house - and society - once again. And Giles realises that, along with the title and the castle, he's also inherited his father's significant financial troubles that threaten the security of his entire family.

In Kensington, Kitty Bayfield, the painfully shy but moneyed daughter of a Baronet, has just left school with her penniless companion Nina. Nina captures the new Earl's heart, but only Kitty can save his family from their debts, and soon Giles must choose between his duty and his heart...

The Secrets of Ashmore Castle is the first in a brand-new historical family drama series, filled with heartbreak, romance and intriguing secrets waiting to be uncovered. The perfect read for fans of Downton Abbey, Bridgeton and rich period dramas

 Submitted by Angie Tomkinson.

# Thought for the Month - Colossians 1:9-13

Submitted by Pastor Gary, Rehoboth Christian church on the Verandah.

## Colossians 1:9

What do we pray for people if we want the church to grow, and particularly as we desire to hear God's will? (*We don't just go to Church. We are the Church*) If we read the above scripture, the answer is simple, pray that each individual is "filled with the knowledge of His will in all wisdom and spiritual understanding" It isn't as difficult as we tend to believe or make it if we follow Paul's example.

It doesn't mean following a ritual or praying the way someone else prays. We should first of all pray for ourselves, that we hear from God, so that we can pray in the knowledge of His will. Praying with the Holy Spirit's leading means putting aside our own will and that is exciting! Suddenly we find ourselves praying differently from our own self-centred words. We find that we are able to say things that just don't seem to come from ourselves. Thoughts naturally form into words and our prayers are more focussed and satisfying.

## Colossians 1:10

If we focus our attention on verse 10 we see God's purpose for verse 9—praying for wisdom and spiritual understanding leads us to please God, grow closer to Him and do good works, bear fruit, for His purposes, not our own,

## Colossians 1:11

By praying for spiritual understanding we, and the believers we are praying for will be strengthened in God's power and we will not be robbed of the joy of the Lord, regardless of our circumstances.

## Colossians 1:12

In verse 12 we are encouraged to recognise God's leading and give thanks for the privilege of being involved in God's great plan. We really don't need to pray like anyone else, when the Holy Spirit leads our prayers God hears our hearts and the words are understood by Him. It doesn't have to be elaborate prayer just pray for knowledge of His will and spiritual understanding. Spend a few minutes just quietly listening as you focus on the Lord & His voice speaking for your attention.

**Read Colossians 1:9-12 each day so that you become really familiar with it and begin to hear what God is saying.**

*Set sometime aside each day when it best works for you and pray for each person you care about, and those you don't think you care about. God will begin to show you who HE cares about. Most important, ask the Holy Spirit to lead!*

# Community Notice Board

## LIONS CLUB NEWS

We will be conducting an On Line clearing sale on Wednesday evening 14th September at 6pm on behalf of a Murray Bridge retiring family. The goods consist of carpentry and woodworking tools and equipment and a vast array of workshop tools all in exceptional condition. Of special interest is a hand-made to scale model wooden semi trailer which won a grand champion ribbon at both the Murray Bridge and Mannum shows. There is a range of kitchen ware, pot plants as well as furniture and garden gear. Go to [Clearingsales.com](http://Clearingsales.com) for full description and photos of every item on sale.

It is hoped that we will be able to have a "cake walk" again this year. It is proposed to take place on the first Saturday in December with the assistance of the Noarlunga/Morphett Vale club which will supply the Santa sleigh for Santa to give lollies to the little ones. Cakes and puddings have again increased in price, but then again what hasn't!! Except for our locally produced natural honey, still at \$7.50 a tub.

Christmas raffle will very soon be collaborated, and once again we will be seeking donations from our local community to make it all come together in the same manner as in years gone by. We also hope to be able to participate in this year's street parade. What good news that the old format of closing the main street to traffic, so all can enjoy the Christmas spirit.

*Submitted by Margaret Eckermann.*

## THE BEAUTIFUL SIMPLE THINGS

Flowers

Long hugs

Shy smiles

Smell of rain

Starry nights

Falling in love

Holding hands

Getting lost in a book

Random acts of kindness

Leaves falling from the trees

The smell of freshly cut grass

Morning mist on untouched fields.

*Submitted by Jeanette Kozikowski.*

# Community Notice Board

## Jokes of the Month

**Son's Father:** Let me see your report card.

**Son:** I don't have it.

**Son's Father:** Why not?

**Son:** My friend just borrowed it. He wants to scare his parents.

**Son:** Dad, are bugs good to eat?

**Son's Father:** Let's not talk about bugs at the dinner table.

AFTER DINNER

**Son's Father:** Now, son, what did you want to ask me?

**Son:** Oh, nothing. There was a bug in your soup, but it's gone now.

**Father:** You'll never amount to anything because you procrastinate. **Kids:** Oh year? Just you wait.

**Father:** If you keep pulling my hair, you will have to get off my shoulder. **Daughter:** But, Dad I'm just trying to get my gum back!

If you have something you would like to share in the next Tailern Topics, please email it to Jo the Editor at [tailerntopics@gmail.com](mailto:tailerntopics@gmail.com).

## Quote of the Month

### What is a Dad ?

A Dad is a person who is loving and kind, and often he knows what you have on your mind. He's someone who listens, suggests, and defends, a dad can be one of your very best friends.

He's proud of your triumphs, but when things go wrong, a dad can be patient and helpful and strong. In all that you do, a dad's love plays a part. There's always a place for him deep in your heart.

And each year that passes, you're even more glad, more grateful and proud just to call him your dad! Thank you Dad... for listening and caring, for giving and sharing, but especially, for just being you.

**Wishing all the Special carers, father's and Grandfathers a Very Happy Father's Day.**

Submitted by Margaret Jaensch.

## TAILEM TOPICS SUBMISSION INFORMATION - 2021

### Tailern Topics Submissions:

Send your submissions, articles or photographs, including your name and address to the Editor using one of the following options: Mail to PO Box 278, Tailern Bend, SA 5260, Email: [tailerntopics@gmail.com](mailto:tailerntopics@gmail.com) or drop a copy into the RED BOX at the Post Office.
